kaun banega crorepati questions: Ramesh Chandra Agarwal (English) Bharathi S Pradhan, 2019 The building of the no. 1 newspaper empire in India was like an architect ground plan - Ramesh Chandra Agarwal laid the foundation edition by edition, city by city, state by state, going into the den of the mightiest and slaying them without fear. That quality of never cowering was an inheritance from his father. Ramesh Chandra blended it with an unparalleled taste for risk-taking and a thirst for venturing into the unknown, throwing this molotov cocktail at his rivals who stood mocking the new entrants before it hit them. In 35 short years, he turned a modest family-owned newspaper into the prime choice of readers in 12 states with 64 editions, and built an empire with a turnover of Rs 5, 000 crore. But Ramesh Chandra Agarwal's biggest professional achievement was to revolutionise the Hindi newspaper. Replacing the pure, undistilled Hindi of the discerning litterateur with popular, colloquial words that made an easy connect, he gave the Hindi newspaper a hitherto unknown respect - to heave its chest and play the game like a champion. This is a champion's story.

It's an ancient epic set in a fantasy world with modern values and political tensions between kingdoms that mirror the geo-politics of the modern world and its leaders. It follows a reluctant princess, the heir to the throne of Mithila who constantly questions her credentials and ability to rule and is always looking for ways to shrug out of those responsibilities. She's a strong, resolute and independent, always under the shadow of her older sister. *Urmila*, unlike her sister with her divine roots, is human, with fears and weaknesses that are human as is the way she deals with them, which makes for a relatable protagonist. It's mythology with a twist, where the route is the same, but the actions and motivations of characters make for a very different flavour.

Movie theaters are said to be the temples of modern India, with Bombay producing nearly 800 films per year that are viewed by roughly 11 million people per day. In *Bollywood Cinema*, Vijay Mishra argues that Indian film production and reception is shaped by the desire for national community and a pan-Indian popular culture. Seeking to understand Bollywood according to its own narrative and aesthetic principles and in relation to a global film industry, he views Indian cinema through the dual methodologies of postcolonial studies and film theory. Mishra discusses classics such as *Mother India* (1957) and *Devdas* (1935) and recent films including *Ram Laxman* (1989) and *Khalnayak* (1993), linking their form and content to broader issues of national identity, epic tradition, popular culture, history, and the implications of diaspora.

kaun banega crorepati questions: **Devil's Advocate** Karan Thapar, 2018-07-30 Sometime in the late summer of 1976, Sanjay Gandhi asked if I wanted to go flying with him... After first attempting to teach Karan Thapar to fly (not very successfully) Sanjay Gandhi took the controls and performed a series of aerobatics, not particularly dangerous but nonetheless thrilling. Once they were further away from Delhi, he became even more daring. Suddenly, he decided to scare the farmers working in the fields below by aiming the aircraft straight at them. As he dived down, they scattered and ran, fearing for their lives. At the last moment, Sanjay pulled up dramatically and waved at the bewildered farmers, clearly chuffed with the whole performance. The manoeuvre required nerves of steel and tremendous self-confidence, both of which Sanjay possessed in plenty. In *Devil's Advocate*, Karan dives deep into his life to come up with many such moments. Included here are stories of warm and lasting friendships, such as with Benazir Bhutto, whom he met while he was an undergraduate. He also talks about his long association with Aung San Suu Kyi and Rajiv Gandhi. However, not all friendships lasted--for example, with L.K. Advani, with whom he shared a close bond until an unfortunate disagreement over an interview caused a falling-out. The tension generated during an interview has spilled over off-screen multiple times, and Karan discusses these incidents in detail. For instance, when Amitabh Bachchan lost his cool during a post-interview lunch or when Kapil Dev cried like a baby. And there's the untold story of two of his most controversial interviews--with Jayalalithaa and Narendra Modi. While Jayalalithaa laughed it off later, the after-effects of Modi's infamous walkout have grown worse with time. Riveting and fast-paced, *Devil's Advocate* is as no-holds-barred as any of Karan Thapar's interviews.
