Rocking Horse Winner PDF: Unpacking D.H. Lawrence's Masterpiece

D.H. Lawrence's *Rocking-Horse Winner* is a chilling short story that transcends its seemingly simple narrative to explore profound themes of family dysfunction, the destructive nature of materialism, and the psychological toll of unmet emotional needs. This concise yet powerful tale continues to resonate with readers decades after its publication, prompting ongoing critical analysis and sparking interpretations across multiple disciplines. This article will delve into the story's key elements, providing a comprehensive understanding of its enduring significance.

Chapter 1: Paul's Preternatural Sensitivity - A Child's Burden

Paul, the protagonist, is a highly sensitive and perceptive child living in a household riddled with unspoken anxieties and financial instability. His preternatural ability to predict winning horses is not presented as a mere coincidence; it's a manifestation of his acute awareness of the underlying tensions within his family. He senses his mother's unspoken dissatisfaction and her desperate need for more money, a need stemming from a lack of genuine love and connection with her husband. This sensitivity is not a gift, but a burden – a psychic burden reflecting the emotional poverty of his environment. Paul's ability serves as a symptom, not a solution, to the family's problems, highlighting the devastating consequences of ignoring a child's emotional needs in favor of superficial material pursuits. His intuitive understanding of the adult world, specifically the world of gambling, further underscores his precociousness and the tragic consequences of his maturity.

Chapter 2: The Rocking Horse - A Symbol of Desperate Seeking

The rocking horse isn't just a toy; it's a potent symbol throughout the narrative. It represents Paul's desperate attempts to gain his mother's love and approval by bringing her the wealth she craves. The rhythmic motion of the horse becomes a ritualistic act, a frantic attempt to control the chaotic and unpredictable nature of his life. The horse acts as a conduit between Paul's psychic abilities and the adult world of high-stakes gambling, blurring the line between childhood innocence and adult desperation. The rocking horse, initially a source of childish joy, transforms into a tool, ultimately becoming a symbol of his obsessive pursuit of wealth and his tragic demise.

Chapter 3: Maternal Neglect - A Mother's Failure

Paul's mother is a complex character, neither wholly villainous nor entirely innocent. She embodies the societal pressures placed on women, particularly within a materialistic context. Her emotional detachment from her children is a reflection of her own internal struggles and her inability to cope with the disappointments of her marriage. She fails to provide the emotional support and nurturing that Paul desperately needs, leading him down a path of self-destruction. The story subtly critiques the societal expectations placed upon mothers, highlighting the devastating consequences of prioritizing material wealth over genuine emotional connection with one's children. Her inability to express affection openly leaves Paul feeling emotionally starved and forces him to seek validation through unconventional and ultimately dangerous means.

Chapter 4: The Corrosive Power of Materialism

Rocking-Horse Winner serves as a potent critique of the destructive nature of materialism. The story vividly portrays how the relentless pursuit of wealth can erode family bonds and ultimately lead to tragedy. The constant worry about money creates a pervasive atmosphere of anxiety and dissatisfaction, poisoning the family dynamic and leaving Paul emotionally adrift. The relentless focus on material possessions overshadows the importance of genuine human connection and emotional well-being. The story implicitly argues that the pursuit of wealth at the expense of emotional health is ultimately a hollow and destructive endeavor, leading to profound unhappiness and spiritual emptiness.

Chapter 5: Fate, Chance, and the Unpredictable Nature of Life

The element of chance plays a crucial role in the narrative. While Paul possesses an uncanny ability to predict winning horses, the story doesn't suggest complete control over destiny. The element of luck, represented by the unpredictable nature of horse racing, subtly contrasts with Paul's seemingly

unwavering certainty. This interplay highlights the limitations of human knowledge and control, even in the face of extraordinary abilities. The story underscores the unpredictable nature of life and the inherent risks associated with gambling and the pursuit of easy wealth. Paul's seemingly flawless prediction streak eventually breaks, and his premature death serves as a stark reminder of life's inherent uncertainties.

Chapter 6: A Psychological Exploration of Paul's Behavior

A psychological interpretation of Paul's behavior reveals a child grappling with significant emotional trauma and unmet needs. His extraordinary ability could be viewed as a manifestation of repressed anxieties and a desperate attempt to control a chaotic and emotionally unstable environment. His intense focus on winning races could be interpreted as a displacement activity, a way of coping with his underlying feelings of insecurity and inadequacy. The story hints at the potential for underlying trauma, suggesting that Paul's behavior might be a response to a deeply unsettling childhood experience. His psychic ability, therefore, becomes a tragic symptom of a deeper psychological malaise.

Conclusion: A Timeless Tale of Materialism and Emotional Neglect

Rocking-Horse Winner remains a powerfully resonant story due to its exploration of timeless themes. Its unflinching portrayal of family dysfunction, the destructive nature of materialism, and the devastating consequences of emotional neglect continues to resonate with readers of all backgrounds. The story's enduring appeal lies in its ability to evoke strong emotional responses and prompt reflection on the importance of genuine human connection and emotional well-being. Its concise narrative and powerful symbolism ensure its continued place in the literary canon, prompting ongoing critical analysis and offering ample scope for further interpretation and study.

rocking horse winner pdf: The Rocking-Horse Winner D. H. Lawrence, 2013-11-04 The Rocking-Horse Winner is a short story by D. H. Lawrence. The story describes a young middle-class Englishwoman who had no luck. Though outwardly successful, she is haunted by a sense of failure; her husband is a ne'er-do-well and her work as a commercial artist doesn't earn as much as she'd like. The family's lifestyle exceeds its income and unspoken anxiety about money permeates the household. Her children, a son Paul and his two sisters, sense this anxiety; moreover, the kids even claim they can hear the house whispering There must be more money. Paul tells his Uncle Oscar Cresswell about betting on horse races with Bassett, the gardener. He's been placing bets using his pocket money and has won and saved three hundred twenty pounds. Sometimes he says he is sure of a winner for an upcoming race, and the horses he names do in fact win, sometimes at remarkable odds. Uncle Oscar and Bassett both place large bets on the horses Paul names. After further winning, Paul and Oscar arrange to give the mother a gift of five thousand pounds, but the gift only lets her spend more. Disappointed, Paul tries harder than ever to be lucky. As the Derby approaches, Paul is determined to learn the winner. Concerned about his health, his mother rushes home from a party and discovers his secret. He has been spending hours riding his rocking horse, sometimes all night long, until he gets there, into a clairvoyant state where he can be sure of the winner's name. Paul remains ill through the day of the Derby. Informed by Cresswell, Bassett has placed Paul's bet on Malabar, at fourteen to one. When he is informed by Bassett that he now has 80,000 pounds, Paul says to his mother: I never told you, mother, that if I can ride my horse, and get there, then I'm absolutely sure - oh absolutely! Mother, did I ever tell you? I am lucky! No, you never did, said his mother. The boy dies in the night and his mother hears her brother say, My God, Hester, you're eighty-odd thousand to the good, and a poor devil of a son to the bad. But, poor devil, poor devil, he's best gone out of a life where he rides his rocking horse to find a winner.

Amid the constant rain of German bombs and the escalating violence of World War II, British parents by the thousands chose to send their children out of the country: the wealthy, independently; the poor, through a government relocation program called CORB. In September 1940, passenger liner SS City of Benares set sail for Canada with one hundred children on board. When the war ships escorting the Benares departed, a German submarine torpedoed what became known as the Children's Ship. Out of tragedy, ordinary people became heroes. This is their story. This title has Common Core connections.

rocking horse winner pdf: *The Diving Bell and the Butterfly* Jean-Dominique Bauby, 2008-03-06 A triumphant memoir by the former editor-in-chief of French *Elle* that reveals an indomitable spirit and celebrates the liberating power of consciousness. In 1995, Jean-Dominique Bauby was the editor-in-chief of French *Elle*, the father of two young children, a 44-year-old man known and loved for his wit, his style, and his impassioned approach to life. By the end of the year he was also the victim of a rare kind of stroke to the brainstem. After 20 days in a coma, Bauby awoke into a body which had all but stopped working: only his left eye functioned, allowing him to see and, by blinking it, to make clear that his mind was unimpaired. Almost miraculously, he was soon able to express himself in the richest detail: dictating a word at a time, blinking to select each letter as the alphabet was recited to him slowly, over and over again. In the same way, he was able eventually to compose this extraordinary book. By turns wistful, mischievous, angry, and witty, Bauby bears witness to his determination to live as fully in his mind as he had been able to do in his body. He explains the joy, and deep sadness, of seeing his children and of hearing his aged father's voice on the phone. In magical sequences, he imagines traveling to other places and times and of lying next to the woman he loves. Fed only intravenously, he imagines preparing and tasting the full flavor of delectable dishes. Again and again he returns to an inexhaustible reservoir of sensations, keeping in touch with himself and the life around him. Jean-Dominique Bauby died two days after the French publication of *The Diving Bell and the Butterfly*. This book is a lasting testament to his life.

rocking horse winner pdf: *Science And Human Behavior* B.F Skinner, 2012-12-18 The psychology classic—a detailed study of scientific theories of human nature and the possible ways in

which human behavior can be predicted and controlled—from one of the most influential behaviorists of the twentieth century and the author of *Walden Two*. “This is an important book, exceptionally well written, and logically consistent with the basic premise of the unitary nature of science. Many students of society and culture would take violent issue with most of the things that Skinner has to say, but even those who disagree most will find this a stimulating book.” —Samuel M. Strong, *The American Journal of Sociology* “This is a remarkable book—remarkable in that it presents a strong, consistent, and all but exhaustive case for a natural science of human behavior...It ought to be...valuable for those whose preferences lie with, as well as those whose preferences stand against, a behavioristic approach to human activity.” —Harry Prosch, *Ethics*

rocking horse winner pdf: *The Horse That Won't Go Away* Thomas Heinzen, Scott Lilienfeld, Susan A. Nolan, 2014-12-30 Can a horse really do arithmetic? For a time a great many people thought so, enthralled by the exploits of Clever Hans, a horse that could seemingly answer any question about mathematics, language, and music with stomps of his hoof. Even as celebrated scientists endeavored to discover Hans's secret, people were perfectly comfortable believing something no rational mind should have accepted. How is that possible? In *The Horse That Won't Go Away*, Tom Heinzen, Scott Lilienfeld, and Susan Nolan explore the confounding story of Clever Hans and how we continue to be deceived by beliefs for which there is no supporting logic or evidence. From Clever Hans, to the unsupported claims that facilitated communication could allow persons with autism to communicate, to the exaggerated fear of many parents that their child may be kidnapped (the odds of such an event are astronomical), the authors show just how important it is to rely on the scientific method as we navigate our way through everyday life.

rocking horse winner pdf: Suffering and the Sovereignty of God John Piper, Justin Taylor, 2006-09-13 In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shrimek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.

rocking horse winner pdf: A River Runs through It and Other Stories Norman MacLean, 2017-05-03 The New York Times–bestselling classic set amid the mountains and streams of early twentieth-century Montana, “as beautiful as anything in Thoreau or Hemingway” (Chicago Tribune). When Norman Maclean sent the manuscript of *A River Runs Through It and Other Stories* to New York publishers, he received a slew of rejections. One editor, so the story goes, replied, “it has trees in it.” Today, the title novella is recognized as one of the great American tales of the twentieth century, and Maclean as one of the most beloved writers of our time. The finely distilled product of a long life of often surprising rapture—for fly-fishing, for the woods, for the interlocked beauty of life and art—*A River Runs Through It* has established itself as a classic of the American West filled with beautiful prose and understated emotional insights. Based on Maclean’s own experiences as a young man, the book’s two novellas and short story are set in the small towns and mountains of western Montana. It is a world populated with drunks, loggers, card sharks, and whores, but also one rich in the pleasures of fly-fishing, logging, cribbage, and family. By turns raunchy and elegiac, these superb tales express, in Maclean’s own words, “a little of the love I have for the earth as it goes by.” “Maclean’s book—acerbic, laconic, deadpan—rings out of a rich American tradition that includes Mark Twain, Kin Hubbard, Richard Bissell, Jean Shepherd, and Nelson Algren.” —New York Times Book Review Includes a new foreword by Robert Redford, director of the Academy Award-winning film adaptation

rocking horse winner pdf: Conquest of the Useless Werner Herzog, 2010-07-27

“Hypnotic....It is ever tempting to try to fathom his restless spirit and his determination to challenge fate.” —Janet Maslin, New York Times Werner Herzog (*Grizzly Man*) is one of the most revered and enigmatic filmmakers of our time, and *Fitzcarraldo* is one of his most honored and admired films. More than just Herzog’s journal of the making of the monumental, problematical motion picture, which involved, among other things, major cast changes and reshoots, and the hauling (without the use of special effects) of a 360-ton steamship over a mountain, *Conquest of the Useless* is a work of art unto itself, an Amazonian fever dream that emerged from the delirium of the jungle. With fascinating observations about crew and players—including Herzog’s lead, the somewhat demented internationally renowned star Klaus Kinski—and breathtaking insights into the filmmaking process that are uniquely Werner Herzog, *Conquest of the Useless* is an eye-opening look into the mind of a cinematic master.

rocking horse winner pdf: *Odour of Chrysanthemums* David Lawrence, 2018-02-12 The small locomotive engine, Number 4, came clanking, stumbling down from Selston-with seven full waggons. It appeared round the corner with loud threats of speed, but the colt that it startled from among the gorse, which still flickered indistinctly in the raw afternoon, outdistanced it at a canter. A woman, walking up the railway line to Underwood, drew back into the hedge, held her basket aside, and watched the footplate of the engine advancing. The trucks thumped heavily past, one by one, with slow inevitable movement, as she stood insignificantly trapped between the jolting black waggons and the hedge; then they curved away towards the coppice where the withered oak leaves dropped noiselessly, while the birds, pulling at the scarlet hips beside the track, made off into the dusk that had already crept into the spinney. In the open, the smoke from the engine sank and cleaved to the rough grass. The fields were dreary and forsaken, and in the marshy strip that led to the whimsey, a reedy pit-pond, the fowls had already abandoned their run among the alders, to roost in the tarred fowl-house.
