the fasting prayer franklin hall pdf: Glorified Fasting Franklin Hall, 2016-04-14 Fasting, like prayer, is an integral part of the Word of God. To dispute this would be as foolish as denying that water is wet. In "Glorified Fasting," Franklin Hall passionately explores the significance of fasting for Christians. He invites us to "STAND FAST" on this irrevocable tradition, which we have been taught in the Word. By doing so, we honor Jesus and allow His glory to shine forth. This volume seeks to popularize one of the most downtrodden Biblical subjects—the practice of fasting. Hall's mission is to reestablish fasting's rightful place in the Gospel, revealing its glorious aspects. As we delve into this tremendous portion of the Word, we discover an avenue to immense power and glory with Jesus. Fasting, praying, crying, and mourning for souls become our tools, wielded without selfish motives. By uniting as pillars of faith, we prepare for the last-day signs that approach us—tragedy, destruction, persecution—armed with an effective weapon for the glory of Jesus. However, Hall is clear: Fasting is not a cure-all for spiritual, moral, or bodily complaints. Instead, he emphasizes its importance to prevent God's people from drifting away from the old-time faith and succumbing to modernism.

the fasting prayer franklin hall pdf: Formula for Raising the Dead and the Baptism of Fire Franklin Hall, 2023-08-07 2023 Reprint of the 1960 edition. Full facsimile of the original edition and not reproduced with Optical Recognition Software. Little is known of Franklin Hall's background. His birth and death are unknown. Along with many others of the depression era Hall grew up in rural poverty and was deeply religious. Initially he was with the Methodist church but their stance against healing forced him elsewhere. During the depression and World War II he travelled as an independent evangelist. When the revival erupted after World War II, Hall was there. He contributed to the revival a distinctive doctrine which, while it did not enrich him, had a phenomenal impact. Franklin Hall himself never attracted a large following. He considered himself a teacher rather than a healing evangelist. He worked in combination with a series of preachers, including Little David Walker, the most famous early child evangelist. Isolated by a somewhat deviant doctrine and less talented as a preacher than many of his competitors, Franklin Hall hung on through the fifties with the same tenacity that had helped him survive during the depression. In small churches and auditoriums across the nation he continued to teach with fervor his message of prayer and fasting and healing. When hard times came to the revival in the late 1950s, it was nothing new to Franklin

Hall. He had an instinct for survival. Scores like him roamed the countryside. Unlike some faith healers, Hall emphasized teaching. His extremist views in the area of fasting and healing were considered unacceptable to many evangelists. He attributes the demise of the revival of the 1950s to the lack of fasting and to spiritual coasting by the leaders. Extreme in the area of healing, he held to a body-felt salvation. Accordingly, the fire of the Holy Spirit, if fully applied to a person (which would take about thirty days), would eliminate the potential for sickness, tiredness, and even body odor. These extremes and the discipline they entailed severely limited his following. Hall wrote several books, including *Glorified Fasting* (1961), *The Fasting Prayer* (1947), *The Body-Felt Salvation* (1968), *Formula for Raising the Dead* (1960), and *Our Divine Healing Obligation...* Quoted from https://www.revival-library.org/revival_heroes/20th_century/hall_franklin.shtml

the fasting prayer franklin hall pdf: *Faith On The March* A.H. Macmillan, 2011

the fasting prayer franklin hall pdf: *Holy Women, Holy Men* Church Publishing,, 2010 Fully revised and expanded, this new work is the first major revision of the liturgical calendar of the Episcopal Church in more than 40 years! It is the official revision of *Lesser Feasts and Fasts* and authorized by the 2009 General Convention. All commemorations in *Lesser Feasts and Fasts* have been retained, and many new ones added. Three scripture readings (instead of current two) are provided for all minor holy days. Additional new material includes a votive mass of the Blessed Virgin Mary, many more ecumenical commemorations, plus a proper for space exploration. For years the oft revised volume, *Lesser Feasts and Fasts* (LFF), has served parishes and individuals mark part of the holiness of each day by providing Scripture readings, a collect, a Eucharistic preface, and a

narrative about those remembered on the church's calendar that day whose lives have witnessed to the grace of God. Holy Women, Holy Men (HWHM) is a major effort to revise, but also to expand and enrich LFF. Where LFF provided two readings (gospel and other New Testament) plus a psalm, HWHM adds an Old Testament citation. Where LFF was limited to few non-Anglicans in the post-reformation period (and few non-Episcopalians after 1789), HWHM dramatically broadens appreciation for other Christians and their traditions. Over-emphasis on clergy is redressed by additional laity, males by females, and in-church activities by contributions well beyond the workings of institutional agendas. These almost daily commemorations occupy over 600 of the book's 785 pages, by far the lion's share of its content. Remaining sections address: principles of revision and guides for future revision; liturgical propers for seasons (Advent/Christmas, Lent, and Easter); and new propers for a miscellany of propers usable with individuals (or events) not officially listed in the formal calendar. Two cycles of propers for daily Eucharist are also included, one covering a six week period, the other a two year cycle.

the fasting prayer franklin hall pdf: A Hunger for God John Piper, 2013-04-23 There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: This much, O God, I want you. Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great. If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

the fasting prayer franklin hall pdf: *Atomic Power with God, Thru Fasting and Prayer* Franklin Hall, 2020-05-29 Atomic Power With God Thru Fasting and Prayer is a short work by the spirited evangelist Franklin Hall. The book describes how prayer during extended fasts can heal the body and soul, and bring practitioners greater spiritual power to exalt and glorify Jesus Christ. Franklin Hall was born in Coffeyville, Kansas, in 1909. Hall's father died when Franklin was only twelve, leaving him distraught with both his loss and the responsibility of supporting his mother and five younger siblings. During these hard times, he looked to the local Pentecostal church for guidance. The church became a major influence on the lives of the young Hall children and their widowed mother, who remarried the reverend soon after. Hall began his own traveling ministry during the Great Depression. But he didn't become well known among evangelicals until the release of his first book, *Atomic Power With God Thru Fasting and Prayer*, in 1946. In the book, Hall described his own introduction to fasting and prayer through friendship with a Oklahoma family advocating the practice in 1932. He fasted and prayed with them in anticipation of a large revival-and at the ensuing event, scores of people were healed of all types of afflictions. He became convinced of the power of fasting and began to preach its efficacy as he traveled. In 1946, a group of Holy Ghost people began a long session of prayer and fasting, lasting between ten and forty days. According to Hall, they experienced a great spiritual awakening. Some even found healing of physical ailments during the fast. As word of the event spread, Hall found that there was heavy demand for more information about the power of fasting and prayer. Later that same year, Hall wrote *Atomic Power*. The book explores how fasting intensifies prayer by [bringing] unity and [filling] us with the glory of God. Through the combination of these two acts, he believed one could enhance their spiritual appetites and curtail their hunger, sex, and greed appetites-thereby uncovering their spiritual atomic power with God that lies available to every Christian. Hall acknowledged that fasting and prayer were not new. Beyond the multiple examples from the Bible, and specifically from the life of Christ, he cited the fasting and prayer of Native Americans and Muslims who abstained from food as a regular part of their devotional exercises. In addition to the why of fasting, the book explained how one should fast. A complete fast, Hall wrote, should last from the time hunger leaves to the time hunger returns-usually 21 to 40 days. Water should be consumed in abundance to clean out the stomach and intestines of waste. And when it's time to break the fast, Hall provided a detailed breakdown of what to eat and when. *Atomic Power* brought success and notoriety to Hall, who continued to travel across the country evangelizing to crowds of up to 5,000 people. Immediately after *Atomic Power*, he published *The Fasting Prayer* in 1947 and *Glorified Fasting: The ABC of Fasting* in 1948. He published a total of 17 books during his lifetime. Hall and his wife, Helen, founded the Hall Deliverance Foundation in the mid-1950s. This alliance of churches and ministries followed Hall's teachings for fasting and prayer. The couple also started *Miracle Word*, a ministry newsletter that had 24,000 subscribers worldwide at its peak. Some other evangelists and Pentecostals did not agree with Hall's teachings. Still, fasting had staunch believers through the 1950s and beyond, including some notable evangelists like Gordon Lindsay, William Branham, and Orval Jagers. Hall's work has now been inspiring Christians to explore the benefits of fasting on their physical and spiritual health for over 70 years.

the fasting prayer franklin hall pdf: Shaping Written Knowledge Charles Bazerman, 1988
The forms taken by scientific writing help to determine the very nature of science itself. In this closely reasoned study, Charles Bazerman views the changing forms of scientific writing as solutions to rhetorical problems faced by scientists arguing for their findings. Examining such works as the early *Philosophical Transactions* and Newton's optical writings as well as *Physical Review*, Bazerman views the changing forms of scientific writing as solutions to rhetorical problems faced by scientists. The rhetoric of science is, Bazerman demonstrates, an embedded part of scientific activity that interacts with other parts of scientific activity, including social structure and empirical experience. This book presents a comprehensive historical account of the rise and development of the genre, and views these forms in relation to empirical experience.
