

little mermaid monologues

little mermaid monologues offer a captivating window into the emotional landscape of Ariel, the spirited princess of Atlantica. These poignant speeches, whether sung or spoken, reveal her deep desires, her struggles with identity, and her unwavering pursuit of a world beyond the sea. This article delves into the significance of these vocal expressions, exploring their thematic resonance, their impact on character development, and their enduring appeal to audiences of all ages. We will examine key monologues from Disney's animated classic, *The Little Mermaid*, and its subsequent adaptations, dissecting their lyrical content and their place within the narrative. Understanding these moments of vulnerability and ambition is crucial to appreciating Ariel's journey and the timeless magic of her story.

Exploring the Depth of Little Mermaid Monologues

The concept of a "little mermaid monologue" goes beyond mere dialogue; it represents a pivotal moment where a character's inner thoughts and motivations are laid bare. For Ariel, these moments are essential for her growth and the unfolding of her extraordinary adventure. They are the emotional anchors that tether her fantastical desires to a relatable human experience, even as she navigates the alien world of land and love.

These monologues serve multiple purposes within the narrative. They allow audiences to connect with Ariel on a deeply emotional level, understanding the yearning that drives her to risk everything. They also act as narrative signposts, highlighting her dissatisfaction with her current life and her burgeoning fascination with the human world. The power of a well-crafted monologue lies in its ability to distill complex emotions into a concise and impactful expression, making the character's journey all the more compelling.

Key Little Mermaid Monologues and Their Significance

The most iconic instances of Ariel's internal struggles and outward expressions are found within specific musical numbers and spoken passages. These "little mermaid monologues" are not just songs; they are declarations of intent, pleas for understanding, and profound explorations of longing. Analyzing these moments reveals the core of Ariel's character and the themes that resonate throughout her story.

"Part of Your World" - The Ultimate Little Mermaid Monologue of Longing

"Part of Your World" is arguably the most recognized and beloved "little mermaid monologue" in popular culture. This heartfelt ballad encapsulates Ariel's deep dissatisfaction with her underwater existence and her overwhelming desire to experience the human world firsthand. The lyrics paint a

vivid picture of her fascination with human artifacts and her yearning to understand their lives, their customs, and their emotions.

The song's structure allows Ariel to express a spectrum of emotions, from wistful curiosity to fervent longing. Her questions, such as "What's a fire, and why does it... what's the word? Burn?" reveal her innocent ignorance of human concepts, while her ultimate declaration, "I don't wanna see I only wanna be / Part of your world," solidifies her unwavering ambition. This monologue is a powerful testament to the universal desire for something more, for a life beyond one's current circumstances.

Ariel's Soliloquies on Land

Once Ariel achieves her dream of walking on land, her "little mermaid monologues" shift in focus. While still filled with wonder, they begin to explore the complexities of her new environment and her efforts to adapt. These moments often highlight her challenges in communicating her feelings and understanding human social cues, leading to both humorous and poignant reflections.

For instance, when Ariel is trying to express her love for Prince Eric without being able to speak, her actions and her unspoken thoughts become her monologues. Her expressions, her gestures, and her internal yearning to convey her affection are a form of silent monologue, deeply felt and profoundly communicative to the audience, if not always to Eric. These instances emphasize the theme of communication and the barriers that can exist even when intentions are pure.

The Stakes in Ursula's Deal

While not Ariel's direct monologues, the pivotal moments of negotiation with Ursula, particularly the contract signing, function as crucial vocal exchanges that reveal Ariel's desperation and the high stakes of her ambition. The weight of these "little mermaid monologues" surrounding the deal is immense, as Ariel is essentially trading her voice, her very means of expression, for a chance at her dreams.

Ursula's persuasive words, laced with manipulative promises, highlight Ariel's naivety and her willingness to sacrifice a fundamental part of herself. This interaction is a powerful exploration of desire versus consequence, and it underscores the "little mermaid monologues" that Ariel might have had with herself about the risks involved, even as she was swept up in the possibility of her fantasy.

Thematic Resonance in Little Mermaid Monologues

The "little mermaid monologues" are rich with thematic depth, exploring universal human experiences through the lens of a mythical creature. These themes contribute to the story's enduring appeal and its ability to connect with diverse audiences.

The Universal Desire for Exploration and Discovery

At its core, Ariel's story, articulated through her "little mermaid monologues," is about the innate human drive to explore the unknown and to discover what lies beyond our current horizons. Her fascination with shipwrecks and human artifacts is a tangible representation of this broader curiosity. Her longing to understand human life is a metaphor for our own quests for knowledge and experience.

The Struggle for Identity and Self-Expression

Ariel's journey is also a powerful exploration of identity. She feels like an outsider in her own world, drawn to a life she doesn't fully understand. Her "little mermaid monologues" often revolve around her desire to be recognized for who she is and to find a place where she truly belongs. The sacrifice of her voice is a poignant symbol of the challenges individuals face when trying to express their true selves in the face of societal expectations or difficult circumstances.

Love and Sacrifice

The theme of love, both romantic and familial, is central to Ariel's "little mermaid monologues." Her pursuit of Prince Eric is fueled by a deep emotional connection, but her journey also forces her to confront the love and support she receives from her father, King Triton, and her friends. The sacrifices she makes, and the sacrifices others make for her, highlight the profound nature of love and its power to drive extraordinary actions.

The Impact of Little Mermaid Monologues on Character Development

The "little mermaid monologues" are not mere exposition; they are catalysts for Ariel's transformation. Each significant vocal expression marks a step in her evolution from a curious child to a young woman making life-altering decisions.

- **Early Curiosity:** Her initial "little mermaid monologues" showcase her innocent wonder and her nascent desires, setting the stage for her rebellion.
- **Commitment to the Goal:** The "Part of Your World" monologue solidifies her resolve, making her quest a driving force of the narrative.
- **Navigating New Realities:** Her later, often silent, monologues on land demonstrate her struggle to adapt and her growing understanding of the consequences of her choices.
- **Embracing Her True Self:** By the end of her journey, her monologues, whether spoken or

implied, reflect a newfound maturity and acceptance of who she is.

The Enduring Appeal of Little Mermaid Monologues

The "little mermaid monologues" have captivated audiences for generations, transcending age and cultural barriers. Their enduring appeal lies in their universal themes, their emotional honesty, and the unforgettable character of Ariel herself.

The power of these vocal moments lies in their ability to evoke empathy. When Ariel sings of her longing, we recognize our own desires for something more, our own struggles with feeling understood, and our own brave leaps into the unknown. The "little mermaid monologues" are not just about a princess who wants to be human; they are about the fundamental human experience of dreaming, striving, and ultimately, finding one's voice, whether literally or figuratively.

Frequently Asked Questions

What makes Ariel's 'Part of Your World' monologue so iconic?

Ariel's 'Part of Your World' monologue is iconic because it perfectly captures a universal longing for something more, a yearning for a different life beyond one's current circumstances. Her innocent yet passionate delivery, combined with the breathtaking underwater visuals and soaring melody, resonates deeply with audiences of all ages.

How has the 'Little Mermaid' live-action adaptation influenced modern interpretations of Ariel's monologues?

The live-action adaptation, with Halle Bailey's performance, has brought a fresh perspective to Ariel's character. Her portrayal emphasizes a deeper emotional complexity and agency, influencing modern interpretations to focus not just on yearning, but on Ariel's strength, curiosity, and the active pursuit of her dreams, making her monologues feel more grounded and powerful.

What are some common themes explored in monologues from 'The Little Mermaid' that actors find compelling?

Common compelling themes include the desire for freedom, the conflict between duty and personal passion, the courage to pursue the unknown, the pain of sacrifice for love, and the exploration of identity. Actors are drawn to these universal human experiences that allow for rich emotional exploration.

Beyond 'Part of Your World,' are there other significant

monologues for Ariel that offer dramatic depth?

Yes, while 'Part of Your World' is the most famous, other moments offer significant depth. Her internal struggles with Ursula, her decision to trade her voice, and her moments of regret or determination after her choices are all potent opportunities for dramatic monologues, showcasing her growth and the consequences of her actions.

How can an actor effectively convey Ariel's underwater emotions in a monologue, especially without the benefit of singing?

An actor can convey Ariel's underwater emotions through nuanced physicality, facial expressions, and vocal intention. Subtle gestures, wide-eyed wonder or fear, and a controlled breath can suggest the pressure and unique sensations of being underwater. The focus shifts to pure acting, emphasizing the internal world and the raw emotion of her situation.

What advice would you give to a young actor preparing an audition monologue from 'The Little Mermaid'?

For a young actor, it's crucial to understand Ariel's core motivation: her deep-seated desire for something beyond her current reality. Focus on conveying her childlike wonder, her unwavering determination, and the genuine emotional stakes of her choices. Connect with the feeling of wanting something intensely and the courage it takes to pursue it.

How does Ursula's 'Poor Unfortunate Souls' function as a contrasting monologue to Ariel's desires?

'Poor Unfortunate Souls' serves as a powerful counterpoint. While Ariel's monologues are characterized by innocence and hopeful yearning, Ursula's is filled with cynical manipulation, power-driven ambition, and a dark amusement at others' desires. It highlights the corrupting influence of power and contrasts Ariel's pure aspirations with Ursula's selfish agenda.

Are there opportunities for monologues from other characters in 'The Little Mermaid' that offer compelling dramatic arcs?

Absolutely. King Triton's internal conflict between protecting his daughter and enforcing his laws, Sebastian's anxieties about his role and loyalty, and even Flotsam and Jetsam's manipulative whispers could all be developed into compelling monologues, offering different perspectives on the story's central conflicts and themes.

Additional Resources

Here are 9 book titles related to little mermaid monologues, with descriptions:

1. The Siren's Secret Soliloquies

This collection delves into the unspoken desires and hidden truths of mermaids, offering monologues

that explore themes of longing for the surface world, the melancholy of eternal life beneath the waves, and the quiet observations of ocean dwellers. Each piece is a window into a mermaid's soul, revealing their dreams, fears, and philosophical musings. It's a journey through the introspective lives of those who call the ocean home.

2. *Whispers from the Deep*

This anthology features a series of poignant monologues spoken by merfolk grappling with the choices they've made. Some reflect on the sacrifices of love or power, while others ponder the mysteries of human existence from their aquatic perspective. The book captures the profound emotional landscape of beings caught between two worlds.

3. *Ariel's Internal Echoes*

Fictional monologues imagined for the iconic Ariel, this book explores her inner turmoil as she navigates her desire for human life. Readers will find her wrestling with the consequences of her choices, questioning her identity, and yearning for understanding from both her family and the human world. It's a deeply personal exploration of a classic character's psyche.

4. *The Oracle of the Ocean Floor*

This book presents monologues from ancient mermaids and sea spirits who have witnessed centuries of change. Their reflections speak of forgotten kingdoms, the ebb and flow of tides, and the cyclical nature of life and loss. These are pronouncements filled with wisdom, sorrow, and a detached, timeless perspective.

5. *Daughters of the Tide: Monologues of Longing*

This collection focuses on the universal theme of longing as expressed by various mermaid characters. Their monologues reveal desires for different experiences, whether it's the warmth of sunlight, the embrace of a lover, or the freedom to explore uncharted territories. Each voice offers a unique perspective on what it means to yearn for something just beyond reach.

6. *Between Worlds: Mermaid Confessions*

These are intimate, soul-baring monologues where mermaids confess their deepest secrets, regrets, and aspirations. The pieces explore the challenges of adapting to human society, the pain of leaving loved ones behind, and the constant feeling of being an outsider. It's an unfiltered look at the emotional costs of transformation.

7. *Echoes of the Abyss: A Mermaid's Lament*

This volume is a compilation of mournful and reflective monologues from mermaids experiencing loss or heartbreak. They speak of faded love, the passing of time, and the inherent sadness that can exist even in a world of beauty. The book captures the profound melancholy that can permeate an immortal existence.

8. *The Cartographer of Dreams: Mermaid Monologues*

Each monologue in this book acts as a map of a mermaid's inner world, charting their hopes, fears, and imagined futures. The characters express their wildest dreams of adventure, their anxieties about the unknown, and their profound curiosity about the world beyond the sea. It's a vibrant exploration of imagination and desire.

9. *Scales of Sentiment: A Mermaid's Inner Voice*

This book offers a diverse range of monologues exploring the complex emotions of mermaids. From fierce declarations of independence to quiet moments of vulnerability, the characters grapple with love, duty, identity, and the pursuit of happiness. Each piece is a testament to the rich emotional

tapestry of these mythical beings.

Little Mermaid Monologues

Little Mermaid Monologues: Exploring the Psychology of Ariel

Author: Dr. Coraline Seabrook (Fictional Expert)

Outline:

Introduction: The enduring appeal of The Little Mermaid and the psychological richness of its characters.

Chapter 1: Ariel's Monologue of Desire: Analyzing Ariel's yearning for a world beyond her own, exploring themes of rebellion, identity, and the pursuit of the "other."

Chapter 2: Ursula's Monologue of Power: Deconstructing Ursula's manipulative strategies and exploring the psychology of a villain driven by resentment and a thirst for dominance.

Chapter 3: King Triton's Monologue of Grief and Control: Examining Triton's paternal anxieties, his struggle with loss, and his attempts to control Ariel's destiny.

Chapter 4: Eric's Monologue of Innocence and Discovery: Exploring Eric's naivety, his capacity for love, and his journey of self-discovery through his encounters with Ariel.

Chapter 5: Flounder and Sebastian's Monologues of Loyalty and Fear: Analyzing the contrasting perspectives of Ariel's loyal companions and their internal struggles.

Chapter 6: The Monologues Unspoken: Exploring the subtext and implied monologues within the film, revealing unspoken desires, fears, and motivations.

Conclusion: The lasting impact of The Little Mermaid and its monologues on audience understanding of complex emotions and human nature.

Little Mermaid Monologues: Exploring the Psychology of Ariel and More

The enduring popularity of Disney's The Little Mermaid stems not only from its captivating animation and memorable music, but also from the rich psychological tapestry woven into its narrative. While dialogue abounds, the unspoken desires, internal conflicts, and hidden motivations of the characters create powerful, implied "monologues" that resonate deeply with audiences. This exploration delves into these internal landscapes, examining the psychological complexities of Ariel, Ursula, Triton, Eric, and even the seemingly minor characters like Flounder and Sebastian. By analyzing their actions, words, and the subtext of the film, we can uncover profound insights into themes of identity, rebellion, power, love, and loss.

Chapter 1: Ariel's Monologue of Desire

Ariel's yearning for the human world is not simply a childish whim; it's a powerful expression of existential longing. Her collection of human artifacts reveals a fascination with a culture different from her own, representing a desire for something beyond the familiar. This represents a powerful psychological archetype: the search for self-discovery beyond the confines of one's upbringing. Her defiance of her father's strict rules highlights the adolescent struggle for autonomy and the pain of feeling misunderstood. Her monologues, though unspoken, scream of a yearning for freedom, self-expression, and a love that transcends the boundaries of her aquatic existence. Her desire isn't simply romantic; it's a profound desire for a different life, a different identity, and a different self. She actively rejects the pre-ordained path laid out for her, embracing risk and uncertainty in her pursuit of something greater. This resonates with audiences of all ages because the desire for something more, the push for individuality, is a universal human experience.

Chapter 2: Ursula's Monologue of Power

Ursula's villainy is not simply malicious; it's a complex manifestation of resentment and a thirst for power. Her monologues, both spoken and implied, reveal a deep-seated bitterness towards Triton, possibly stemming from a past injustice or a power imbalance. Her control over the sea creatures, her manipulative tactics, and her theatrical pronouncements showcase a personality driven by a need to dominate and control. Her transformation of Ariel serves as a metaphor for the seductive nature of power, highlighting the dangers of making deals with those who exploit vulnerability. Ursula's character is a fascinating study in the psychology of power and the dark side of ambition, revealing that even villains have motivations and inner conflicts that make them more than just one-dimensional antagonists. Analyzing her actions allows for an exploration of unchecked ambition, manipulation, and the devastating consequences of such behaviors.

Chapter 3: King Triton's Monologue of Grief and Control

King Triton's character demonstrates the complexities of grief and the struggle for control. His overprotective nature stems from a deep love for his daughter, tinged with the loss of his wife. His strict rules and rejection of Ariel's desires reflect his inability to cope with his own emotional turmoil, resulting in controlling and suffocating behavior. His implied monologues reveal a father wrestling with his daughter's rebellion, grappling with the fear of losing her, and struggling to process his own emotional pain. This highlights the complexities of parental relationships and the impact of loss on behavior. His attempts to control Ariel's destiny reveal the unintended consequences of well-intentioned but ultimately restrictive actions. His eventual acceptance of Ariel's choice illustrates a powerful journey of letting go and overcoming grief.

Chapter 4: Eric's Monologue of Innocence and Discovery

Eric's character initially embodies naive innocence and romantic idealism. His encounters with Ariel challenge his preconceived notions of the world and himself. His implied monologues show a gradual journey of self-discovery, fueled by his attraction to Ariel and his willingness to embrace the unexpected. His unwavering belief in Ariel's innocence in the face of skepticism demonstrates trust and courage. His internal struggle to understand Ariel's unique nature reveals a capacity for empathy and a willingness to challenge societal norms. His acceptance of the differences between himself and Ariel embodies the power of true love to transcend societal boundaries and personal prejudices.

Chapter 5: Flounder and Sebastian's Monologues of Loyalty and Fear

Flounder and Sebastian represent contrasting reactions to Ariel's rebellious nature. Flounder embodies the fear and loyalty of a devoted friend, while Sebastian, despite his concerns, maintains his loyalty to Triton, often expressing his fear of the consequences of Ariel's actions. Their differing perspectives underscore the spectrum of responses to risk and disobedience. Their unspoken anxieties and concerns reflect the challenges of maintaining loyalty in the face of uncertainty and change. Their internal dialogues reveal the complexity of friendship and duty.

Chapter 6: The Monologues Unspoken

Beyond the overt dialogue, *The Little Mermaid* thrives on unspoken emotion and implied monologues. The film's visual storytelling allows for the audience to infer the internal struggles and emotions of the characters through their facial expressions, body language, and reactions to events. Analyzing these unspoken moments allows us to appreciate the subtle nuances of the characters' psyches. For instance, Ariel's silent moments of longing as she gazes upon the human world speak volumes about her internal conflicts. The subtle changes in Triton's expression as he observes Ariel's actions reveal his internal struggle between love and fear. These unspoken moments enrich the narrative and create a more profound connection between the audience and the characters.

Conclusion

The Little Mermaid, through its characters' spoken words and implied monologues, provides a rich and nuanced exploration of human emotions and psychological complexities. The enduring appeal of the film lies not only in its magical setting and captivating music but also in its ability to touch upon universal themes of love, loss, rebellion, and the pursuit of self-discovery. By examining the internal

landscapes of its characters, we gain a deeper appreciation for the psychological depth of this classic animated tale, and the enduring power of storytelling to reveal the inner workings of the human heart.

FAQs:

1. What makes the monologues in *The Little Mermaid* so compelling? The combination of unspoken emotions and implied internal conflicts, coupled with powerful visual storytelling, creates a powerful resonance with the audience.
2. How does Ariel's monologue of desire relate to adolescent experiences? It mirrors the common teenage yearning for independence, self-expression, and a life beyond the constraints of family expectations.
3. What does Ursula's character reveal about the psychology of power? It demonstrates the corrupting influence of unchecked ambition and the dangers of manipulating others for personal gain.
4. How does King Triton's grief impact his actions towards Ariel? His grief manifests as overprotectiveness and a controlling nature, highlighting the complex relationship between loss and behavior.
5. What is the significance of Eric's journey of self-discovery? It shows the capacity for growth and understanding, especially in the face of the unfamiliar and unexpected.
6. How do Flounder and Sebastian's contrasting responses enhance the narrative? Their differing reactions underscore the complexities of loyalty, fear, and the challenges of accepting change.
7. What role do unspoken monologues play in enhancing the film's emotional impact? The audience's ability to infer the characters' internal struggles adds depth and enhances emotional engagement.
8. How does the film use visual storytelling to convey unspoken monologues? Facial expressions, body language, and the characters' reactions to events create powerful subtext.
9. What is the lasting impact of *The Little Mermaid*'s monologues on audiences? The film's ability to touch upon universal themes of love, loss, and self-discovery continues to resonate with viewers of all ages.

little mermaid monologues: *New Monologues for Women* Geoffrey Colman, 2016-06-30 New Monologues for Women features forty monologues from plays published by Bloomsbury Methuen Drama recently. The monologues are selected by the editor, Geoffrey Colman, on account of their relevance to drama school students and recent graduates entering the profession. Each monologue is preceded by an introductory paragraph, written by the editor, outlining the setting, character type, and point in the plot. Suggestions are offered for staging, character interpretation, points of significance in the text, and how to draw from decisions made in professional productions. This collection is the go-to resource for the auditioning actor with an insatiable appetite for new, original and excellent material.

little mermaid monologues: *Teen Girls' Comedic Monologues That Are Actually Funny* Alisha Gaddis, 2015-12-01 (Applause Acting Series). This cutting-edge, incredibly hysterical monologue book is specifically for teen girls who need the extra bang to land the perfect comedic role. *Teen Girls' Comedic Monologues That Are Actually Funny* features monologues by writers and comics who have written and/or performed for Comedy Central, Backstage magazine, NBC, Huffington Post , The Onion , Second City, E!, and many more. This book is the answer to the comedic monologue needs of teen girls everywhere!

little mermaid monologues: *The Ultimate Scene and Monologue Sourcebook, Updated and Expanded Edition* Ed Hooks, 2010-05-19 All actors and acting teachers need *The Ultimate Scene and Monologue Sourcebook*, the invaluable guide to finding just the right piece for every audition. The unique format of the book is ideal for acting teachers who want their students to understand each monologue in context. This remarkable book describes the characters, action, and mood for more than 1,000 scenes in over 300 plays. Using these guidelines, the actor can quickly pinpoint the perfect monologue, then find the text in the Samuel French or Dramatist Play Service edition of the play. Newly revised and expanded, the book includes the author's own assessment of each monologue.

little mermaid monologues: *The Oberon Book of Modern Monologues for Women* Dee Cannon, 2016-10-28 Monologues are an essential part of every actor's toolkit. Actors need them for drama school entry, training, showcases and when auditioning for roles in the industry. Edited by Dee Cannon, author of the bestselling *In-Depth Acting*, this book showcases selected monologues from some of the finest modern plays by some of today's leading contemporary playwrights. The monologues contain a diverse range of quirky and memorable characters that cross cultural and historical boundaries, and comes in a brand new format, with a notes page next to each speech,

acting as an actor's workbook as well as a monologue resource.

little mermaid monologues: Best Contemporary Monologues for Women 18-35 Lawrence Harbison, 2014-11-01 (Applause Acting Series). Lawrence Harbison has selected 100 terrific monologues for women from contemporary plays, all by characters between the ages of 18 and 35 perfect for auditions or class. There are comic monologues (laughs) and dramatic monologues (no laughs). Most have a compelling present-tense action for actors to perform. A few are story monologues and they're great stories. Actors will find pieces by star playwrights such as Don Nigro, Itamar Moses, Adam Bock, and Jane Martin; by exciting up-and-comers such as Nicole Pandolfo, Peter Sinn Nachtrieb, Crystal Skillman, Greg Kalleres, and Frances Ya-Chu Cowhig; and information on getting the complete text of each play. This is a must-have resource in the arsenal of every aspiring actor hoping to knock 'em dead with her contemporary piece after bowling over teachers and casting directors alike with a classical excerpt.

little mermaid monologues: The Methuen Book of Comic Monologues for Women Katy Wix, 2014-05-30 There are many monologues books on the market but very few provide rich material for comedy. This collection from up and coming comedian & actress Katy Wix plugs that gap and provides female performers with the kind of wonderfully warm and interesting characters that they need - and deserve. A comedian and writer, Wix has for the past few years been writing audition speeches for students at drama schools including RADA, LAMDA, Drama Centre and The Royal Welsh College of Music and Drama. A book of contemporary comedy monologues does not exist for today's actor or indeed a book comprising solely of showcase speeches. This is a collection of very funny and original audition speeches filling a significant gap in the market: made up of monologues for various age ranges, each with a running time of two to three minutes. The brevity in length makes these ideal for auditions or showcases and the variety in age and style encompasses different comedic approaches; from the very quirky to the more traditional - perfect for every type of performer.

little mermaid monologues: The Refrigerator Monologues Catherynne M. Valente, 2017-06-06 Meet the Hell Hath Club. They're the wives and girlfriends of superheroes, female heroes, and anyone who's ever been refrigerated: comic book women who are killed, raped, brainwashed, driven mad, disabled, or had their powers taken so that a male superhero's storyline will progress. In their linked stories, they show that superheroes are our new fairy tales-- and these six women have their own stories to share.

little mermaid monologues: The 'd' Monologues Kaite O'Reilly, Phillip Zarrilli, 2018-09-05 These performance texts were written exclusively for performers identifying as Deaf, disabled or neuro-divergent. This unique collection of fictional dramatic monologues was written specifically for D/deaf and disabled performers (the 'd' of the title), informed by lived experience. But the 'd' could just as easily refer to difference, diversity, defiance, determination, desirability and a host of other delicious 'd's.... Covering a wide variety of form, content, and theatrical styles, the monologues offer fresh perspectives on difference and disability from across the UK and beyond. From biting satire to crip' pride, observational comedy to poignant revelations of life in contemporary Britain and beyond, these texts challenge and subvert ingrained preconceptions of disability and celebrate all the possibilities of human variety. This collection is the culmination of ten years work, with fictional monologues inspired by over 100 interviews, conversations and interactions with D/deaf and disabled individuals internationally. It brings together new and previously unperformed texts alongside monologues from *In Water I'm Weightless* (National Theatre Wales Cultural Olympiad 2012), the 70 minute stand alone one-woman show *Richard III Redux*, co-written with Phillip Zarrilli, and the multilingual intercultural *And Suddenly I Disappear: The Singapore/UK 'd' Monologues*. The monologues offer a great resource for atypical performers as audition pieces and for companies and individuals as script-in-hand, full productions, solo shows or with larger casts. The variety of monologues enables flexible presentation as solo, choral or ensemble performances.

little mermaid monologues: Monologues for Teens, 2008

little mermaid monologues: The Eight Jeff Goode, 2010-12 Eight reindeer dishing about the

real Santa. All those rumors you've heard about him and the elves? About Rudolph's little secret? About Vixen's story that was leaked to the press? All true. Yes, the reindeer finally speak up and they do not hold back!

little mermaid monologues: THE 100 Kirsty Budding, 2019-12-12 THE 100 offers a hundred new and classic monologues for children and young adults ages 5-19. Written by award-winning playwright Kirsty Budding, the collection includes a helpful prologue with advice on performing monologues, followed by conveniently organised thematic sections with illustrations to indicate drama or comedy. Fantasy & Fairytales (Fairies, Mermaids, Wizards and more!); Greek and Norse Mythology (Thor, Loki, Zeus, Hercules, Hades, Medusa?); Teen Life (exam stress, romance, social media, sibling rivalry, cyber bullying?); Secret Agents and Espionage (meet James Blonde and the agent who trained John Wick!); Comedy (laugh out loud as kids play teachers, dance divas, the Queen of England and more!); Drama (loss of grandparents, moving schools, growing up?); Classic Literary Characters (Oliver Twist, Jo March, Jane Eyre?); Historical Figures (Julius Caesar, Elizabeth I, Martin Luther King Jr...); Shakespeare (Romeo, Romeo; To Be or Not to Be?) Perfect for auditions, school drama classes and performances, length and difficulty levels range to provide exciting options for children and teenagers ages 5-19. The book is ideal for families with children of different ages, as well as for use in schools with multiple year groups. With a range unheard of in a monologue collection, it's the perfect resource for a young performer to use again and again on their acting journey. Playing Thor is awesome! I just love all of it, it's super funny! - Harper Scott, age 9 I love the 'Messy Room' monologue! I think my Mum does too... - Breanna Kelly, age 15 I really enjoyed performing the School Principal monologue - great writing and a funny and relatable scenario! - Robert Wearden, age 17 I admire Kirsty Budding's dry humour and wit in the monologue Almost Twenty. It got lots of laughs when I performed it for a university assignment because everyone could relate to those challenges and frustrations of becoming an adult. - Cecilia Waugh, age 19 Kirsty Budding is a name to watch. - Stage Whispers

little mermaid monologues: *Kids' Comedic Monologues That Are Actually Funny* Alisha Gaddis, 2016-04-01 (Applause Acting Series). This book is the answer to the comedic monologue needs of kid actors and their parents everywhere. Kids' Comedic Monologues That Are Actually Funny is specifically geared for children ages 5-12. Divided into boy, girl, and gender neutral categories, every piece is guaranteed to be clean, hilariously funny, easy to memorize, and a joy for young actors to perform. It features monologues by writers and comics who have written for or performed on Ellen, Saturday Night Live, The Tonight Show, Last Comic Standing, Comedy Central Stage, and many more.

little mermaid monologues: The Thespian's Bucket List Stacy Karyn, 2019-02-11 Plays, musicals, movies, documentaries, places to visit, books to read, and other stagey surprises. A must-have bucket list for all thespians who are serious about their love for the theatre!

little mermaid monologues: Auditioning Joanna Merlin, 2001-05-08 Theater veteran and acting teacher Joanna Merlin has written the definitive guide to auditioning for stage and screen, bringing to it a valuable dual perspective. She has spent her career on both sides of the auditioning process, both as an award-winning casting director who has worked with Harold Prince, Bernard Bertolucci, and James Ivory, and as an accomplished actor herself. In this highly informative and accessible book, Merlin provides everything the actor needs to achieve self-confidence and artistic honesty—from the most basic practical tips to an in-depth framework for preparing a part. Filled with advice from the most esteemed people in the business, such as James Lapine, Nora Ephron, and Stephen Sondheim, and charged with tremendous wisdom and compassion, this indispensable resource will arm the reader to face an actor's greatest challenge: getting the part.

little mermaid monologues: *Drama Start* Julie Meighan, 2011 'Drama Start' is a collection of drama activities, including games, role playing ideas, action poems, plays and monologues, suitable for children between the ages of 3 and 8. It can be used in Early Years' settings or in primary schools, up to and including second class. This book is also suitable for people working with children in any setting where drama is used such as community groups, out of school care facilities,

therapeutic group work and so on. The book is accessible and easy to follow. It is divided into three parts - Drama Games, Plays and Monologues. Each section provides educators/teachers/leaders with a variety of creative and imaginative ideas for stimulating drama activities in many different settings.

little mermaid monologues: The Roaring Girl Thomas Middleton, Thomas Dekker, 1987 Ward was in a New York banking family, brother of Julia Ward Howe, married into the Astor family, was in the Gold Rush, involved in the social life of New York and London, and was an epicure. He was also a very powerful lobbying influence on Congress and an author. His family connections and friends were prominent in many fields.

little mermaid monologues: The Lady from the Sea Henrik Ibsen, Eleanor Marx Aveling, 1891

little mermaid monologues: Mermaids and the Production of Knowledge in Early Modern England Tara E. Pedersen, 2016-04-22 We no longer ascribe the term 'mermaid' to those we deem sexually or economically threatening; we do not ubiquitously use the mermaid's image in political propaganda or feature her within our houses of worship; perhaps most notably, we do not entertain the possibility of the mermaid's existence. This, author Tara Pedersen argues, makes it difficult for contemporary scholars to consider the mermaid as a figure who wields much social significance. During the early modern period, however, this was not the case, and Pedersen illustrates the complicated category distinctions that the mermaid inhabits and challenges in 16th-and 17th-century England. Addressing epistemological questions about embodiment and perception, this study furthers research about early modern theatrical culture by focusing on under-theorized and seldom acknowledged representations of mermaids in English locations and texts. While individuals in early modern England were under pressure to conform to seemingly monolithic ideals about the natural order, there were also significant challenges to this order. Pedersen uses the figure of the mermaid to rethink some of these challenges, for the mermaid often appears in surprising places; she is situated at the nexus of historically specific debates about gender, sexuality, religion, the marketplace, the new science, and the culture of curiosity and travel. Although these topics of inquiry are not new, Pedersen argues that the mermaid provides a new lens through which to look at these subjects and also helps scholars think about the present moment, methodologies of reading, and many category distinctions that are important to contemporary scholarly debates.

little mermaid monologues: The Gulf Audrey Cefaly, 2017 The divide between Kendra and Betty mimics the very world that devours them: a vast and polarizing abyss. On a quiet summer evening, somewhere down in the Alabama Delta, Kendra and Betty troll the flats looking for redfish. After Betty begins diagnosing Kendra's dead-end life with career picks from *What Color is Your Parachute*, their routine fishing excursion takes a violent turn. This is the full-length version of the 40th Annual Samuel French Off Off Broadway Short Play Festival winner, *The Gulf*.

little mermaid monologues: 101 Monologues for Middle School Actors Rebecca Young, 2008-09 This book was written specifically for middle school performers about topics they can relate to in a language style they understand. A wide variety of topics allows young actors to choose from either humorous or dramatic selections.

little mermaid monologues: The Vagina Monologues Eve Ensler, 2008 Drawing on conversations with hundreds of women about their genitalia, the author presents a collection of performance pieces from her one-woman show of the same name.

little mermaid monologues: Between the Lines Jodi Picoult, Samantha van Leer, 2013-06-25 Told in their separate voices, sixteen-year-old Prince Oliver, who wants to break free of his fairy-tale existence, and fifteen-year-old Delilah, a loner obsessed with Prince Oliver and the book in which he exists, work together to seek his freedom.

little mermaid monologues: The Emerald Circle Max Bush, 1998

interior.

little mermaid monologues: Teen Boys' Comedic Monologues That Are Actually Funny Alisha Gaddis, 2015 TEEN BOYS' COMEDIC MONOLOGUES THAT ARE ACTUALLY FUNNY

little mermaid monologues: The Mermaids Singing Val McDermid, 2007-04-01 This was the summer he discovered what he wanted--at a gruesome museum of criminology far off the beaten track of more timid tourists. Visions of torture inspired his fantasies like a muse. It would prove so terribly fulfilling. The bodies of four men have been discovered in the town of Bradfield. Enlisted to investigate is criminal psychologist Tony Hill. Even for a seasoned professional, the series of mutilation sex murders is unlike anything he's encountered before. But profiling the psychopath is not beyond him. Hill's own past has made him the perfect man to comprehend the killer's motives. It's also made him the perfect victim. A game has begun for the hunter and the hunted. But as Hill confronts his own hidden demons, he must also come face-to-face with an evil so profound he may not have the courage--or the power--to stop it... The Mermaids Singing is a chilling and taut psychological mystery from Val McDermid.

little mermaid monologues: Active Listening Michael Rost, J. J. Wilson, 2013-11-04 Listening is now regarded by researchers and practitioners as a highly active skill involving prediction, inference, reflection, constructive recall, and often direct interaction with speakers. In this new theoretical and practical guide, Michael Rost and JJ Wilson demonstrate how active listening can be developed through guided instruction. With so many new technologies and platforms for communication, there are more opportunities than ever before for learners to access listening input, but this abundance leads to new challenges: how to choose the right input how to best use listening and viewing input inside and outside the classroom how to create an appropriate syllabus using available resources Active Listening explores these questions in clear, accessible prose, basing its findings on a theoretical framework that condenses the most important listening research of the last two decades. Showing how to put theory into practice, the book includes fifty innovative activities, and links each one to relevant research principles. Sample audio recordings are also provided for selected activities, available online at the series website www.pearsoned.co.uk/rostwilson. As a bridge between theory and practice, Active Listening will encourage second language teachers, applied linguists, language curriculum coordinators, researchers, and materials designers to become more active practitioners themselves, by more fully utilising research in the field of second language listening.

little mermaid monologues: Kill Shakespeare Conor McCreery, Anthony Del Col, 2015 Collects the entirety of the 12-issue arc of the award winning series. This title is filled with fresh art, sketches, a brand new back-up story, and fun annotations by top Shakespeare scholars.

little mermaid monologues: Christmas Superpowers and Believing in Blitzen Tara Meddaugh, 2015-10-16 To four young children, Christmas is no simple sleigh ride. Annie's new best friend is a talking reindeer, and she's not sure if that's really okay... Sam is experiencing the pressure of being the Lead Shepherd in the church pageant. Dylan has a very secretive wish he hopes Santa can deliver. And Lauren needs to make sure someone is giving her little brother a very special Christmas. Experience the joys and challenges of Christmas through the eyes of children in this monologue-driven one-act comedy.

little mermaid monologues: Wolves and Witches Megan Engelhardt, Amanda C. Davis, 2013-02-19 Witches have stories too. So do mermaids, millers' daughters, princes (charming or otherwise), even big bad wolves. They may be a bit darker-fewer enchanted ball gowns, more iron shoes. Happily-ever-after? Depends on who you ask. In *Wolves and Witches*, sisters Amanda C. Davis and Megan Engelhardt weave sixteen stories and poems out of familiar fairy tales, letting them show their teeth.

little mermaid monologues: Little Plays with Drills Ellen M. Willard, 1910

little mermaid monologues: Black Jesus Anders Lustgarten, 2013-12-16 And do you know why I was called by that name? Because I decided who would be saved and who would be condemned. I took that responsibility for others and now I take it for myself. I am Black Jesus. I do not crawl.

Zimbabwe. 2015. The Mugabe Government has fallen and investigations into its abuses have begun. Eunice Ncube, working for the new Truth and Justice Commission, begins the interviewing of Gabriel Chibamu, one of the most infamous perpetrators of the horrors of the Mugabe regime. As Gabriel's trial and inevitable prosecution approach, Eunice begins to sift through the past – only to find that right and wrong, and guilt and innocence, are far less clear than she first thought . . . This stunning new play by Finborough Theatre Playwright-in-Residence, and one of the UK's leading political playwrights, Anders Lustgarten, is more urgent than ever. *Black Jesus* unpicks the political complexities of Zimbabwe through the devastating personal journeys of two very different people, both scarred by one of Africa's most notorious dictatorships.

little mermaid monologues: September Girls Bennett Madison, 2013-05-21 *September Girls* is a stunning coming-of-age novel about first loves, oblivious parents, sibling rivalries—and mermaids. This imaginative and painfully honest book garnered five starred reviews, including one from ALA Booklist that proclaimed it a rare and lovely novel, deserving of attention from discriminating readers. Whisked away by his father to an unusual beach town in the Outer Banks, Sam finds himself having the summer vacation most guys dream of. He's surrounded by beautiful blonde girls, and, better yet, they all seem inexplicably attracted to him. But there's definitely something strange about the Girls. They only wear flats because heels make their feet bleed. They never go swimming in the water. And they all want something from him. Sam falls for one of the Girls, DeeDee, and begins an unexpected summer romance. But as they get closer, she pulls away without explanation. Sam knows that if he is going to win her back, he'll have to learn the Girls' secret. Bennett Madison, critically acclaimed author of *The Blonde of the Joke*, brings a mix of lyrical writing, psychologically complex characters, and sardonic humor to this young adult novel. *September Girls* is perfect for fans of the irreverent wit of Ned Vizzini and the seductive magic of fairy tales retold.

little mermaid monologues: This One Thing I Do Claire Braz-Valentine, Michael Griggs, 1989

little mermaid monologues: Wendy Hoose Johnny McKnight, 2016-04-11 Laura and Jake just want sex. Late Friday night drunken sex. Nothing more. No strings attached. But getting your leg over is sometimes more difficult than you think. Wendy Hoose is about two twenty year olds searching for love in all the wrong places.

little mermaid monologues: The Surface Breaks: a reimagining of The Little Mermaid Louise O'Neill, 2018-05-03 Deep beneath the sea off the cold Irish coast, Gaia is a young mermaid who dreams of being human... but at what terrible price? Hans Christian Andersen's dark original fairy tale is reimagined through a searing feminist lens, with the stunning, scalpel-sharp writing and world building that has won Louise her legions of devoted fans.

little mermaid monologues: Skin of the Sea Natasha Bowen, 2021-11-02 INSTANT NEW YORK TIMES BESTSELLER • The must-read Black mermaid fantasy series that #1 NYT bestselling author Nicola Yoon calls “epic and original,” in which one mermaid takes on the gods themselves. Perfect for fans of *Children of Blood and Bone* and anyone who can't wait for the live-action *The Little Mermaid*. “Riveting.” —NPR “Evocative.” —Entertainment Weekly “Remarkable.” —Buzzfeed A way to survive. A way to serve. A way to save. Simi prayed to the gods, once. Now she serves them as Mami Wata—a mermaid—collecting the souls of those who die at sea and blessing their journeys back home. But when a living boy is thrown overboard, Simi goes against an ancient decree and does the unthinkable—she saves his life. And punishment awaits those who dare to defy the gods. To protect the other Mami Wata, Simi must journey to the Supreme Creator to make amends. But all is not as it seems. There's the boy she rescued, who knows more than he should. And something is shadowing Simi, something that would rather see her fail . . . Danger lurks at every turn, and as Simi draws closer, she must brave vengeful gods, treacherous lands, and legendary creatures. Because if she fails, she risks not only the fate of all Mami Wata, but also the world as she knows it.

little mermaid monologues: The Last Lion: Winston Spencer Churchill: Visions of Glory, 1874-1932 William Manchester, 1984-04-01 NEW YORK TIMES BESTSELLER • “An altogether

absorbing popular biography . . . The heroic Churchill is in these pages, but so is the little boy writing forlorn letters to the father who all but ignored him.”—People When Winston Churchill was born in Blenheim Palace in 1874, Imperial Britain stood at the splendid pinnacle of her power. Yet within a few years the Empire would hover on the brink of catastrophe. Against this backdrop, a remarkable man began to build his legacy. From master biographer William Manchester, *The Last Lion: Visions of Glory* reveals the first fifty-eight years of the life of an adventurer, aristocrat, soldier, and statesman whose courageous leadership guided the destiny of his darkly troubled times—and who is remembered as one of the greatest figures of the twentieth century. Praise for *The Last Lion: Visions of Glory* “Absolutely magnificent . . . a delight to read . . . one of those books you devour line by line and word by word and finally hate to see end.”—Russell Baker “Bedazzling.”—Newsweek “Manchester has read further, thought harder, and told with considerable verve what is mesmerizing in [Churchill’s] drama. . . . One cannot do better than this book.”—The Philadelphia Inquirer “Superb . . . [Manchester] pulls together the multitudinous facets of one of the richest lives ever to be chronicled. . . . Churchill and Manchester were clearly made for each other.”—Chicago Tribune “A vivid, thoroughly detailed biography of the Winston Churchill nobody knows.”—Boston Herald “Adds a grand dimension . . . rich in historical and social contexts.”—Time

little mermaid monologues: The Last Lion Box Set Paul Reid, William Manchester, 2012-11-20 Universally acclaimed for their compelling narrative, their fresh insights, and their objective renderings of Winston Churchill's life, *The Last Lion* trilogy presents a revelatory and unparalleled portrait of this brilliant, flawed, and dynamic adventurer, aristocrat, soldier, and statesman. Born at the end of the 19th century when Imperial Britain still stood at the splendid pinnacle of her power, Churchill would witness the shift a few years later as the Empire hovered on the brink of a catastrophic new era. One of the greatest wartime leaders of our time, he would go on to stand alone, politically isolated in Parliament, as he took the lead in warning of the growing Nazi threat, and would lead Britain to victory against Nazi Germany and the Axis powers in World War II. Now, celebrated historian William Manchester's landmark biographies are collected together for the first time, along with the eagerly anticipated final installment Churchill's last years in power. More than thirty years in the making, *The Last Lion* is the definitive work on this remarkable man whose courageous vision guided the destiny of a nation during darkly troubled times—and who looms as one of the greatest figures of our century.
