literature a portable anthology pdf: *Early Modern Japanese Literature* Haruo Shirane, 2002-07-10 This is the first anthology ever devoted to early modern Japanese literature, spanning the period from 1600 to 1900, known variously as the Edo or the Tokugawa, one of the most creative epochs of Japanese culture. This anthology, which will be of vital interest to anyone involved in this era, includes not only fiction, poetry, and drama, but also essays, treatises, literary criticism, comic poetry, adaptations from Chinese, folk stories and other non-canonical works. Many of these texts have never been translated into English before, and several classics have been newly translated for this collection. *Early Modern Japanese Literature* introduces English readers to an unprecedented range of prose fiction genres, including dangibon (satiric sermons), kibyôshi (satiric and didactic picture books), sharebon (books of wit and fashion), yomihon (reading books), kokkeibon (books of humor), gôkan (bound books), and ninjôbon (books of romance and sentiment). The anthology also offers a rich array of poetry—waka, haiku, senryû, kyôka, kyôshi—and eleven plays, which range from contemporary domestic drama to historical plays and from early puppet theater to nineteenth century kabuki. Since much of early modern Japanese literature is highly allusive and often elliptical, this anthology features introductions and commentary that provide the critical context for appreciating this diverse and fascinating body of texts. One of the major characteristics of early modern Japanese literature is that almost all of the popular fiction was amply illustrated by wood-block prints, creating an extensive text-image phenomenon. In some genres such as kibyôshi and gôkan the text in fact appeared inside the woodblock image. Woodblock prints of actors were also an important aspect of the culture of kabuki drama. A major feature of this anthology is the inclusion of over 200 woodblock prints that accompanied the original texts and drama.

Praised early on by Billy Lynn's Long Halftime Walk author Ben Fountain and The Weight of Blood author Laura McHugh, COOLEST AMERICAN STORIES is a new annual short story anthology whose guiding philosophy is that a collection of interesting full meal short stories could, as one @JustCoolStories Twitter follower put it, make America cool again. Toward this end, COOLEST AMERICAN STORIES 2022 features a previously unpublished story by the multi-major-book-award-winning author of Blacktop Wasteland S. A. Cosby; the timeless, previously unpublished short story that led Tina Brown to sign Frances Park's When My Sister Was Cleopatra Moon; and Pulitzer Prize finalist Lee Martin's heartfelt rendering of married life that apparently was too startling for the editors of several university-affiliated literary magazines. And since interesting storytelling—rather than a list of publishing credits—matters most to story-hungry readers, COOLEST AMERICAN STORIES 2022 also includes a page-turner about dating in Hollywood written by MFA student Megan Ritchie; Brooklyn native D.Z. Stone's very first published fiction, a hilarious love story that celebrates the power of women; a heartbreaking account of adult siblinghood authored by David Ebenbach—among others in this treasure trove of unputdownable, sharply written, sometimes comic, sometimes frightening, always suspenseful stories loaded with twists and turns. Coolest American Stories 2022 is a helluva lot of fun. These stories bump and brim with rambunctious energy and show that the American short story is alive and well. Many thanks to Mark Wish and Elizabeth Coffey for this breath—or let's call it a gale—of fresh literary air. --Ben Fountain, winner of the PEN/Hemingway Award and the National Book Critics' Circle Award, author of Billy Lynn's Long Halftime Walk Extraordinarily rich storytelling from fresh, vibrant voices—Coolest American Stories promises to be an annual force. --Laura McHugh, internationally bestselling author of The Weight of Blood and What's Done in Darkness Love short stories? This collection is for you. Not yet sure how to feel about short stories? This collection is definitely for you. Whoever you are, wherever you are: read these stories! --Lori Ostlund, Flannery O'Connor Award winner and author of After the Parade and The Bigness of the World

literature a portable anthology pdf: The Portable Walt Whitman Walt Whitman, 2003-12-30 A comprehensive collection of Whitman's most beloved works of poetry, prose, and short stories When Walt Whitman self-published *Leaves of Grass* in 1855 it was a slim volume of twelve poems and he was a journalist and poet from Long Island, little-known but full of ambition and poetic fire. To give a new voice to the new nation shaken by civil war, he spent his entire life revising and adding to the work, but his initial act of bravado in answering Ralph Waldo Emerson's call for a national poet has made Whitman the quintessential American writer. This rich cross-section of his work includes poems from throughout Whitman's lifetime as published on his deathbed edition of 1891, short stories, his prefaces to the many editions of *Leaves of Grass*, and a variety of prose selections, including *Democratic Vistas*, *Specimen Days*, and *Slang in America*. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. literature a portable anthology pdf: The Mirror of My Heart: A Thousand Years of Persian Poetry by Women Rabe'eh Balkhi, 2023-05-09 One of the very first Persian poets was a woman (Rabe'eh, who lived over a thousand years ago) and there have been women poets writing in Persian in virtually every generation since that time until the present. Before the twentieth century they tended to come from society's social extremes. Many were princesses, a good number were hired entertainers of one kind or another, and they were active in many different countries - Iran of course, but also India, Afghanistan, and areas of central Asia that are now Uzbekistan, Turkmenistan, and Tajikistan. Not surprisingly, a lot of their poetry sounds like that of their male counterparts, but a lot doesn't; there are distinctively bawdy and flirtatious poems by medieval women poets, poems from virtually every era in which the poet complains about her husband (sometimes light-heartedly, sometimes with poignant seriousness), touching poems on the death of a child, and many epigrams centered on little details that bring a life from hundreds of years ago vividly before our eyes. This new bilingual edition of The Mirror of My Heart - the poems in Persian and English on facing pages - is a unique and captivating collection introduced and translated by Dick Davis, an acclaimed scholar and translator of Persian literature as well as a gifted poet in his own right. In his introduction he provides fascinating background detail on Persian poetry written by

women through the ages, including common themes and motifs and a brief overview of Iranian history showing how women poets have been affected by the changing dynasties. From Rabe'eh in the tenth century to Fatemeh Ekhtesari in the twenty-first, each of the eighty-four poets in this volume is introduced in a short biographical note, while explanatory notes give further insight into the poems themselves.
