The Origins of the Frozen Masters: A Lore Deep Dive

The concept of elemental beings, particularly those associated with ice and snow, has long been a staple in fantasy and science fiction. Within the sprawling universe of Masters of the Universe, these concepts find a unique and compelling expression. The development of characters like the Snowqueens and the Icedragon often stems from the need to introduce diverse threats and allies, each with their own unique dominion and set of challenges.

These frozen entities are not merely antagonists; they represent the raw, untamed forces of nature, capable of both immense destruction and surprising acts of aid when approached with the right understanding. Their creation within the Masters of the Universe mythology often reflects the ongoing conflict between order and chaos, light and darkness, with the frozen elements serving as a powerful metaphor for these grander themes.

Exploring the genesis of these characters requires an understanding of the broader narrative arc of the Masters of the Universe. Early iterations might have introduced them as standalone villains, but as the lore expanded, their roles became more nuanced. The Snowqueens, for instance, could be envisioned as ancient, powerful beings who ruled over forgotten icy kingdoms, their dominion challenged by the ever-encroaching warmth and the ambition of Skeletor or Hordak. The Icedragon, on the other hand, might be presented as a creature of immense power, a guardian of a sacred icy artifact, or a beast that has been corrupted or controlled by darker forces. The very nature of their existence, tied to extreme cold, sets them apart and allows for distinct visual and narrative possibilities within the Masters of the Universe pantheon.

The Snowqueens: Rulers of the Frosty Peaks

The Snowqueens are a formidable presence within the Masters of the Universe, embodying the harsh beauty and unforgiving nature of their icy abodes. Often depicted as regal and powerful sorceresses, they command the very elements of ice and snow. Their kingdoms are typically found in the most desolate and frozen regions of Eternia, places where few dare to tread. These queens are not to be trifled with; their power over blizzards, ice shards, and frozen landscapes makes them dangerous adversaries for even the bravest heroes. Their motivations can vary, ranging from a desire to expand their frozen dominion to a fierce protectiveness of their ancestral lands against any perceived threat.

The visual design of the Snowqueens often emphasizes their connection to the cold. Think flowing white and blue robes, crystalline adornments, and an aura of chilling power. Their magic is intrinsically linked to temperature, allowing them to freeze opponents in their tracks, create icy barriers, or summon blizzards that can disorient and overwhelm armies. While often portrayed as antagonists, there's a possibility for complex characterization, where their actions, though seemingly hostile, might stem from a place of survival or a defense of their way of life against encroaching civilization or external manipulation. The concept of a Snowqueen, as a leader and a wielder of potent ice magic, offers a rich vein for storytelling within the Masters of the Universe.

The Icedragon: A Frosty Menace or an Ally?

The Icedragon represents a different facet of frozen power within the Masters of the Universe. Unlike the more humanoid Snowqueens, the Icedragon is typically a colossal, reptilian creature, a living embodiment of arctic might. Its breath can unleash torrents of freezing wind and ice, capable of encasing entire fortresses in frost. The presence of an

Icedragon often signifies a significant threat, a beast of immense scale and destructive potential. Its allegiance can be a crucial plot point, as it may be a wild, uncontrollable force of nature, a creature enslaved by a villain, or even a potential ally if its trust can be earned.

The narrative potential of an Icedragon is vast. It could be a guardian of an ancient, frozen temple, a key component in a magical ritual, or a powerful weapon that Skeletor seeks to control. Alternatively, if it's a more neutral or even benevolent entity, heroes might need to appease it, protect it, or even gain its aid against a greater evil. The visual spectacle of an Icedragon in action is undeniable, with its icy scales, piercing frozen eyes, and the sheer power it wields. Its role in the Master of the Universe storyline, whether as a formidable foe or an unexpected savior, hinges on the narrative context and the characterization it receives, making the "Icedragon" a potent symbol of elemental dominance.

Powers and Abilities of the Master of the Universe Snowqueens Icedragon

The combined force of the Snowqueens and the Icedragon showcases a diverse and potent array of ice-based abilities within the Masters of the Universe. At the forefront is cryokinesis, the power to manipulate ice and snow. This manifests in various ways, from the subtle freezing of water molecules to the creation of massive ice structures and blizzards. The Snowqueens, as sorceresses, often wield this power with finesse, employing intricate ice magic for offense and defense. This can include launching razor-sharp icicles, creating slippery surfaces to disorient opponents, or encasing foes in solid ice, rendering them immobile.

The Icedragon, on the other hand, typically exhibits raw, brute force alongside its elemental control. Its primary offensive capability is often a devastating breath weapon that can unleash a freezing blast capable of instantly lowering temperatures to sub-zero levels, solidifying moisture in the air into jagged ice projectiles. Beyond offensive capabilities, these frozen entities possess enhanced durability, with their bodies naturally resistant to extreme cold and often possessing a tough, icy hide that acts as natural armor. Furthermore, their connection to their icy environments can grant them an advantage, allowing them to move with unparalleled speed and agility across snowy terrain or even to summon the very elements of their domain to aid them in battle. The strategic deployment of these powers by heroes or villains alike is key to their impact within the Master of the Universe narrative.

- Cryokinesis (Ice and Snow Manipulation)
- Blizzard Generation
- Ice Shard Projectiles
- Freezing Breath (Icedragon)

- Temperature Manipulation
- Enhanced Durability and Cold Resistance
- Agility in Arctic Environments
- Creation of Ice Structures and Barriers

Iconic Appearances and Storylines

The characters associated with the master of the universe snowqueens icedragon have graced various iterations of the Masters of the Universe franchise, each time leaving their frozen mark on Eternia's history. From vintage comic books to animated series and modern toy lines, these elemental beings have been featured in numerous adventures. Their appearances often serve as pivotal moments in the overarching narrative, introducing new challenges or providing unexpected solutions to the heroes' dilemmas. Whether it's a quest to retrieve a mystical ice artifact guarded by an Icedragon or a diplomatic mission to the frozen kingdom of the Snowqueens, these storylines are rich with elemental conflict and the exploration of diverse environments.

One notable aspect of their storytelling is the way they interact with established characters. He-Man and his allies might find themselves needing to forge an uneasy alliance with a powerful Snowqueen to combat a common enemy, or they might have to outwit a cunning Icedragon controlled by Skeletor. The narrative often plays on the inherent duality of ice – its potential for beauty and life-giving sustenance in some contexts, and its capacity for deadly, unyielding destruction in others. These themes are woven into the fabric of their appearances, making them more than just simple antagonists but integral parts of the complex tapestry of the Master of the Universe lore. The visual impact of these frozen characters in their respective media also contributes significantly to their iconic status.

The Enduring Legacy of the Frozen Characters

The legacy of the master of the universe snowqueens icedragon within the Masters of the Universe franchise is one of enduring fascination. These characters represent the inherent power of nature, personified in elemental forms that captivate the imagination. Their stories often explore themes of dominion, survival, and the delicate balance of power, resonating with audiences of all ages. The unique visual appeal of icy landscapes and frost-wielding beings, coupled with their formidable abilities, ensures that they remain memorable figures in the annals of Eternian lore.

Their continued presence in new toy lines, comics, and animated projects speaks to their lasting popularity. They offer a distinct contrast to the more common themes of fire or earth-based magic, providing a refreshing and visually striking element to the universe.

The master of the universe snowqueens icedragon are not just characters; they are symbols of the vast and varied forces that shape the Masters of the Universe, leaving an indelible chill on the hearts of fans and ensuring their place in the pantheon of beloved fantasy icons.

Frequently Asked Questions

What is the core concept or origin story of the Ice Dragon from the Masters of the Universe franchise?

The Ice Dragon, often associated with King Hiss's Serpent Men or specifically with the Sorceress's ancient foe, is a powerful, elemental creature of ice and cold. Its origins often tie into the ancient history of Eternia, representing a primordial force of winter that was either sealed away or actively used as a weapon.

In which Masters of the Universe continuities has the Ice Dragon appeared, and what are its notable abilities?

The Ice Dragon has primarily appeared in the original 1980s toy line, the associated minicomics, and more recently in the 'Masters of the Universe: Revelation' Netflix series. Its abilities typically include breathing a devastating blast of freezing ice, generating blizzards, and possessing immense physical strength. It can also often animate or command ice and snow.

How does the Ice Dragon's power contrast with other prominent elemental threats in Masters of the Universe, like Grayskull's magic or Skeletor's sorcery?

While Grayskull's magic and Skeletor's sorcery are often arcane and versatile, the Ice Dragon's power is purely elemental and overwhelming. It represents a raw, natural force that can negate or freeze other forms of energy, offering a more primal and direct threat that requires specific tactics to overcome, often involving heat or powerful physical force.

What are some of the most popular or iconic portrayals of the Ice Dragon in Masters of the Universe media?

The Ice Dragon's most iconic portrayal is arguably its original action figure, which was a substantial and imposing toy. In 'Revelation,' its animated depiction was a significant plot element, showcasing its destructive potential and reinforcing its status as a formidable ancient entity. The minicomics also contributed to its early legend.

Are there any significant lore expansions or redesigns of

the Ice Dragon in recent Masters of the Universe series?

Yes, 'Masters of the Universe: Revelation' significantly expanded the Ice Dragon's lore, portraying it as an ancient, powerful creature awakened by certain events, posing a threat to Eternia itself. This series also offered a more detailed visual representation and integrated it directly into the main narrative's conflict.

What role does the Ice Dragon typically play in the overarching conflict between He-Man and Skeletor?

The Ice Dragon often serves as a powerful weapon or ally for the forces of evil, most notably associated with King Hiss or Serpent Men. It's rarely a direct player in the He-Man vs. Skeletor rivalry unless it's being controlled by one of them or is a separate, overarching threat that both heroes and villains might have to contend with.

Additional Resources

Here are 9 book titles related to a hypothetical "Master of the Universe Snowqueens Icedragon," each using italics, with a short description:

1. *The Heart of the Frostborn*

This epic fantasy introduces Elara, a young snowqueen whose lineage traces back to ancient ice dragons. When a creeping blight threatens her frozen kingdom, she must uncover the secrets of her heritage and master the dormant power within her to save her people. Her journey will test her courage and her connection to the icy creatures of legend.

2. *Whispers of the Glacier Serpent*

Generations ago, the Icedragons were driven into hiding by a forgotten war. This novel follows Kael, a seasoned warrior haunted by visions of their return. He seeks a lost artifact that is said to hold the key to either pacifying or commanding these formidable beasts, a choice that will shape the destiny of the world.

3. *Chronicles of the Icebloom Palace*

Within the shimmering walls of the Icebloom Palace, the Snowqueen council governs with an iron grip. This chronicle delves into the political intrigues and ancient rituals that maintain their power, hinting at a hidden prophecy that foretells the awakening of a great Icedragon. It explores the delicate balance between tradition and impending change.

4. *The Dragon's Chill Embrace*

A forbidden love blossoms between a human prince and a mysterious snowwoman who carries the essence of an Icedragon. Their union ignites ancient animosities and threatens to plunge the land into an eternal winter. They must navigate treacherous alliances and personal sacrifices to protect their love and prevent a catastrophic elemental war.

5. *Shattered Scales, Frozen Tears*

When the last of the Icedragons falls into a deep slumber, an ancient magic is broken, and a shadow begins to consume the northern lands. A determined young sorceress, Lyra, embarks on a perilous quest to reawaken the slumbering beast. Her path is fraught with

forgotten guardians and echoes of the dragons' glorious past.

6. *The Icedragon's Covenant*

This story focuses on a sacred pact forged between the early snowqueens and the primal Icedragons, a pact that has been all but forgotten. As an encroaching darkness seeks to break this covenant, a descendant of both races, Anya, must rediscover the lost rituals and reforge the bond. The fate of the world hinges on her ability to unite the elements.

7. *Beneath the Aurora's Glare*

In a world where the aurora borealis is a manifestation of the Icedragons' ancient power, a young hunter stumbles upon a hidden lair. He finds not a monster, but a guardian, an Icedragon with knowledge of a creeping corruption in the very fabric of the world. He is tasked with a mission to warn the snowqueens and rally their forces.

8. *The Frostfall Prophecy*

A prophecy speaks of a time when the Icedragons will return, heralded by a great frostfall, and a chosen snowqueen will wield their power. This novel follows Aislinn, who believes herself to be that prophesied leader, though her abilities are raw and untamed. She must prove herself against trials and doubt to embrace her destiny.

9. *Echoes of the Crystal Peaks*

Legends whisper of the Crystal Peaks, the ancestral home of the Icedragons, a place now shrouded in myth and perilous magic. A group of adventurers, guided by fragmented maps and ancient lore, embarks on a dangerous expedition to find this lost sanctuary. They seek not only the Icedragons themselves but also a way to counteract a growing icy blight that threatens to consume all life.

Master Of The Universe Snowqueens Icedragon

Master of the Universe: Snow Queen's Ice Dragon

Book Title: The Frozen Throne: A Master of the Universe & Snow Queen's Ice Dragon Chronicle

Outline:

Introduction: Setting the stage - the Master of the Universe and the Snow Queen's interwoven destinies. Introducing key characters and the central conflict.

Chapter 1: The Genesis of Ice and Power: Exploring the origins of the Ice Dragon and its connection to the Snow Queen's reign. Examining the source of its power and its inherent vulnerabilities.

Chapter 2: The Master's Quest: Detailing the Master of the Universe's journey, the challenges encountered, and the motivations driving their pursuit of the Ice Dragon.

Chapter 3: Clash of Titans: The epic confrontation between the Master of the Universe and the Snow Queen's Ice Dragon. Describing the battle's intensity, strategic maneuvers, and the high stakes involved.

Chapter 4: Echoes of the Frozen Throne: Exploring the aftermath of the battle, the consequences of the Master's actions, and the lasting impact on the world.

Conclusion: A reflection on themes of power, ambition, sacrifice, and the delicate balance between opposing forces.

The Frozen Throne: A Master of the Universe & Snow Queen's Ice Dragon Chronicle

Introduction: A Frozen Destiny Entwined

The Master of the Universe, a figure of immense power and ambition, finds their destiny inextricably linked to the legendary Ice Dragon, a creature of formidable strength guarding the frozen heart of the Snow Queen's realm. This epic saga explores the clash between these titans, weaving a tale of unparalleled magic, unrelenting conflict, and the ultimate test of will. The narrative unfurls against a backdrop of breathtaking landscapes, ancient prophecies, and the constant threat of a world consumed by eternal winter. Our story begins not with the Master, but with the chilling origins of the Ice Dragon itself.

Chapter 1: The Genesis of Ice and Power: Forging a Legendary Beast

The Ice Dragon wasn't born; it was forged. Born from the very essence of a dying star, its icy heart pulses with the cold fury of creation's twilight. This isn't a typical dragon; it's a sentient embodiment of glacial power, a nexus of frozen magic channeled through millennia. Its scales shimmer with an ethereal light, reflecting the frozen starscape of its birth. The Snow Queen, a sorceress of unparalleled skill, discovered the nascent dragon, sensing its potent power. She nurtured it, binding her own magic to its nascent form, transforming it into a protector of her icy kingdom and an extension of her own will. This symbiotic relationship, however, carries inherent vulnerabilities. While the Snow Queen empowers the dragon, she also becomes dependent upon its strength, making her vulnerable to any who could control or destroy the beast. The chapter will delve into the ancient rituals, the sacrifices made, and the precise techniques employed by the Snow Queen in forging this formidable weapon. We'll also explore potential weaknesses; perhaps a specific frequency of magic, a vulnerability to a particular element, or a weakness in its ethereal connection to the Snow Queen. This lays the groundwork for the Master's eventual strategy.

Chapter 2: The Master's Quest: A Journey into the Frozen Heart

The Master of the Universe, fueled by ambition or necessity (depending on the specific iteration of the story), sets their sights on the Ice Dragon. This isn't a simple conquest; it's a perilous journey fraught with danger and riddled with obstacles. This chapter details the Master's preparation, highlighting their unique abilities and resources. Perhaps they gather a formidable army, assemble

powerful artifacts, or master ancient forgotten magic. Their journey itself will be an adventure - traversing treacherous mountain passes, overcoming magical guardians, and deciphering cryptic prophecies all leading them toward the Snow Queen's frozen domain. We'll explore the Master's motivations: are they driven by a thirst for power, the need to protect their world from the eternal winter the Snow Queen threatens, or are they seeking to harness the dragon's power for a noble cause? This journey will be filled with moral ambiguities, testing the boundaries of the Master's ethics. The chapter climaxes with the Master's arrival at the heart of the Snow Queen's icy fortress, ready to face their ultimate adversary.

Chapter 3: Clash of Titans: An Epic Confrontation

The battle between the Master of the Universe and the Snow Queen's Ice Dragon is the centerpiece of the narrative. This is no ordinary fight; it's a clash of elemental forces, a ballet of destruction and creation played out on a frozen battlefield. The chapter will describe the battle's tactical intricacies: the Master's strategic moves, the Ice Dragon's formidable attacks, and the devastating power unleashed. We'll witness displays of incredible magic, breathtaking feats of strength, and moments of intense vulnerability. The environment itself becomes a weapon; blizzards rage, glaciers crumble, and the very ground trembles under the weight of their conflict. The outcome remains uncertain; victory isn't guaranteed, and the consequences of failure are catastrophic. This section will highlight the drama and suspense of the conflict, emphasizing the emotional stakes involved.

Chapter 4: Echoes of the Frozen Throne: A World Transformed

The aftermath of the battle reshapes the world. This chapter explores the consequences of the Master's actions, analyzing both the immediate and long-term impacts. Did the Master vanquish the Ice Dragon? Did they succeed in their original objective? Or were the consequences of their actions far-reaching and unexpected? The chapter will focus on the changes in the world, whether it's a shift in the balance of power, a change in the climate, or a fundamental alteration of the magical landscape. The fate of the Snow Queen will also be examined, along with the long-term effects of the battle on both her kingdom and the world at large. This section provides closure, highlighting the enduring legacy of the conflict and the lingering questions it leaves behind.

Conclusion: A Frozen Legacy

The conclusion reflects on the broader themes explored throughout the narrative: the nature of power, the corrupting influence of ambition, the price of victory, and the importance of balance. The Master's actions, whether heroic or villainous, are examined in the context of their ultimate consequences, leaving the reader to ponder the complex moral implications of their choices. This section provides a satisfying resolution while leaving room for speculation and further exploration of

this frozen universe.

FAQs

1. What makes the Ice Dragon unique compared to other mythical dragons? The Ice Dragon isn't simply a creature of ice; it's a sentient being forged from stellar remnants, possessing a unique connection to the Snow Queen and wielding powers far exceeding ordinary dragons.
2. What are the Master of the Universe's motivations? The Master's motivations can vary – ambition, necessity, a quest for justice, or even a twisted sense of heroism. Their goals shape the conflict and its ultimate outcome.
3. What are the vulnerabilities of the Ice Dragon? The Ice Dragon may have specific magical weaknesses, elemental vulnerabilities, or a dependence on its bond with the Snow Queen.
4. How does the setting impact the story? The frozen landscape plays a crucial role, serving as both a battlefield and a character in itself. The harsh climate adds an extra layer of challenge.
5. What are the central themes of the story? The story explores themes of power, ambition, sacrifice, the consequences of choices, and the delicate balance between opposing forces.
6. Is the ending conclusive? The ending provides a resolution but might leave some questions unanswered, encouraging further interpretation and potential sequels.
7. What kind of magic system is used? The magic system will be unique, possibly incorporating elements of ice magic, stellar energy, and ancient forgotten arts.
8. Are there other characters besides the Master and the Snow Queen? Yes, supporting characters will enrich the story, providing alliances, betrayals, and additional challenges for the Master.
9. What makes this story different from other fantasy epics? The unique combination of the Master of the Universe trope and the Snow Queen's Ice Dragon creates a fresh and captivating narrative.

master of the universe snowqueens icedragon: Fanpire Tanya Erzen, 2012-10-30 An author immerses herself in the frenzied fandom of Twilight, the young-adult vampire romance series that has captivated women of all ages Twilight, Stephenie Meyer's young-adult vampire romance series, has captivated women of all ages, from teenagers who swoon over the film adaptations to college-educated women who devour the novels as a guilty pleasure. All told, over 110 million copies of the books have been sold worldwide, with translations into 37 languages, and the movies are some of the highest-grossing of all time. Twilight is a bona fide cultural phenomenon that has

inspired a vast and unimaginably fertile fan subculture—the “fanpire,” as the members describe it. Just what is it about *Twilight* that has enchanted so many women? Tanya Erzen—herself no stranger to the allure of the series—sets out to explore the irresistible pull of *Twilight* by immersing herself in the vibrant and diverse world of “*Twi-hards*,” from Edward-addition groups and “*Tw-rock*” music to Cullenism, a religion based on the values of Edward’s family of vegetarian vampires. Erzen interviews hundreds of fans online and in person, attends thousand-strong conventions, and watches the film premiere of *New Moon* with *Twilight* moms in Utah. Along the way, she joins a tour bus on a pilgrimage to *Twilight*-inspired sites, struggles through a Bella self-defense class, and surveys the sub-universe of *Twilight* fan-fiction (including E. L. James’s enormously popular “*Master of the Universe*” story, the basis for her erotic novel *Fifty Shades of Grey*). Erzen also takes a deeper look at the appeal of traditional gender roles in a postfeminist era saturated with narratives of girl power. If *Twilight*’s fantasies of romance and power reflect the fears, insecurities, and longings of the women who love it, the fanpire itself, Erzen shows, offers a space for meaningful bonding, mutual understanding, and friendship. Part journalistic investigation and part cultural analysis, *Fanpire* will appeal to obsessed fans, *Twilight* haters, and bemused onlookers alike.

master of the universe snowqueens icedragon: Twenty-First-Century Popular Fiction

Bernice M. Murphy, 2017-12-04 This groundbreaking collection provides students with a timely and accessible overview of current trends within contemporary popular fiction.

master of the universe snowqueens icedragon: Britannica Book of the Year 2013

Encyclopaedia Britannica, Inc., 2013-03-01 The *Britannica Book of the Year 2013* provides a valuable viewpoint of the people and events that shaped the year and serves as a great reference source for the latest news on the ever changing populations, governments, and economies throughout the world. It is an accurate and comprehensive reference that you will reach for again and again.

master of the universe snowqueens icedragon: A Portrait of the Auteur as Fanboy

Anastasia Salter, Mel Stanfill, 2020-10-16 Increasingly over the past decade, fan credentials on the part of writers, directors, and producers have come to be seen as a guarantee of quality media making—the “fanboy auteur.” Figures like Joss Whedon are both one of “us” and one of “them.” This is a strategy of marketing and branding—it is a claim from the auteur himself or industry PR machines that the presence of an auteur who is also a fan means the product is worth consuming. Such claims that fan credentials guarantee quality are often contested, with fans and critics alike rejecting various auteur figures as the true leader of their respective franchises. That split, between assertions of fan and auteur status and acceptance (or not) of that status, is key to unravelling the fan auteur. In *A Portrait of the Auteur as Fanboy: The Construction of Authorship in Transmedia Franchises*, authors Anastasia Salter and Mel Stanfill examine this phenomenon through a series of case studies featuring fanboys. The volume discusses both popular fanboys, such as J. J. Abrams, Kevin Smith, and Joss Whedon, as well as fangirls like J. K. Rowling, E L James, and Patty Jenkins, and dissects how the fanboy-fangirl auteur dichotomy is constructed and defended by popular media and fans in online spaces, and how this discourse has played in maintaining the exclusionary status quo of geek culture. This book is particularly timely given current discourse, including such incidents as the controversy surrounding Joss Whedon’s so-called feminism, the publication of *Harry Potter and the Cursed Child*, and contestation over authorial voices in the DC cinematic universe, as well as broader conversations about toxic masculinity and sexual harassment in Hollywood.

master of the universe snowqueens icedragon: The Future of the Nineteenth-Century Dream-Child Amy Billone, 2016-06-10 This book investigates the reappearance of the 19th-century dream-child from the Golden Age of Children's Literature, both in the *Harry Potter* series and in other works that have reached unprecedented levels of popular success today. Discussing *Harry Potter* as a reincarnation of Lewis Carroll's Alice and J.M. Barrie's Peter Pan, Billone goes on to examine the recent resurrection of Alice in Tim Burton's *Alice*, and of Peter Pan in Michael Jackson and in James Bond. Visiting trends that have emerged since the *Harry Potter* series ended, the book studies revisions of the dream-child in texts and films that have inspired mass fandom in the twenty-first century: Stephenie Meyer's *Twilight*, E.L. James's *50 Shades of Grey* and Suzanne

Collins's *The Hunger Games*. The volume argues that the 21st-century desire to achieve dream-states in relationship to eternal youth results from the way that dreams provide a means of realizing the fantastic yet alarming possibility of escaping from time. This current identification with the dream-child stems from the threat of political unrest and economic and environmental collapse as well as from the simultaneous technophilia and technophobia of a culture immersed in the breathless revolution of the digital age. This book not only explores how the dream-child from the past has returned to reflect misgivings about imagined dystopian futures but also reveals how the rebirth of the dream-child opens up possibilities for new narratives where happy endings remain viable against all odds. It will appeal to scholars in a wide variety of fields including Childhood Studies, Children's/YA Literature, Cinema Studies, Cultural Studies, Cyberculture, Gender Studies, Queer Studies, Gothic Studies, New Media, and Popular Culture.

master of the universe snowqueens icedragon: *Writing Speculative Fiction* Eugen Bacon, 2019-04-24 In this engaging and accessible guide, Eugen Bacon explores writing speculative fiction as a creative practice, drawing from her own work, and the work of other writers and theorists, to interrogate its various subgenres. Through analysis of writers such as Stephen King, J.R.R. Tolkien and J. K. Rowling, this book scrutinises the characteristics of speculative fiction, considers the potential of writing cross genre and covers the challenges of targeting young adults. It connects critical and cultural theories to the practice of creative writing, examining how they might apply to the process of writing speculative fiction. Both practical and critical in its evaluative gaze, it also looks at e-publishing as a promising publishing medium for speculative fiction. This is essential reading for undergraduate and postgraduate students of creative writing, looking to develop a critical awareness of, and practical skills for, the writing of speculative fiction. It is also a valuable resource for creators, commentators and consumers of contemporary speculative fiction. Chapter 8, 'Horror and the Paranormal' was shortlisted for the Australasian Horror Writers Association (AHWA)'s 2019 Australian Shadows Awards.

master of the universe snowqueens icedragon: *Adaptations in the Franchise Era* Kyle Meikle, 2019-01-24 Adaptations in the Franchise Era re-evaluates adaptation's place in a popular culture marked by the movement of content and audiences across more media borders than ever before. While adaptation has historically been understood as the transfer of stories from one medium to another—more often than not, from novel to film—the growing interconnectedness of media and media industries in the early twenty-first century raises new questions about the form and function of adaptation as both a product and a process. Where does adaptation fit within massive franchises that span pages, stages, screens, and theme parks? Rising scholar Kyle Meikle illuminates adaptation's enduring and essential role in the rise of franchises in the 2000s and 2010s. During that decade-and-a-half, adaptations set the foundation for multiplexed, multiplied film series, piloted streaming television's forays into original programming, found their way into audiences' hands in apps and video games, and went live in theatrical experiences on Broadway and beyond. The proliferation of adaptations was matched only by a proliferation of adaptation, as fans remixed and remade their favourite franchises online and off. This volume considers how producers and consumers defined adaptations—and how adaptations defined themselves—through the endless intertextual play of the franchise era.

master of the universe snowqueens icedragon: *Grey* E L James, 2015-06-30 E L James revisits the world of *Fifty Shades* with a deeper and darker take on the love story that has enthralled millions of readers around the globe. Look for E L James' passionate new love story, *The Mister*, available now. Christian Grey exercises control in all things; his world is neat, disciplined, and utterly empty—until the day that Anastasia Steele falls into his office, in a tangle of shapely limbs and tumbling brown hair. He tries to forget her, but instead is swept up in a storm of emotion he cannot comprehend and cannot resist. Unlike any woman he has known before, shy, unworldly Ana seems to see right through him—past the business prodigy and the penthouse lifestyle to Christian's cold, wounded heart. Will being with Ana dispel the horrors of his childhood that haunt Christian every night? Or will his dark sexual desires, his compulsion to control, and the self-loathing that fills

his soul drive this girl away and destroy the fragile hope she offers him? This book is intended for mature audiences.

master of the universe snowqueens icedragon: *Examining Paratextual Theory and its Applications in Digital Culture* Desrochers, Nadine, 2014-04-30 The paratext framework is now used in a variety of fields to assess, measure, analyze, and comprehend the elements that provide thresholds, allowing scholars to better understand digital objects. Researchers from many disciplines revisit paratextual theories in order to grasp what surrounds text in the digital age. *Examining Paratextual Theory and its Applications in Digital Culture* suggests a theoretical and practical tool for building bridges between disciplines interested in conducting joint research and exploration of digital culture. Helping scholars from different fields find an interdisciplinary framework and common language to study digital objects, this book serves as a useful reference for academics, librarians, professionals, researchers, and students, offering a collaborative outlook and perspective.

master of the universe snowqueens icedragon: *Das kleine ABC des Geldes* Bernhard Praschl, 2013-04-08 Ein weiteres Buch über Geld? Eher ein Buch über Liebe, Glaube, Hoffnung, Verrat und Verbrechen. Über große Beträge und kleine Schwindeleien. Über Anekdoten und Fußnoten der Wirtschaftsgeschichte wie die Laffer-Kurve und Klassiker wie die Unsichtbare Hand. Adam Smith, Aktie, Anlage, Bergbau, Casino, Freakonomics, Money, Weltschuldenuhr ... In über 200 Stichworten informiert *Das ABC des Geldes* über alles, was man schon immer über Geld wissen wollte oder nie verstanden hat, natürlich immer mit dem nötigen Humor, damit die Lektüre auf jeden Fall bereichernd ist. Nach dem Spiel ist vor dem Spiel. Nach der Krise ist nur knapp vor der kommenden Krise. Geld - man kommt mit ihm nicht aus, doch ohne es noch weniger.

master of the universe snowqueens icedragon: *The Mister* E L James, 2019-04-16 The #1 New York Times bestseller—a thrilling and seductive Cinderella love story from E L James, author of the phenomenal bestselling *Fifty Shades Trilogy*. Clasp her plait at the base of her neck, I tug lightly, bringing her lips up to mine. Alessia, I breathe, and kiss her again, softly, slowly. She stills in my arms, then brings her hands up to clutch my biceps, closing her eyes as she accepts me. I deepen the kiss, my tongue teasing her lips, and she opens her mouth. She tastes of warmth and grace and sweet seduction. London, present day. Life has always been easy for Maxim Trevelyan, the spare to the earldom of Trevethick. With his good looks, aristocratic connections, and money, he's never had to work, and he's rarely slept alone. But all that changes when tragedy strikes and Maxim inherits his family's title, wealth, and estates, and the responsibility that entails. It's a role he's not prepared for and one he struggles to face. But his biggest challenge is fighting his desire for an unexpected, enigmatic young woman who's recently joined his staff. Reticent, beautiful, and musically gifted, she's an alluring mystery, possessing little more than a dangerous and troublesome past. As Maxim's longing for her deepens into a passion he's never experienced and dares not name, he's left to wonder just who is Alessia Demachi? And can he protect her from the malevolence that threatens her? From the heart of London through wild, rural Cornwall to the bleak, forbidding beauty of the Albanian Balkans, *The Mister* combines the sensuality of a modern Regency romance with the danger, desire, and adventure of E L James's captivating storytelling, leaving the reader breathless to the very last page.

master of the universe snowqueens icedragon: *The Twilight Saga* Claudia Bucciferro, 2013-12-12 When Stephenie Meyer's first novel, *Twilight*, was published in 2005, it had an astounding reception, selling millions of copies. The three sequels that followed—*New Moon*, *Eclipse*, and *Breaking Dawn*—became international bestsellers as well. The worldwide success of the movie adaptations further cemented the series as a cultural force on par with other popular franchises such as *Harry Potter*. But why is this? What is it about *Twilight* that makes it so appealing to people? And what does *Twilight*'s success reveal about transnational cultural trends? In *The Twilight Saga: Exploring the Global Phenomenon*, Claudia Bucciferro has assembled a collection of essays that examine the series from a variety of perspectives. The essays in this volume consider both the books and the movies, emphasizing the relationships among the texts, the audience, the

entertainment industry, and other aspects of the multimillion-dollar franchise. Organized into five sections, the chapters offer a contextualization of the series' appeal, explore different types of Twilight audiences, analyze the cultural referents associated with the main characters, and present new ideas regarding representations of gender, sex, class, and race. Concluding essays examine the saga's influence, unveiling its links to newer works such as *The Hunger Games*, *True Blood*, and *Fifty Shades of Grey*. Making sense of how the popular franchise fits within larger contexts, this collection addresses Twilight from an interdisciplinary framework, including insights from history, philosophy, literature, sociology, fan studies, intercultural communication, film studies, and more. Featuring contributions by scholars from the United States, France, Spain, Chile, and Australia, this book emphasizes the international and intercultural relevance of the Twilight phenomenon. The collection is aimed at scholars and students of media and popular culture, but it will also appeal to general readers who are familiar with the series.

master of the universe snowqueens icedragon: Jamie Dornan: Shades of Desire Alice Montgomery, 2015-01-01 The first, intimate biography of Jamie Dornan as he takes on one of the most iconic characters in fiction - Christian Grey. Jamie Dornan is about to become the hottest sex symbol on the planet after landing the leading role in the *Fifty Shades of Grey* movies. But he remains almost as enigmatic as Mr Grey himself. Jamie Dornan: *Shades of Desire* will reveal everything fans want to know about the mysterious Mr Dornan, from his tragic childhood to his career as a Calvin Klein model, dating Keira Knightley to finding love with his wife Amelia Warner. How does his part as a BDSM-loving billionaire sit alongside his real life role as a family man and father to a young daughter? And how will he cope with fame as the *Fifty Shades of Grey* films launch him into superstardom? This biography will be the first to show what Jamie Dornan is really like behind closed doors.

master of the universe snowqueens icedragon: *The Happily Ever After* Avi Steinberg, 2020-08-11 A memoir about writing a novel about searching for love. Is romance dead? Is that why there are so many vampires in today's romance novels? When Avi Steinberg's love life took a grim turn, he did what he always does: He consulted his old books, the usual cast of Great (Very Serious, Usually Male) Authors. And he immediately realized that these books were part of the problem. Instead, he began to read romances, the books he--like so many of us--have been conditioned to dismiss as trashy. What he discovered was a genre that was tremendously diverse and daring, along with a vast network of innovative writers who were keeping the novel as alive as ever. His own relationship problems, he realized, came down to a failure of his imagination. And so he set out on a quest to write and publish a romance novel and to find real-life love. A hybrid of memoir, travelogue, and critical essay, *The Happily Ever After* chronicles an adventure in a brave new world of literature. Steinberg offers a report from the trenches of romance, moving between major industry conferences and writing groups at the local bar as he works and reworks his romance novel idea. He reveals the inside scoop from a major romance publishing house, crisscrosses the country meeting mysterious ghostwriters and Fabio's great unsung rival, and offers a running take on the fascinating history of romance writing, the genre that invented, and continues to reinvent, the modern novel. Along the way he meets many readers, each of whom sheds light on why we are so fascinated by--and phobic of--romance fiction and what the vitality and fractiousness of our biggest genre says about us. With quirky wit and disarming honesty, Steinberg captures an often misunderstood literary culture and learns, from its devoted practitioners, how to take the *Happily Ever After* seriously in his own life.

master of the universe snowqueens icedragon: Liebe und Konsum Annemarie Melzer, 2019-04-30 Liebe und Konsum, zwei der prägendsten Phänomene der Moderne und Postmoderne, galten lange Zeit als unvereinbare Gegensätze. Ausgehend von sozialwissenschaftlichen Studien, die die enge Verbindung von Liebe und Konsum aufarbeiten, macht Annemarie Opp nun diesen Zusammenhang erstmals für literaturwissenschaftliche Fragestellungen fruchtbar. Wie also steht es um den Konsum im Ursprungsmedium der romantischen Liebe? Anhand detailreicher, kulturwissenschaftlich fundierter Textanalysen zeigt die Studie die spezifisch ästhetische und

poetische Verhandlung von Liebe und Konsum in den Romanen Émile Zolas, F. Scott Fitzgeralds, David Wagners, Christoph Peters' und Daniel Glattauers auf.

master of the universe snowqueens icedragon: Creepypasta : spökhistorier från internet

Jack Werner, 2020-01-24 Boken kom ut 2014. Året därpå blev den en podd. Nu är Creepypodden en av Sveriges absolut största, men boken har i årtal varit slutsåld och omöjlig att få tag i. Tills nu. Äntligen kommer den unika nätskräckantologin Creepypasta -- spökhistorier från internet ut i en omarbetad nyutgåva. Några år efter millennieskiftet började olika spökhistorier dyka upp på forum och bloggar, skärmdumpade skräckberättelser skrivna av okända och hemlighetsfulla användare, kusliga upplevelser från en generation med internet som både vardagsrum och bakgård. I Creepypasta -- spökhistorier från internet samlade och analyserade journalisten Jack Werner ett urval av de bästa och mest skrämmande berättelserna. Boken hittade en hängiven publik. I denna nyutgåva har Werner omarbetat och uppdaterat sin bok, och kompletterat den med ett kapitel om Sveriges största skräckpodd. En perfekt bok för lyssnaren, läsaren eller vem som helst som dras till tillvarons mörkare hörn.

master of the universe snowqueens icedragon: An Introduction to Popular Culture in the US

Jenn Brandt, Callie Clare, 2018-01-25 Winner of the Popular Culture Association's 2018 John G. Cawelti Award for the Best Textbook / Primer What is popular culture? Why study popular culture in an academic context? An Introduction to Popular Culture in the US: People, Politics, and Power introduces and explores the history and contemporary analysis of popular culture in the United States. In situating popular culture as lived experience through the activities, objects, and distractions of everyday life, the authors work to broaden the understanding of culture beyond a focus solely on media texts, taking an interdisciplinary approach to analyze American culture, its rituals, beliefs, and the objects that shape its existence. After building a foundation of the history of popular culture as an academic discipline, the book looks broadly at cultural myths and the institutional structures, genres, industries, and people that shape the mindset of popular culture in the United States. It then becomes more focused with an examination of identity, exploring the ways in which these myths and mindset are internalized, practiced, and shaped by individuals. The book concludes by connecting the broad understanding of popular culture and the unique individual experience with chapters dedicated to the objects, communities, and celebrations of everyday life. This approach to the field of study explores all matters of culture in a way that is accessible and relevant to individuals in and outside of the classroom.

master of the universe snowqueens icedragon: Inked Armor Helena Hunting, 2014-05-13

In this follow-up to Clipped Wings, the emotional love story continues between Hayden and Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. In the wake of losing Tenley Page, tattooist Hayden Stryker's tumultuous past is haunting him. Plagued by nightmares about the murder of his parents, Hayden reaches out again to Tenley. Having run from the man she doesn't believe she deserves, Tenley finally lays her guilt to rest. Despite their intense physical attraction, Hayden and Tenley struggle to repair their fragile emotional connection. As Hayden gets closer to the truth, he must find a way to reconcile his guilt over his parents' death in order to keep the woman who finally cracked his armor, and found her way into his heart.

master of the universe snowqueens icedragon: Stopařův průvodce po galaxii jazyků Yens

Wahlgren, 2019-01-01 Kolik řečí umíš, tolikrát jsi člověkem. Nebo také elfem, gulliverovským Liliputánem či mimozemšťanem. Yens Wahlgren, odborník na umělé jazyky, kterými se mluví ve fikčních světech, se v jedinečné knize zabývá takovými lingvistickými fenomény, jaké představují například seriály Star Trek a Hra o trůny nebo Tarzanova dobrodružství či komiksy s Tintinem. Ve více než stech jazykových portrétech nabízí strhující pouť napříč historií, od záhadného spisu svaté Hildegardy z 12. století až po newspeak Orwellovy dystopie 1984 a řeč Burgessova Mechanického pomeranče. Přístupně a zábavně napsaného průvodce fantastickou lingvistikou ocení nejen akademičtí profesionálové, ale i scifištičtí nerdi, fanoušci popkultury a ti, kdo si rádi čtou o

zajímavostech jazyka. Zaposlouchajte se do hlasů z hlubin časů a vesmíru. Aarr Wwgggh Waahh! Yens Wahlgren (1968) je švédský xenolingvista, tedy expert na umělé jazyky, a spisovatel. Pracoval jako novinář, v současnosti působí na univerzitě v Lundu, kde v roce 2004 obhájil svou práci Klingonština jako lingvistický kapitál, jež je považována za zásadní dílo oboru. Wahlgren zkoumá jazyky neexistujících zemí, mytologické jazyky a jazyky paralelních světů; předmětem jeho zájmu jsou rovněž umělé jazyky v literatuře a populární kultuře.

master of the universe snowqueens icedragon: Playing Fans Paul Booth, 2015-03-15 Fans are everywhere: from Fifty Shades of Grey to Veronica Mars, from Comic-Con to sitcom, from niche to Geek Chic, fans are becoming the most visible and important audience of the twenty-first century. For years the media industries ignored fans and fan activities, but now they're paying attention and a lot of money to develop a whole new wave of products intended to harness the power of fandom. What impact do such corporate media efforts have on fan practice and fan identities? And are the media industries actually responding to fans as fans want them to? In *Playing Fans*, Paul Booth argues that the more attention entertainment businesses pay to fans, the more mainstream fans have become popularized. But such mainstreaming ignores important creative fan work and tries to channel fandom into activities lucrative for the companies. Offering a new approach to the longstanding debate about the balance between manipulation and subversion in popular culture, the author argues that we can understand the current moment best through the concepts of pastiche and parody. This sophisticated alternative to conceiving of fans as either dupes of the media industry or rebels against it takes the discussion of "transformative" and "affirmative" fandom in a productive new direction. With nuanced analyses of the Doctor Who Experience in Cardiff, the representations of fans in TV shows like *Community* and films like *Fanboys*, SuperWhoLock fans' use of gifs, and the similarities in discussions of slash fandom and pornographic parody films, this book reveals how fans borrow media techniques and media industries mimic fan activities. Just as the entertainment industry needs fans to succeed, so too do fans need—and desire—the media, and they represent their love through gif fics, crowdfunding, and digital cosplay. Everyone who wants to understand how consumers are making themselves at home in the brave new world being built by the contemporary media should read this book.

master of the universe snowqueens icedragon: Global Perspectives on Digital Literature Torsa Ghosal, 2023-06-22 *Global Perspectives on Digital Literature: A Critical Introduction for the Twenty-First Century* explores how digital literary forms shape and are shaped by aesthetic and political exchanges happening across languages and nations. The book understands global as a mode of comparative thinking and argues for considering various forms of digital literature—the popular, the avant-garde, and the participatory—as realizing and producing global thought in the twenty-first century. Attending to issues of both political and aesthetic representation, the book includes a diverse group of contributors and a wide-ranging corpus of texts, composed in a variety of languages and regions, including East and South Asia, parts of Europe, Latin America, North America, Australia, and Western Africa. The book's contributors adopt an array of interpretive approaches to make visible new connections and possibilities engendered by cross-cultural encounters. Among other topics, they reflect on the shifting conditions for production and distribution of literature, participatory cultures and technological affordances of Web 2.0, the ever-changing dynamics of global and local forces, and fundamental questions, such as, What do we mean when we talk about literature today? and What is the future of literature?

master of the universe snowqueens icedragon: Following Anne Ganzert, Philip Hauser, Isabell Otto, 2023-09-18 "Following" greift die Konjunktur des Followingbegriffs in den Diskursen um digitale Medienkulturen und soziale Medien auf. Inwiefern wird Anhängerschaft in und vermittelt durch mediale Vorgänge verfertigt? – so die leitende Fragestellung. Ausgangsüberlegung ist, dass jede mediale Konstellation die sozialen und kulturellen Phänomene, die in und durch sie hervorgebracht und vermittelt werden, auf je unterschiedliche Weise prägt. Aus diesem Grund versammelt der Band Autor*innen mit medien-, kunst-, literatur- und kulturwissenschaftlicher sowie geschichtswissenschaftlicher Expertise, um so Follower, Anhänger*innen und Gefolgschaften

facettenreich und analysieren zu können. Das Layout des Kompendiums soll die vielschichtige, interdisziplinäre und verwobene Architektur dieser Überlegungen sichtbar und lesbar machen. Dabei werden sowohl die Beiträge, als auch ein durchlaufender Kommentar- und Kontextualisierungsstrang der Herausgeber*innen miteinander verwoben. Thematische Auswahlbibliographien sowie ein Glossar machen das Kompendium zusätzlich anschlussfähig. Das Kompendium reflektiert Medien der Gefolgschaft und Prozesse des Folgens sowohl inhaltlich wie auf einer begrifflichen Metaebene und bietet den Leser*innen so einen umfassenden Zugang zu Konfigurationen des "Following".

master of the universe snowqueens icedragon: New Directions in Popular Fiction Ken Gelder, 2016-11-21 This book brings together new contributions in Popular Fiction Studies, giving us a vivid sense of new directions in analysis and focus. It looks into the histories of popular genres such as the amatory novel, imperial romance, the western, Australian detective fiction, Whitechapel Gothic novels, the British spy thriller, Japanese mysteries, the 'new weird', fantasy, girl hero action novels and Quebecois science fiction. It also examines the production, reproduction and distribution of popular fiction as it carves out space for itself in transnational marketplaces and across different media entertainment systems; and it discusses the careers of popular authors and the various investments in popular fiction by readers and fans. This book will be indispensable for anyone with a serious interest in this prolific but highly distinctive literary field.

master of the universe snowqueens icedragon: "Illegale Fans" Claudia Summerer, 2015-08-17 Durch das Internet erfahren nachschaffende Kunstformen zunehmenden Aufschwung. Fans gelten als Motor dieser kreativen Massenkultur. Sie benutzen urheberrechtlich geschützte Werke in eigenen Kreationen als Ausdruck ihrer Bewunderung und künstlerischen Entfaltungsfreiheit. Die Urheber stürzt dieses Verhalten in ein Dilemma. Theoretisch haben sie rechtliche Mittel, um sich gegen Urheberrechtsverletzungen zu wehren. Praktisch machen sie davon jedoch nur in Extremfällen Gebrauch, um ihre Fans nicht zu verlieren. Das Phänomen der Fan Art ist damit Teil eines Problems, das in Rechtswissenschaft und Politik zunehmend diskutiert wird: Kann das geltende Urheberrecht im Zeitalter der Remixkultur die Interessen von Urhebern und kreativen Werknutzern noch zu einem gerechten Ausgleich führen? Die Arbeit geht dieser Frage nach und entwickelt anhand anschaulicher Beispiele aus der Welt der Fan Art einen Vorschlag für einen Interessenausgleich, der bereits durch das geltende Recht erzielt werden kann.

master of the universe snowqueens icedragon: The Routledge Research Companion to Popular Romance Fiction Jayashree Kamblé, Eric Murphy Selinger, Hsu-Ming Teo, 2020-08-11 Popular romance fiction constitutes the largest segment of the global book market. Bringing together an international group of scholars, The Routledge Research Companion to Popular Romance Fiction offers a ground-breaking exploration of this global genre and its remarkable readership. In recognition of the diversity of the form, the Companion provides a history of the genre, an overview of disciplinary approaches to studying romance fiction, and critical analyses of important subgenres, themes, and topics. It also highlights new and understudied avenues of inquiry for future research in this vibrant and still-emerging field. The first systematic, comprehensive resource on romance fiction, this Companion will be invaluable to students and scholars, and accessible to romance readers.

master of the universe snowqueens icedragon: Jamie Dornan Alice Montgomery, 2015-01-09 A primeira biografia a mostrar como Jamie Dornan verdadeiramente é entre quatro paredes. Jamie Dornan está prestes a se tornar um dos maiores símbolos sexuais do cinema ao dar vida ao Sr. Grey, o polêmico e irresistível personagem de Cinquenta tons de cinza. No entanto, o jovem ator se mantém quase tão enigmático quanto o personagem que interpretará. O livro de Alice Montgomery vai revelar tudo que os fãs querem saber sobre o misterioso Jamie, desde sua infância trágica até seu trabalho como modelo da Calvin Klein, passando por seu namoro com Keira Knightley e o casamento com Amelia Warner. Como o papel de um famoso bilionário sadomasoquista se relaciona com a imagem real de marido e pai de família exemplar? E como Jamie lidará com a fama após Cinquenta tons de cinza o levar ao estrelato?

master of the universe snowqueens icedragon: *Point Pleasant* Jen Wood, 2013-08-29 Ben Wisheart grew up in the idyllic town of Point Pleasant, West Virginia. An early encounter with the supernatural shaped his worldview and served as the catalyst for his career as a bestselling horror writer. Ben left Point Pleasant at the age of twenty. Thirteen years after abandoning his home, he returns to the town to investigate the apparent reemergence of the terrifying creature responsible for his childhood nightmares. In Point Pleasant, Ben is confronted not only by the town's resident monster, the Mothman, but also by his former best friend, Sheriff Nicholas Nolan. Together, Ben and Nicholas uncover the mystery of the monster in the woods and discover that the ghosts that haunt us are sometimes made of flesh and blood. And sometimes, they lead us home. Point Pleasant is an illustrated novel and features over a dozen works of original art by Svetlana Fictionalfriend.

master of the universe snowqueens icedragon: *The Bloomsbury Companion to Stylistics* Violeta Sotirova, 2015-11-19 This Bloomsbury Companion provides an overview of stylistics with a detailed outline of the scope and history of the discipline, as well as its key areas of research. The main research methods and approaches within the field are presented with a detailed overview and then illustrated with a chapter of unique new research by a leading scholar in the field. The Companion also features in-depth explorations of current research areas in stylistics in the form of new studies by established researchers in the field. The broad interdisciplinary scope of stylistics is reflected in the wide array of approaches taken to the linguistic study of texts drawing on traditions from linguistics, literary theory, literary criticism, critical theory and narratology, and in the diverse group of internationally recognised contributors.

master of the universe snowqueens icedragon: *Germania* Brendan McNally, 2009-02-10 In their youth, Manni and Franzi, together with their brothers, Ziggy and Sebastian, captured Germany's collective imagination as the Flying Magical Loerber Brothers -- one of the most popular vaudeville acts of the old Weimar days. The ensuing years have, however, found the Jewish brothers estranged and ensconced in various occupations as the war is drawing near its end and a German surrender is imminent. Manni is traveling through the Ruhr Valley with Albert Speer, who is intent on subverting Hitler's apocalyptic plan to destroy the German industrial heartland before the Allies arrive; Franzi has become inextricably attached to Heinrich Himmler's entourage as astrologer and masseur; and Ziggy and Sebastian have each been employed in pursuits that threaten to compromise irrevocably their own safety and ideologies. Now, with the Russian noose tightening around Berlin and the remnants of the Nazi government fleeing north to Flensburg, the Loerber brothers are unexpectedly reunited. As Himmler and Speer vie to become the next Führer, deluded into believing they can strike a bargain with Eisenhower and escape their criminal fates, the Loerbbers must employ all their talents -- and whatever magic they possess -- to rescue themselves and one another. Deftly written and darkly funny, *Germania* is an astounding adventure tale -- with subplots involving a hidden cache of Nazi gold, Hitler's miracle U-boats, and Speer's secret plan to live out his days hunting walrus in Greenland -- and a remarkably imaginative novel from a gifted new writing talent.

master of the universe snowqueens icedragon: *When Books Fly: Social Media Secrets for Bestselling Books* Erin Ann McBride, 2023-02-02 With millions of books screaming for readers' attention, authors must find ways to win readers through—you guessed it—social media! This book helps navigate the social media overload and makes it possible for authors at all tech-savvy levels to use Facebook, Twitter, Instagram, blog tours, and more online avenues to market and sell books. Understand social media and sell more books than you thought possible!

master of the universe snowqueens icedragon: *Fic* Anne Jamison, 2013-11-26 What is fanfiction, and what is it not? Why does fanfiction matter? And what makes it so important to the future of literature? *Fic* is a groundbreaking exploration of the history and culture of fan writing and what it means for the way we think about reading, writing, and authorship. It's a story about literature, community, and technology—about what stories are being told, who's telling them, how, and why. With provocative discussions from both professional and fan writers, on subjects from Star Trek to The X-Files and Buffy the Vampire Slayer to Harry Potter, Twilight, and beyond, *Fic* sheds light on the widely misunderstood world(s) of fanfiction—not only how fanfiction is transforming the

literary landscape, but how it already has. Fic features a foreword by Lev Grossman (author of *The Magicians*) and interviews with Jonathan Lethem, Doug Wright, Eurydice (Vivean Dean), and Katie Forsythe/wordstrings. Cyndy Aleo (algonquinrt; d0tpark3r) V. Arrow (aimmyarrowshigh) Tish Beaty (his_tweet) Brad Bell Amber Benson Peter Berg (Homfrog) Kristina Busse Rachel Caine Francesca Coppa Randi Flanagan (BellaFlan) Jolie Fontenot Wendy C. master of the universe snowqueens icedragon: Many Splendored Things Susanna Paasonen, 2018-11-27 Exploring sex—bodily capacities, appetites, orientations, and connections—in terms of play and playfulness. We all know that sex involves a quest for pleasure, that sexual palates vary across people's lifespans, and that playful experimentations play a key role in how people discover their diverse sexual turn-ons and turn-offs. Yet little attention has been paid to thinking through the interconnections of sex and play, sexuality and playfulness. In *Many Splendored Things* from Goldsmiths Press, Susanna Paasonen considers these interconnections. Paasonen examines the notions of playfulness and play as they shed light on the urgency of sexual pleasures, the engrossing appeal of sex, and the elasticity of sexual desires, and considers their connection to categories of identity. Drawing on a broad range of scholarship on sexuality, play, and the media, Paasonen moves from the conceptual to the concrete, examining advice literature on sexual play, the vernacular aesthetics of the *Fifty Shades* series, girls' experiences of online sexual role-playing, popular media coverage of age-play, and Jan Soldat's documentary films on BDSM culture. Paasonen argues that play in the realm of sexuality involves experimentation with what bodies can feel and do and what people may imagine themselves as doing, liking, and preferring. Play involves the exploration of different bodily capacities, appetites, orientations, and connections. Occasionally strained, dark, and even hurtful in the forms that it takes and the sensory intensities that it engenders, sex presses against previously perceived and imagined horizons of embodied potentiality. Play pushes sexual identifications into motion.

master of the universe snowqueens icedragon: Fan Girls and the Media Adrienne Trier-Bieniek, 2015-02-12 In the broad spectrum of popular culture, one can be a fan of just about anything: comic books, television shows, fantasy novels, movie franchises, musical artists, and so on. Because fans are fluid and ever-changing, however, defining them poses a challenge. As a result, too few scholars have yet to focus on the impact of gender in media consumption, leading to a limited portrait of what male and female fans look for. In *Fan Girls and the Media: Creating Characters, Consuming Culture*, Adrienne Trier-Bieniek has assembled a collection of essays that demonstrate the gendered aspect of fandom and explore the ways different forms of media challenge stereotypical ideals of how culture is consumed. Contributors examine a wide range of fan issues—from gendered stereotypes in the *Star Trek* and *Twilight* franchises to gender roles in Tyler Perry films and *The Real Housewives of Atlanta*. Other essays look at the female comedy fan community, the appeal of avenging-woman characters written by men, and the use of social media by women in the video-game culture. This collection describes how gender is present in fandom, demonstrating the need to combat the marginalization of female identities in various cultural outlets. *Fan Girls and the Media* will be of interest to anyone studying fandom but also students and scholars of sociology, media, and gender studies.

master of the universe snowqueens icedragon: The Training Tara Sue Me, 2013-10-01 In this enticing read from New York Times bestselling author Tara Sue Me's *Submissive Series*, the submissive and her dominant explore just how long they can make the pleasure last... It started with a hidden desire. Millionaire CEO Nathaniel West has always played by his own strict set of rules, ones he expects everyone to follow—especially the women he's dominated in his bedroom. But his newest lover is breaking down all his boundaries and rewriting his rule book. Abby King never imagined that she would capture the heart of Nathaniel West, one of New York City's most eligible bachelors—and its most desirable dominant. What began as a weekend arrangement of pleasure has

become a passionate romance with a man who knows every inch of her body and her soul—yet remains an enigmatic lover. Though he is tender and caring, his painful past remains a wall between them. Abby knows the only way to truly earn his trust is to submit to him fully and let go of all of her lingering inhibitions. Because to lead Nathaniel on a path to greater intimacy, she must first let him deeper into her world than anyone has ever gone before...

master of the universe snowqueens icedragon: *Write! Write! Write!* Amy Ludwig VanDerwater, 2020-09-01 A NCTE Notable Poetry Book Twenty-two poems capture the amazing power of writing and will inspire even the most reluctant writer to begin putting words to paper. *Write! Write! Write!* is a poetry collection that explores every stage and every aspect of the writing process, from learning the alphabet to the thrilling moment of writing a thought for the first time, from writer's block to finding inspiration, and from revision to stapling your finished work into a book. These poems also celebrate how writing teaches patience, helps express opinions, and allows us to imagine the impossible. This book, brimming with imagination and wonder, will leave readers eager to grab a pen, pencil, or keyboard--and write!

master of the universe snowqueens icedragon: *The Consummate Virgin* Jodi McAlister, 2020-08-25 This book is a study of female virginity loss and its representations in popular Anglophone literatures. It explores dominant cultural narratives around what makes a “good” female virginity loss experience by examining two key forms of popular literature: autobiographical virginity loss stories and popular romance fiction. In particular, this book focuses on how female sexual desire and romantic love have become entangled in the contemporary cultural imagination, leading to the emergence of a dominant paradigm which dictates that for women, sexual desire and love are and should be intrinsically linked together: something which has greatly affected cultural scripts for virginity loss. This book examines the ways in which this paradigm has been negotiated, upheld, subverted, and resisted in depictions of virginity loss in popular literatures, unpacking the romanticisation of the idea of “the right one” and “the right time”.

master of the universe snowqueens icedragon: *Little Universes* Heather Demetrios, 2020-04-07 Heather Demetrios's *Little Universes* is a book about the powerful bond between sisters, the kinds of love that never die, and the journey we all must make through the baffling cruelty and unexpected beauty of human life in an incomprehensible universe. One wave: that's all it takes for the rest of Mae and Hannah Winters' lives to change. When a tsunami strikes the island where their parents are vacationing, it soon becomes clear that their mom and dad are never coming home. Forced to move to Boston from sunny California for the rest of their senior year, each girl struggles with secrets their parents' death has brought to light, and with their uncertainty about the future. Instead of bringing them closer, it feels like the wave has torn the sisters apart. Hannah is a secret poet who wants to be seen, but only knows how to hide. The pain pills she stole from her dead father hurl her onto the shores of an addiction she can't shake and a dealer who turns her heart upside down. When it's clear Hannah's drowning, Mae, a budding astronaut suddenly launched into an existential crisis—and unexpected love—must choose between herself and the only family she has left.
