The phrase “atomic power with God” metaphorically describes the immense, concentrated spiritual energy available to believers who commit themselves to fasting and prayer. Understanding Spiritual Energy

Spiritual energy refers to the invisible yet potent force derived from a connection with the divine. Unlike physical energy, it is cultivated through faith, devotion, and spiritual practices such as prayer and fasting. This energy empowers believers to overcome challenges, resist temptation, and enact

God's will in their lives. The atomic power metaphor highlights the intensity and potential impact of this divine energy.

Symbolism of Atomic Power

The atomic metaphor symbolizes a concentrated, powerful source of energy that can effect change on a massive scale. In spiritual terms, it reflects the explosive impact that prayer and fasting can have when combined with faith. This symbolism underlines the importance of intentional spiritual discipline to access God's power effectively.

The Spiritual Discipline of Fasting and Prayer

Fasting and prayer are foundational spiritual disciplines that facilitate a deeper communion with God. Fasting involves voluntarily abstaining from food, drink, or other worldly comforts for a set period to focus on spiritual growth and dependence on God. Prayer is the act of communicating with God, expressing worship, confession, thanksgiving, and requests. When practiced together, fasting and prayer amplify spiritual sensitivity, clarity, and power.

Definition and Purpose of Fasting

Fasting is a deliberate act of self-denial that helps believers redirect their focus from physical needs to spiritual priorities. The purpose is to humble oneself before God, seek His guidance, and intercede for specific needs. This discipline fosters spiritual breakthrough and strengthens faith by demonstrating reliance on God rather than material sustenance.

Role of Prayer in Spiritual Empowerment

Prayer serves as the primary means of communication between humans and God. atomic power with god through fasting and prayer pdf: [Atomic Power with God, Thru](#)

Fasting and Prayer Franklin Hall, 2020-05-29 Atomic Power With God Thru Fasting and Prayer is a short work by the spirited evangelist Franklin Hall. The book describes how prayer during extended fasts can heal the body and soul, and bring practitioners greater spiritual power to exalt and glorify Jesus Christ. Franklin Hall was born in Coffeyville, Kansas, in 1909. Hall's father died when Franklin was only twelve, leaving him distraught with both his loss and the responsibility of supporting his mother and five younger siblings. During these hard times, he looked to the local Pentecostal church for guidance. The church became a major influence on the lives of the young Hall children and their widowed mother, who remarried the reverend soon after. Hall began his own traveling ministry during the Great Depression. But he didn't become well known among evangelicals until the release of his first book, Atomic Power With God Thru Fasting and Prayer, in 1946. In the book, Hall described his own introduction to fasting and prayer through friendship with a Oklahoma family advocating the practice in 1932. He fasted and prayed with them in anticipation of a large revival-and at the ensuing event, scores of people were healed of all types of afflictions. He became convinced of the power of fasting and began to preach its efficacy as he traveled. In 1946, a group of Holy Ghost people began a long session of prayer and fasting, lasting between ten and forty days. According to Hall, they experienced a great spiritual awakening. Some even found healing of physical ailments during the fast. As word of the event spread, Hall found that there was heavy demand for more information about the power of fasting and prayer. Later that same year, Hall wrote Atomic Power. The book explores how fasting intensifies prayer by [bringing] unity and [filling] us with the glory of God. Through the combination of these two acts, he believed one could enhance their spiritual appetites and curtail their hunger, sex, and greed appetites-thereby uncovering their spiritual atomic power with God that lies available to every Christian. Hall acknowledged that fasting and prayer were not new. Beyond the multiple examples from the Bible, and specifically from the life of Christ, he cited the fasting and prayer of Native Americans and Muslims who abstained from food as a regular part of their devotional exercises. In addition to the why of fasting, the book explained how one should fast. A complete fast, Hall wrote, should last from the time hunger leaves to the time hunger returns-usually 21 to 40 days. Water should be consumed in abundance to clean out the stomach and intestines of waste. And when it's time to break the fast, Hall provided a detailed breakdown of what to eat and when. Atomic Power brought success and notoriety to Hall, who continued to travel across the country evangelizing to crowds of up to 5,000 people. Immediately after Atomic Power, he published The Fasting Prayer in 1947 and Glorified Fasting: The ABC of Fasting in 1948. He published a total of 17 books during his lifetime. Hall and his wife, Helen, founded the Hall Deliverance Foundation in the mid-1950s. This alliance of churches and ministries followed Hall's teachings for fasting and prayer. The couple also started Miracle Word, a ministry newsletter that had 24,000 subscribers worldwide at its peak. Some other evangelists and Pentecostals did not agree with Hall's teachings. Still, fasting had staunch believers through the 1950s and beyond, including some notable evangelists like Gordon Lindsay, William Branham, and Orval Jagers. Hall's work has now been inspiring Christians to explore the benefits of fasting on their physical and spiritual health for over 70 years.

atomic power with god through fasting and prayer pdf: *Glorified Fasting* Franklin Hall, 2016-04-14 Fasting, like prayer, is an integral part of the Word of God. To dispute this would be as foolish as denying that water is wet. In "Glorified Fasting," Franklin Hall passionately explores the significance of fasting for Christians. He invites us to "STAND FAST" on this irrevocable tradition, which we have been taught in the Word. By doing so, we honor Jesus and allow His glory to shine forth. This volume seeks to popularize one of the most downtrodden Biblical subjects—the practice of fasting. Hall's mission is to reestablish fasting's rightful place in the Gospel, revealing its glorious aspects. As we delve into this tremendous portion of the Word, we discover an avenue to immense power and glory with Jesus. Fasting, praying, crying, and mourning for souls become our tools, wielded without selfish motives. By uniting as pillars of faith, we prepare for the last-day signs that approach us—tragedy, destruction, persecution—armed with an effective weapon for the glory of Jesus. However, Hall is clear: Fasting is not a cure-all for spiritual, moral, or bodily complaints. Instead, he emphasizes its importance to prevent God's people from drifting away from the old-time faith and succumbing to modernism.

America Elijah Muhammad, 1973-11-07 According to countless mainstream news organs, Elijah Muhammad, by far, was the most powerful black man in America. Known more for the students he produced, like Malcolm X, Louis Farrakhan and Muhammad Ali, this controversial man exposed the black man as well as the world to a teaching, till now, was only used behind closed doors of high degree Masons and Shriners. An easy and smart read. The book approaches the question of what and who is God. It compares the concept held by religions to nature and mathematics. It also explores the origin of the original man, mankind, devil, heaven and hell. Its title, Message To The Blackman, is directed to the American Blacks specifically, but addresses blacks universally as well.

atomic power with god through fasting and prayer pdf: *E. M. Bounds on Prayer* E. M. Bounds, 2006 Methodist minister and Civil War chaplain Edward McKendree Bounds (1835-1913) considered conversation with God as fundamentally vital to the Christian's life as physical breath. He devoted the last 17 years of his life to intense intercession and to penning some of the most perennially popular works about prayer. This attractive volume features the very best of his beloved writings. God shapes the world by prayer. Prayers are deathless. atomic power with god through fasting and prayer pdf: *The Religion of God (Divine Love)* His Divine Eminence Ra Gohar Shahi, 2012-05-17 The excerpts from the book for quick awareness: 1. Those who love God but do not practise a religion are better than you if you follow a religion and yet are deprived of Gods love. 2. Love relates to the heart. The word, Allah, when synchronised within heartbeats, reaches all veins and arteries through the blood and revives the souls. Then the souls, engulfed by Gods name, Allah, enter Gods love. 3. All names given to God in all languages are worthy of respect. However, Gods original name is Allah, which is a word from the Suryani language. The creatures of empyrean speak this language. The angels call upon God with the name of Allah. Allah is attached with the faith declaration motto of every prophet. 4. Any person who, with all the sincerity of heart, is in search for God, on land or in the sea, is worthy of respect. 5. Many Adams were sent in different regions of the world simultaneously. All Adams were moulded from the

clay in this world, for except the last Adam who was moulded from the clay in paradise, and is buried in the Arab region. The angels did not prostrate to any other Adam for except Adam Safi Allah. And Iblis (the Devil) developed enmity for the progeny of Adam Safi Allah only. 6. There are seven different sub-spirits in the human skeleton, and each relates to a different realm, a different paradise, and different functions in the human body. If these sub-spirits are empowered with Gods light (Noor), they may appear in human form in many places simultaneously. They may reach the esoteric gatherings of the saints and the prophets, speak with God, and even see God in person also. 7. There are two different types of religions for all humans: the religion for the body, which expires when the body does, and the religion for the soul, which existed even in the primordial time that is Gods love. And only this religion elevates humans. 8. Ishq (Rapturous Love) of Allah is above all other religions, and seeing Allah is above all forms of worship. 9. Information on how human beings, animals, plants, and stones were brought into existence, and why something is prohibited or permissible. 10. Who pre-existed the Amr Kun (the command Be) of the souls and the angels? Which dog will enter the paradise in form of Qatmir? The souls of which individuals had already affirmed the declaration of faith in the primordial time? The secret of which man is not mentioned in this book?

atomic power with god through fasting and prayer pdf: The Aquarian Gospel of Jesus the Christ Levi Dowling, 2012-03-06 This visionary text professes to tell the complete story of Jesus' life, including the lost years, during which he traveled and studied in Tibet, Egypt, India, Persia, and Greece. First published in 1908, this mystical work is the cornerstone of a Christian denomination, the Aquarian Christine Church Universal, and it offers intriguing, controversial assertions about Christ's message. Jesus was conceived by a human father, author Levi Dowling states, and by effort and prayer rendered himself a fit vessel for the Christ — the model for human existence and ultimate salvation. Dowling, who devoted forty years of preparation to the task of transcribing this volume's contents from original Akashic records, further asserts the reality of reincarnation and its culmination in the perfection of the human soul. Tracing Jesus' life from his birth in Bethlehem to his ascension from the Mount of Olives, Dowling offers complete details concerning the savior's years among monks, wise men, and seers throughout the Orient. Readers with an interest in occult lore and the history of religion will find this remarkable volume a source of endless fascination.

atomic power with god through fasting and prayer pdf: Formula for Raising the Dead and the Baptism of Fire Franklin Hall, 2023-08-07 2023 Reprint of the 1960 edition. Full facsimile of the original edition and not reproduced with Optical Recognition Software. Little is known of Franklin

Hall's background. His birth and death are unknown. Along with many others of the depression era Hall grew up in rural poverty and was deeply religious. Initially he was with the Methodist church but their stance against healing forced him elsewhere. During the depression and World War II he travelled as an independent evangelist. When the revival erupted after World War II, Hall was there. He contributed to the revival a distinctive doctrine which, while it did not enrich him, had a phenomenal impact. Franklin Hall himself never attracted a large following. He considered himself a teacher rather than a healing evangelist. He worked in combination with a series of preachers, including Little David Walker, the most famous early child evangelist. Isolated by a somewhat deviant doctrine and less talented as a preacher than many of his competitors, Franklin Hall hung on through the fifties with the same tenacity that had helped him survive during the depression. In small churches and auditoriums across the nation he continued to teach with fervor his message of prayer and fasting and healing. When hard times came to the revival in the late 1950s, it was nothing new to Franklin Hall. He had an instinct for survival. Scores like him roamed the countryside. Unlike some faith healers, Hall emphasized teaching. His extremist views in the area of fasting and healing were considered unacceptable to many evangelists. He attributes the demise of the revival of the 1950s to the lack of fasting and to spiritual coasting by the leaders. Extreme in the area of healing, he held to a body-felt salvation. Accordingly, the fire of the Holy Spirit, if fully applied to a person (which would take about thirty days), would eliminate the potential for sickness, tiredness, and even body odor. These extremes and the discipline they entailed severely limited his following. Hall wrote several books, including *Glorified Fasting* (1961), *The Fasting Prayer* (1947), *The Body-Felt Salvation* (1968), *Formula for Raising the Dead* (1960), and *Our Divine Healing Obligation...* Quoted from https://www.revival-library.org/revival_heroes/20th_century/hall_franklin.shtml

atomic power with god through fasting and prayer pdf: The Poisonwood Bible Barbara Kingsolver, 2009-10-13 New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection "Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly

threads of religion, politics, race, sin and redemption into a thing of terrible beauty.” —Los Angeles Times Book Review The Poisonwood Bible, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleana Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.

atomic power with god through fasting and prayer pdf: LSD, My Problem Child Albert Hofmann, 2017-09-27 This is the story of LSD told by a concerned yet hopeful father, organic chemist Albert Hofmann, Ph.D. He traces LSD's path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition. In LSD: My Problem Child, we follow Dr. Hofmann's trek across Mexico to discover sacred plants related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery. Underlying it all is Dr. Hofmann's powerful conclusion that mystical experiences may be our planet's best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend the wonder, the mystery of the divine, in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people. More than sixty years after the birth of Albert Hofmann's problem child, his vision of its true potential is more relevant, and more needed, than ever.

atomic power with god through fasting and prayer pdf: The Fast Lou Engle, 2020-01-13 To read this book is to read a story. Yes, partly my story, but primarily it's the story of Jesus and his original forty-day Jesus Fast that released the original Jesus anointing for evangelism and harvest. It is also a prophetic summons calling for a global reenactment and recovery of Jesus' original pattern and pathway leading to power from on high. This is a book of dreams and, if I may say so, of God's dreams, dreams of a new world where the Bride of Christ is beautified, where Satan is cast down, where the Kingdom comes, where evangelism is empowered, and where shouts of joy fill the streets because the Spirit of the Lord has come to heal every disease and sickness. This is a book about the Jesus Fast that will open the heavens and precipitate the latter rain. Let us all go up to the Mountain of the Lord. Let the earth go up in the global Jesus Fast.

atomic power with god through fasting and prayer pdf: The Seven Longings of the Human Heart Mike Bickle, 2006-07 God has placed deep longings in the heart of every human being, longings for beauty, greatness, fascination, intimacy, to be enjoyed, to be wholehearted, to make a lasting impact. Many of us have been taught to deny these longings. We've been told they are not of God. But the problem is not the longings--they are given of God and cannot be denied.

Problems arise when we attempt to fulfill godly legitimate longings in ungodly, wrong ways. Only God can fulfill the longings He has given us. When we realize that our longings are godly and that God wants to fulfill them, we find freedom and joy. We experience intimacy with God in ways we never thought possible.

atomic power with god through fasting and prayer pdf: The Coming Move of God Apostle Joshua Selman, 2021-03-25 The manifestation of Enoch is one of the activities that foreruns the coming of Christ. Enoch is a representation of intimacy and passion for spiritual things. It is a system that goes past the gate of fame, ambition and all the mundane things of this earth. Imagine that a man lived for 365 years and all the Bible can say about such a man is that he walked with God. What a testimony. That you lived your life and the most striking signature activity of your life is that you walked with God. He had children and the children did not disrupt his walk with God. The coming move of God will not just start with revivals. It will start with the restoration of the spirit of Enoch- intimacy and desire for God beyond the walls of Church, ministry, preaching, etc. We will never be able to host what the spirit of God is doing across the nations in this endtime if our focus is just preaching an accurate exegesis of the word, as powerful as this is. It will be a product of our walk with God. The Bible declares that the remnant of the house of Jacob will first bear root downwards. You won't see it when it happens but it will become the stability of the tree and fruit that they produce.

atomic power with god through fasting and prayer pdf: In God's Underground Richard Wurmbrand, 2004 Imprisoned by the Romanian Communists for his work in the Christian Underground, and subjected to medieval torture, Wurmbrand kept his faith and strengthened it. For fourteen years, he shared that faith with suffering cellmates and gave them solace. In solitary confinement, he tapped out his message of hope and Christian love. In Room Four, the death room, he helped dying patients even though his lungs were riddled with tuberculosis and his body lacerated and bloody from whips and kicks. Anguished over the fate of his wife and son, he could still tell jokes and stories to make despairing prisoners laugh. Sorely tempted by the promise of release and reprieve, he refused to become a Communist collaborator. And the miracle is that he survived. With humble gratitude to God and Christ, he tells his personal story. It's an inspiring drama of triumphant faith.
