the arrival shaun tan pdf: *Leaf* Daishu Ma, 2015-08-23 How much power does a single man, let alone a single leaf, have in the industrial world? In this wordless, all-ages graphic novel, our protagonist discovers a leaf that radiates a vibrant light. He returns to a detailed metropolis — depicted in somber grays and blues — and searches for answers. During his quest, he stumbles upon a man who knows what's really happening in the city's labyrinthine ducts; a woman who spends her life studying and classifying obsolete flora; and the truth about the ever-dwindling environment. *Leaf* is a graphically stunning story that unfolds with a dream-like pace. Shaded in pencil and punctuated by spot colors, drawn in a delicate but concretely realized tonal approach reminiscent of Shaun Tan's *The Arrival* and Chris Van Allsburg's *Jumanji*, Chinese cartoonist Daishu Ma's first foray onto American shelves is ultimately a hopeful vision of the coexistence of the urban and natural worlds.

Clare Bradford focuses on texts produced since 1980 in Canada, the United States, Australia, and New Zealand and includes picture books, novels, and films by Indigenous and non-Indigenous publishers and producers. From extensive readings, the author focuses on key works to produce a thorough

the arrival shaun tan pdf: *Zenobia* Morten Dürr, 2019-01-15 A deeply moving and award-winning graphic novel about a young Syrian refugee. Zenobia was once a great warrior queen of Syria whose reign reached from Egypt to Turkey. She was courageous. No one gave her orders. Once she even went to war against the emperor of Rome. When things feel overwhelming for Amina, her mother reminds her to think of Zenobia and be strong. Amina is a Syrian girl caught up in a war that reaches her village. To escape the war she boards a small boat crammed with other refugees. The boat is rickety and the turbulent seas send Amina overboard. In the dark water Amina remembers playing hide and seek with her mother and making dolmas (stuffed grape leaves) and the journey she had to undertake with her uncle to escape. And she thinks of the brave warrior Zenobia. Zenobia is a heartbreaking and all-too-real story of one child's experience of war. Told with great sensitivity in few words and almost exclusively with pictures, *Zenobia* is a story for children and adults.

the arrival shaun tan pdf: *Translating Pain* Madelaine Hron, 2010-10-23 In the post-Cold War, post-9/11 era, the immigrant experience has changed dramatically. Despite the recent successes of immigrant and world literatures, there has been little scholarship on how the hardships of immigration are conveyed in immigrant narratives. *Translating Pain* fills this gap by examining literature from Muslim North Africa, the Caribbean, and Eastern Europe to reveal the representation of immigrant suffering in fiction. Applying immigrant psychology to literary analysis, Madelaine Hron examines the ways in which different forms of physical and psychological pain are expressed in a wide variety of texts. She juxtaposes post-colonial and post-communist concerns about immigration, and contrasts Muslim world views with those of Caribbean creolité and post-Cold War ethics. Demonstrating how pain is translated into literature, she explores the ways in which it also shapes narrative, culture, history, and politics. A compelling and accessible study, *Translating Pain* is a groundbreaking work of literary and postcolonial studies.
