Origins of Festivus in Seinfeld

The concept of Festivus originated as a fictional holiday within the Seinfeld universe, first introduced in the 1997 episode titled "The Strike," which is part of the show's ninth season. Created by writer Dan O'Keefe, who based it on a real holiday celebrated by his family, Festivus was portrayed as a humorous alternative to traditional holiday festivities. The seinfeld festivus script outlines the celebration as a way to challenge the commercial pressures of the holiday season, emphasizing simplicity and satire.

Background and Inspiration

Festivus was conceived as a reaction against the commercialization of Christmas and other end-of-year holidays. In the show, George Costanza's father, Frank Costanza, is the originator of Festivus, which is characterized by an unadorned aluminum pole, the Airing of Grievances, and the Feats of Strength. seinfeld festibus script: *Married to Laughter* Jerry Stiller, 2000-08-08 The current generation knows him as the serenity-seeking Frank Costanza from *Seinfeld*. An older generation knows him as one-half of the comedy team Stiller and Meara. But, as his memoir, *Married to Laughter*, reveals, Jerry Stiller has had a lifelong love affair with entertainment. Growing up during the Depression in Brooklyn and on Manhattan’s Lower East Side, Jerry Stiller discovered the power of comedy when, as a child, he saw Eddie Cantor transform an audience. Jerry’s father often took him to vaudeville

performances, where Jerry decided that he, too, wanted to make people laugh. He studied drama at Syracuse University, where a charismatic professor inspired Jerry to believe that he could achieve his dream and become a successful actor. After Syracuse, Jerry returned to New York to begin a life in the theater. Jerry soon met Anne Meara. Even before he fell in love with her, he knew she was a remarkable person. At first they encouraged each other in their separate performances, but eventually they began doing a comedy act in the coffeehouses of New York's Greenwich Village. They created a brilliantly successful act with two characters who were exaggerated versions of themselves. Before long, they were regulars on The Ed Sullivan Show, the most popular television program of the day. Stiller and Meara was a smash hit. But Jerry's first love has always been the theater, and he writes with fondness and charm about his nearly fifty years in show business -- from summer stock to the early days of Joe Papp's pioneering Shakespeare in the Park, from his Broadway performance in *Hurlyburly* to his roles in such films as *The Taking of Pelham One Two Three*, *The Ritz*, *Seize the Day*, and *Hairspray*. He describes the genesis of the hugely successful Blue Nun radio commercials that he and Anne recorded, the first of many award-winning advertisements they would make together. Jerry takes us inside his life offstage, describing with great candor his personal and professional neuroses, including some unusual experiences in therapy. He recounts hilarious stories about the Stiller family and tells wonderful tales about such friends and colleagues as Walter Matthau, Colleen Dewhurst, Mike Nichols, F. Murray Abraham, and Henny Youngman. But most of all, he describes life with Anne, showing us his admiration for her as a performer and describing how she gave him the insight into acting that he'd long sought. *Married to Laughter* is a great love story about two people who found their place in show business without ever losing sight of each other.

seinfeld festiVus script: *Seinfeld, Master of Its Domain* David Lavery, Sara Lewis Dunne, 2010-06-15 After a slow and inauspicious beginning, *Seinfeld* broke through to become one of the most commercially successful sitcoms in the history of television. The book also includes a comprehensive episode guide, and Betty Lee's lexicon of *Seinfeld* language.

seinfeld festiVus script: *Fish in the Dark* Larry David, 2015-04-06 From the comic genius behind *Curb Your Enthusiasm*—a play with “a perfect second-act twist, and a solid last-minute kicker” (*Vulture*). *Fish in the Dark* marked *Seinfeld* co-creator Larry David’s playwriting debut, his Broadway debut—and his first time acting on stage since eighth grade. David starred as Norman Drexel, a man in his fifties who is average in most respects, except for his hyperactive libido. As Norman, his more successful brother Arthur, their elderly mother, and a host of other characters try to navigate the death of a loved one, old acquaintances and unsettled arguments resurface—with hilarious consequences.

seinfeld festiVus script: *Legacy of Secrecy* Lamar Waldron, 2010-05 *Legacy of Secrecy* tells the full story of JFK's murder and the tragic results of the cover-ups that followed, as revealed by two dozen associates of John and Robert Kennedy, backed by thousands of files at the National Archives. seinfeld festiVus script: *Downtown Owl* Chuck Klosterman, 2008-09-16 Now a major film! *New York Times* bestselling author and “one of America’s top cultural critics” (*Entertainment Weekly*) Chuck Klosterman’s debut novel brilliantly captures the charm and dread of small-town life. Somewhere in rural North Dakota, there is a fictional town called Owl. They don’t have cable. They don’t really have pop culture, but they do have grain prices and alcoholism. People work hard and then they die. But that’s not nearly as awful as it sounds; in fact, sometimes it’s perfect. Mitch Hrelicka lives in Owl. He plays high school football and worries about his weirdness, or lack thereof. Julia Rabia just moved to Owl. A history teacher, she gets free booze and falls in love with a

self-loathing bison farmer. Widower and local conversationalist Horace Jones has resided in Owl for seventy-three years. They all know each other completely, except that they've never met. But when a deadly blizzard—based on an actual storm that occurred in 1984—hits the area, their lives are derailed in unexpected and powerful ways. An unpretentious, darkly comedic story of how it feels to exist in a community where local mythology and violent reality are pretty much the same thing, *Downtown Owl* is “a satisfying character study and strikes a perfect balance between the funny and the profound” (Publishers Weekly).

seinfeld festivus script: *Halloween* Jerry Seinfeld, 2008-11-15 So the first time you hear the concept of Halloween when you're a kid, your brain can't even understand it. What is this? What did you say? Someone's giving out candy? Who's giving out candy? EVERYONE WE KNOW is giving out candy? I gotta be a part of this! In his first picture book, comedian and bestselling author Jerry Seinfeld captures on the page his hilarious views on Halloween, from Superman costumes that look like pajamas to the agony of getting bad trick-or-treat candy. Seinfeld's tale resonates with vivid experiences of a night every kid loves. Both kids and adults will eat up Jerry's distinct and unwritten rules of Halloween. Hamilton King award-winning illustrator, James Bennett's outlandish illustrations perfectly depict these unique observations, reminding us why Jerry Seinfeld is still the funniest man alive.

seinfeld festivus script: *Hanukkah in America* Dianne Ashton, 2018-09-25 Explores the ways American Jews have reshaped Hanukkah traditions across the country In New Orleans, Hanukkah means decorating your door with a menorah made of hominy grits. Latkes in Texas are seasoned with cilantro and cayenne pepper. Children in Cincinnati sing Hanukkah songs and eat oranges and ice cream. While each tradition springs from its own unique set of cultural references, what ties them together is that they all celebrate a holiday that is different in America than it is any place else. For the past two hundred years, American Jews have been transforming the ancient holiday of Hanukkah from a simple occasion into something grand. Each year, as they retell its story and enact its customs, they bring their ever-changing perspectives and desires to its celebration. Providing an attractive alternative to the Christian dominated December, rabbis and lay people alike have addressed contemporary hopes by fashioning an authentically Jewish festival that blossomed in their American world. The ways in which Hanukkah was reshaped by American Jews reveals the changing goals and values that emerged among different contingents each December as they confronted the reality of living as a religious minority in the United States. Bringing together clergy and laity, artists and businessmen, teachers, parents, and children, Hanukkah has been a dynamic force for both stability and change in American Jewish life. The holiday's distinctive transformation from a minor festival to a major occasion that looms large in the American Jewish psyche is a marker of American Jewish life. Drawing on a varied archive of songs, plays, liturgy, sermons, and a range of illustrative material, as well as developing portraits of various communities, congregations, and rabbis, *Hanukkah in America* reveals how an almost forgotten festival became the most visible of American Jewish holidays.

seinfeld festiVus script: *Hard Hitting Songs for Hard-Hit People* Alan Lomax, Pete Seeger, 2012-09-01 Twenty-seven years in the making (1940-67), this tapestry of nearly two hundred American popular and protest songs was created by three giants of performance and musical research: Alan Lomax, indefatigable collector and preserver; Woody Guthrie, performer and prolific balladeer; and Pete Seeger, entertainer and educator who has introduced three generations of Americans to their musical heritage. In his afterword, Pete Seeger recounts the long history of collecting and publishing this anthology of Depression-era, union-hopeful, and New Deal melodies. With characteristic modesty, he tells us what's missing and what's wrong with the collection. But more important, he tells us what's right and why it still matters, noting songs that have become famous the world over: "Union Maid," "Which Side Are You On?," "Worried Man Blues," "Midnight Special," and "Tom Joad." "Now, at the turn of the century, the millennium, what's the future of these songs?" he asks. "Music is one of the things that will save us. Future songwriters can learn from the honesty, the courage, the simplicity, and the frankness of these hard-hitting songs. And not just songwriters. We can all learn." In addition to 123 photographs and 195 songs, this edition features an introductory note by Nora Guthrie, the daughter of Woody Guthrie and overseer of the Woody Guthrie Foundation.

seinfeld festibus script: *The Lesser Dead* Christopher Buehlman, 2014-10-07 WINNER OF THE AMERICAN LIBRARY ASSOCIATION'S BEST HORROR NOVEL OF THE YEAR "As much F. Scott Fitzgerald as Dean Koontz" (#1 New York Times bestselling author Patricia Briggs), Christopher Buehlman excels in twisting the familiar into newfound dread in his "genre-bending" (California Literary Review) novels. Now the acclaimed author of *Those Across the River* delivers his most disquieting tale yet... The secret is, vampires are real and I am one. The secret is, I'm stealing from you what is most truly yours and I'm not sorry... New York City in 1978 is a dirty, dangerous place to live. And die. Joey Peacock knows this as well as anybody—he has spent the last forty years as an adolescent vampire, perfecting the routine he now enjoys: womanizing in punk clubs and discotheques, feeding by night, and sleeping by day with others of his kind in the macabre labyrinth under the city's sidewalks. The subways are his playground and his highway, shuttling him throughout Manhattan to bleed the unsuspecting in the Sheep Meadow of Central Park or in the backseats of Checker cabs, or even those in their own apartments who are too hypnotized by sitcoms to notice him opening their windows. It's almost too easy. Until one night he sees them hunting on his beloved subway. The children with the merry eyes. Vampires, like him...or not like him. Whatever they are, whatever their appearance means, the undead in the tunnels of Manhattan are not as safe as they once were. And neither are the rest of us.

seinfeld festibus script: *Sick in the Head* Judd Apatow, 2015-06-16 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE A.V. CLUB • Includes new interviews! From the writer and director of *Knocked Up* and the producer of *Freaks and Geeks* comes a collection of intimate, hilarious conversations with the biggest names in comedy from the past thirty years—including Mel Brooks, Jerry Seinfeld, Jon Stewart, Sarah Silverman, Harold Ramis, Seth Rogen, Chris Rock, and Lena Dunham. Before becoming one of the most successful filmmakers in Hollywood, Judd Apatow was the original comedy nerd. At fifteen, he took a job washing dishes in a local comedy club—just so he could watch endless stand-up for free. At sixteen, he was hosting a show for his local high school radio station in Syosset, Long Island—a show that consisted of Q&As with his comedy heroes, from Garry Shandling to Jerry Seinfeld. They talked about their careers, the science of a good joke, and their dreams of future glory (turns out, Shandling was interested in having his own TV show one day and Steve Allen had already invented everything). Thirty years later, Apatow is still that same comedy nerd—and he's still interviewing funny people about why they do what they do. *Sick in the Head* gathers Apatow's most memorable and revealing conversations into one hilarious, wide-ranging, and incredibly candid collection that spans not only his career but his entire adult life. Here are the comedy legends who inspired and shaped him, from Mel Brooks to Steve Martin. Here are the contemporaries he grew up with in Hollywood, from Spike Jonze to Sarah Silverman. And here, finally, are the brightest stars in comedy today, many of whom Apatow has been fortunate to work with, from Seth Rogen to Amy Schumer. And along the way, something kind of magical happens: What started as a lifetime's worth of conversations about comedy becomes something else entirely. It becomes an exploration of creativity, ambition, neediness, generosity, spirituality, and the joy that comes from making people laugh. Loaded with the kind of back-of-the-club stories that comics tell one another when no one else is watching, this fascinating, personal (and borderline-obsessive) book is Judd Apatow's gift to comedy nerds everywhere. Praise

I don’t want this book to end.”—Jimmy Fallon “An essential for any comedy geek.”—Entertainment Weekly “Fascinating . . . a collection of interviews with many of the great figures of comedy in the latter half of the twentieth century.”—The Washington Post “Open this book anywhere, and you’re bound to find some interesting nugget from someone who has had you in stitches many, many times.”—Janet Maslin, The New York Times “An amazing read, full of insights and connections both creative and interpersonal.”—The New Yorker “Fascinating and revelatory.”—Chicago Tribune “Anyone even remotely interested in comedy or humanity should own this book.”—Will Ferrell

seinfeld festivus script: *Jewtopia* Bryan Fogel, Sam Wolfson, 2013-09-10 Finally, the ultimate book of Jewish humor is here, complete with Jewish nursery blueprints (which includes a panic room, fireproof wallpaper, and a guardian ninja, of course), the top-ten list of Jewish 'dont's', the complete timeline of Jewish expulsion, and much, much more. Before creating *Jewtopia* the play in 2003, Bryan Fogel and Sam Wolfson were unemployed actors and writers who couldn't get a break. Taking matters into their own hands, they wrote a play, maxed out their credit cards, and mounted the production themselves. *Jewtopia* went on to become the longest-running original theatrical comedy in Los Angeles history. The show moved to off-Broadway in October 2004 and, as of the publication of this book, still plays nightly to sold-out audiences, with productions opening all over the world. Now, for the first time in this book, Fogel and Wolfson are bringing their theatrical work to the comfort of your home.
