seeing the supernatural jennifer eivaz pdf: Fashioned to Reign Kris Vallotton, 2013-08-15
It's Time for a Revolution In the Garden, woman was taken out of man to stand by his side and co-reign with him. But Satan's schemes have robbed women of their rightful identity, disempowering and defacing them. The world aches for God's original partnership to be brought into balance once more--and it can be. Join Kris Vallotton for an extraordinary journey of eye-opening insight, including

- God's true plan and purpose for women
- Jesus' radical teachings and care for women
- men's important role in restoring women
- the true meaning of difficult Bible passages about women
- examples of women in leadership as God intended

God fashioned women to reign alongside men. Jesus set women free to be beautiful and powerful. It's time for us, as daughters and sons of the King, to rule together in glory again. Will you join the revolution? We have failed to realize that Jesus founded the women's liberation movement more than two thousand years ago. Isn't it high time His Church led the revolution?--Kris Vallotton Off the charts. Worthy to be read and studied by all. You won't be able to put it down.--Patricia King, founder, XP Ministries Read, weigh and embrace the spirit, truth and heartbeat of this book. This biblical approach rightly addresses unright arguments of strained interpretations. Such balance and beauty make sense and offer wisdom. I say, 'Amen!'--Pastor Jack Hayford, chancellor, The King's University, Dallas/Los Angeles This profound work is a must-read for men and women alike; it has the potential to instill courage in the hearts of men and give women permission to dream again.--Bill Johnson, senior leader, Bethel Church, Redding, California; author, The Essential Guide to Healing and When Heaven Invades Earth Finally, a biblical perspective that encourages women to remain themselves and still take their God-given places of leadership.--Stacey Campbell, author, Praying the Bible; co-founding pastor, New Life Church, Kelowna, British Columbia This compelling work will elevate your awareness, challenge some presuppositions and invite you to grow in the grace of the Lord Jesus.--Dr. Mark J. Chironna, Church On The Living Edge, Mark Chironna Ministries, Orlando, Florida This must-read will empower you to regain your identity that Satan stole and live the life God created you to live.--Cynthia Brazelton, pastor, Victory Christian Ministries International I deeply enjoyed diving into the Bible with Kris as my guide to find out what God really says about men and women. It has enhanced my understanding of who I am as a woman and inspires me to instill that in the young women around me. This book is about truth and therefore would be great written by anyone. However, I realized that the fact that it was written by a man, and it is a man calling me into my divine design, brought a deeper level of healing than I'd anticipated and sent me on a journey digging deeper into God's heart. I recommend it for all! --Revival Magazine Fashioned to Reign considers the everlasting deception Christians face regarding women's role and purpose: a deception fostered by evil and which is not of God's plan. The disempowerment of women was the devil's idea - and God's true plan for women is very different. Woman was, in fact, designed to stand by man's side and reign with him, not under him - and Fashioned to Reign covers God's ultimate intention for women. Packed with scripture and information throughout, Fashioned to Reign is a powerful analysis perfect for any Christian collection. --Midwest Book Review

seeing the supernatural jennifer eivaz pdf: The Discerner James W Goll, 2017-11-16 "I want to do more than hear a word from God. I want to become that word. That is revelation's ultimate purpose—for the Word to become flesh." —James Goll What is "prophetic revelation" from God? And what is the believer's role in receiving and activating it? James Goll, author of the best seller *The Seer*, explains that although some believers are especially gifted as prophets, every follower of Jesus receives the gifts of revelation and discernment. And every believer needs to use them! In fact, without discernment and sensitivity to the Holy Spirit, we cannot progress in our use of any of the gifts and callings. With clear explanations, scriptural illustrations, and real-life contemporary stories, Goll demonstrates how we can receive revelation through the natural senses of sight, hearing, touch, smell, and taste—and how to open ourselves up to the comparable supernatural senses through which God wants to speak. He also removes uncertainty about how to discern revelation and test the spirits, so that every believer can fulfill their ultimate purpose: extending Jesus' powerful kingdom on earth. *The Discerner* is both a wonderful introduction to the prophetic lifestyle and a challenging call for those already immersed in prophetic revelation.

seeing the supernatural jennifer eivaz pdf: Understanding the Spiritual Legal Realm Frequency Revelator, 2019-11-16 Have you ever wondered why multitudes of people are entrapped in a morass of debilitating circumstances of poverty, lack, sickness, defeat and other webs of demonic entanglement? In this publication, Apostle Frequency Revelator unpacks the divine truths that many of God's people are agonized in this manner simply because of their lack of understanding of the spiritual laws governing the legal realm in which we operate. The truth is that the severity of a man's situation isn't the problem but rather, his ignorance of spiritual laws is his bane. In the natural realm, any man who doesn't understand the demands or requirements of the law or does not seek legal counsel with regard to a legal matter levied against him in the court of law can actually lose the case simply because he lacks legal knowledge. In some quarters of the society, others have gone to the extent of being detained in jail for the crimes they never committed simply because they lacked legal representation in the court of law. As it is in the natural, so it is in the spiritual realm. In

this publications, Apostle Frequency Revelator unpacks the reality that dozens of believers suffer tragedies and face calamities in their lives simply because they are completely lost at sea as to how to take advantage of spiritual laws as constituted in the Word of God. In some instances, multitudes of folks have gone to the extremes of frustration and aborting their God-given destinies simply because they are still sailing their boats through shallow streams of spiritual understanding as far as spiritual legal matters are concerned. This is to tell you that spiritual laws are vital keys that unlock the doors into the supernatural and accentuate an avenue through which divine substances can be transacted to the natural realm. In retrospect to the spiritual legal realm, there are laws and principles that God has put in place by which He governs the universe and extricably controls every fabric of creation in his hand. These are categorically physical laws which govern the natural realm and spiritual laws which govern the realm of the spirit. In the natural realm, the term, law alludes to a body of legal principles that govern the moral conduct of humanity in a particular country. Natural laws govern the natural realm and the principles by which humanity interacts with other domains of life on the earthly realm. For example, there is a law of gravity which stipulates that if you throw an object up in the air, it will evidently crash back onto the earth; then there is a law of flotation which allows ships and boats to float on water, then there is a law of aerodynamics that enables an aeroplane to fly and the law of electricity which helps us generate heat and light energy. The reality is that when we operate in obedience to these physical laws within nature, we reap positive results but when we violate them, the repercussions are severe. In a similar vein in which there are laws of gravity which governs how to operate in the natural realm, there are also spiritual laws that govern the spirit realm or how to operate in the supernatural. As much as there are physical laws, there are also spiritual laws which are the highest class of laws in the universe governing and controlling the operation of humanity in the realm of the spirit. These are spiritual legal principles that one can tap into in order to manoeuvre your way through the corridors of the spirit world, to manifest the reality of God's power in the natural realm. However, failure to master the art of operating in congruence with these spiritual laws has far reaching spiritual consequences, one of which is setting oneself up for extreme disadvantage. Hence, it is imperative that you master the art of how to unlock the destinies of people's lives and nations from the legal dimension of the Spirit. The key is in understanding the judicial system of the spirit realm as it runs parallel to that of the natural .
