

young frankenstein script

young frankenstein script remains a celebrated example of comedic writing that masterfully blends humor with homage to classic horror films. This script, originally penned for the 1974 Mel Brooks film "Young Frankenstein," captures the essence of the original Frankenstein story while infusing it with sharp wit, slapstick comedy, and memorable character interactions. The screenplay is notable for its clever dialogue, detailed character development, and intricate scene construction that has made it a timeless piece in both cinematic and theatrical realms. This article explores the young frankenstein script in depth, covering its origins, narrative structure, character dynamics, and impact on popular culture. Additionally, it will delve into the elements that make the script a standout piece of comedy writing and its adaptations beyond the film medium. The following table of contents outlines the key areas of focus for this comprehensive analysis.

- Origins and Development of the Young Frankenstein Script
- Plot Overview and Structure
- Key Characters and Their Roles
- Distinctive Elements of the Script
- Impact and Legacy in Film and Theater
- Adaptations and Script Variations

Origins and Development of the Young Frankenstein Script

The young frankenstein script was developed by Mel Brooks and Gene Wilder, who collaborated to create a screenplay that parodied classic horror films while respecting their legacy. The script was inspired by the original 1931 Frankenstein film and its sequels, drawing heavily on Universal Pictures' interpretations of the Frankenstein mythos. Brooks and Wilder's partnership combined sharp comedic insight with a deep appreciation for the horror genre, resulting in a script that balanced humor with homage.

Creative Collaboration and Writing Process

The writing process for the young frankenstein script involved meticulous

planning and numerous drafts to perfect the comedic timing and narrative flow. Gene Wilder, who also starred as Dr. Frederick Frankenstein, contributed significantly to the dialogue and character development. Mel Brooks brought his expertise in satire and parody to shape the overall tone of the script. This collaboration ensured that the screenplay maintained a consistent voice while delivering memorable lines and scenes that have become iconic.

Influences and Inspirations

The script draws inspiration from the gothic horror style of the early 20th century, particularly the works of Mary Shelley and the Universal horror films of the 1930s and 1940s. The use of black-and-white cinematography in the film adaptation was a deliberate choice to echo the era of the original Frankenstein movies, reinforcing the script's nostalgic yet humorous approach. The young frankenstein script also incorporates elements of slapstick comedy, vaudeville, and classic screwball comedy, blending these influences into a unique comedic experience.

Plot Overview and Structure

The young frankenstein script follows the story of Dr. Frederick Frankenstein, a brilliant but skeptical neurologist who inherits his grandfather's estate in Transylvania. Despite his initial rejection of his family's legacy, Frederick becomes embroiled in recreating his grandfather's infamous experiments, leading to the creation of a creature with both monstrous and endearing qualities. The screenplay is structured to build comedic tension through a series of escalating situations, misunderstandings, and character interactions.

Act Breakdown

- **Act 1:** Introduction to Frederick Frankenstein and his inheritance of the family estate.
- **Act 2:** Frederick's experiments and the reanimation of the Creature.
- **Act 3:** Consequences of the Creature's awakening and the resolution of comedic conflicts.

Key Scenes and Comedic Set Pieces

The script contains numerous standout scenes that showcase its comedic

brilliance. Notable examples include the iconic "Putting on the Ritz" musical number performed by the Creature, the humorous interactions between Igor and Frederick, and the chaotic sequences involving the villagers. These scenes are carefully crafted to maximize comedic effect while advancing the story.

Key Characters and Their Roles

The young frankenstein script features a diverse cast of characters, each contributing to the humor and narrative progression. The characters are well-defined, with distinct personalities that create dynamic interactions and comedic contrasts.

Dr. Frederick Frankenstein

The protagonist, Frederick, is a complex character who struggles with his family legacy and his scientific ambitions. His journey from skepticism to acceptance drives the plot and provides a foundation for both humor and emotional depth.

Igor

Igor serves as Frederick's quirky assistant, known for his hunchback and witty banter. His character adds a layer of physical comedy and clever wordplay to the script.

The Creature

The Creature is both a source of fear and sympathy, portrayed with a blend of monstrous traits and innocent charm. The script humanizes the Creature, making it a pivotal character in the comedic and narrative structure.

Supporting Characters

- Inga – Frederick's loyal lab assistant and love interest.
- Inspector Kemp – The aggressive local authority figure.
- Frau Blücher – The eerie housekeeper with a mysterious presence.

Distinctive Elements of the Script

The young frankenstein script is distinguished by its clever use of language, comedic timing, and integration of classic horror motifs. The script employs a variety of comedic techniques, including puns, slapstick, farce, and parody, to create a layered and engaging narrative.

Language and Dialogue

The script's dialogue is notable for its wit and precision. It features memorable catchphrases and running jokes that contribute to character development and audience engagement. The use of formal and archaic language juxtaposed with modern humor enhances the comedic effect.

Visual and Physical Comedy

Physical comedy plays a significant role in the script, with detailed stage directions and visual gags that complement the verbal humor. The interplay between characters often relies on exaggerated gestures, facial expressions, and slapstick sequences.

Homage and Parody

The script balances respect for the original Frankenstein story with parody by exaggerating and subverting horror tropes. This approach creates a unique comedic tone that appeals to both fans of the horror genre and comedy enthusiasts.

Impact and Legacy in Film and Theater

The young frankenstein script has had a lasting impact on both film and theater, influencing countless comedic works and adaptations. Its blend of humor and horror set a precedent for genre mashups and showcased the potential of parody in mainstream entertainment.

Cultural Influence

The screenplay's success contributed to the popularity of comedy-horror as a genre and inspired other filmmakers and writers to explore similar themes. Its lines and scenes have entered popular culture, frequently quoted and referenced in various media.

Theatrical Adaptations

The script was adapted into a successful Broadway musical, which preserved much of the original dialogue while incorporating musical numbers and expanded character arcs. This adaptation extended the script's reach and demonstrated its versatility across different artistic formats.

Adaptations and Script Variations

Over time, the young frankenstein script has undergone various adaptations and revisions to suit different formats and audiences. These variations highlight the script's flexibility and enduring appeal.

Film Version

The original 1974 film closely follows the screenplay, with minor adjustments for cinematic pacing and visual storytelling. The film's black-and-white aesthetic and performances enhanced the script's impact.

Stage Musical Adaptation

The stage version expanded the script by adding songs and dance sequences, while retaining the core comedic elements. This adaptation required careful balancing of the original script's tone with the demands of live performance.

Script Editions and Publications

Various published versions of the young frankenstein script are available, offering insight into the writing process and evolution of the screenplay. These editions provide valuable resources for study and appreciation of the script's craftsmanship.

Frequently Asked Questions

What is the 'Young Frankenstein' script about?

The 'Young Frankenstein' script is a comedic screenplay that parodies classic horror films, particularly Mary Shelley's Frankenstein. It follows Dr. Frederick Frankenstein, the grandson of the infamous Dr. Victor Frankenstein, as he inherits his grandfather's castle and attempts to continue his experiments, leading to humorous and spooky situations.

Who wrote the 'Young Frankenstein' script?

The 'Young Frankenstein' script was written by Mel Brooks and Gene Wilder. Mel Brooks also directed the film adaptation.

Where can I find the 'Young Frankenstein' script?

The 'Young Frankenstein' script can be found in various places online, including script databases and fan websites. It is also sometimes available in published script collections or as part of special edition DVDs and Blu-rays of the film.

What makes the 'Young Frankenstein' script unique and popular?

The 'Young Frankenstein' script is unique for its clever blend of slapstick comedy, parody, and homage to classic horror films. Its witty dialogue, memorable characters, and perfect timing have made it a beloved cult classic.

Are there any notable quotes from the 'Young Frankenstein' script?

Yes, the 'Young Frankenstein' script contains many memorable quotes, such as "It's pronounced 'Fronkensteen'," and "Put... the candle... back!" These lines contribute to the film's enduring popularity.

How faithful is the 'Young Frankenstein' script to the original Frankenstein story?

The 'Young Frankenstein' script is more of a parody than a faithful adaptation. While it references the original Frankenstein story, it takes a comedic approach, exaggerating and spoofing elements for humor.

Was the 'Young Frankenstein' script adapted into other formats?

Yes, the 'Young Frankenstein' script was adapted into a successful Broadway musical, which retained much of the original film's humor and story, with additional songs and scenes.

What are some challenges in performing the 'Young Frankenstein' script on stage?

Performing the 'Young Frankenstein' script on stage requires careful timing for comedic effect, physical comedy skills, and the ability to capture the film's unique tone. Set design and special effects can also be challenging to recreate live.

How did the 'Young Frankenstein' script influence comedy films?

The 'Young Frankenstein' script influenced comedy films by demonstrating how to effectively blend parody with genuine affection for the source material. Its success showed that intelligent humor and classic references could appeal to wide audiences.

Can I use the 'Young Frankenstein' script for a school project or amateur production?

Using the 'Young Frankenstein' script for school or amateur productions typically requires obtaining the proper rights or licenses from the copyright holders. It is important to contact the licensing agency to ensure legal use.

Young Frankenstein Script: A Comprehensive Screenwriting Guide

Introduction: Understanding the Mel Brooks Legacy & Modernizing the Classic

Mel Brooks' "Young Frankenstein" isn't just a movie; it's a masterclass in comedic horror. It successfully blends classic monster tropes with sharp wit, slapstick, and a cast of unforgettable characters. This guide aims to dissect the elements that make it so successful and provide a framework for you to create your own modern take on the story. We'll analyze the original film's structure, themes, and humor, providing insights into how these elements can be adapted and reimaged for a contemporary audience. This isn't about simply recreating "Young Frankenstein," but using its blueprint as inspiration to build something new and exciting. We'll explore modern horror trends and comedic styles, allowing you to inject your unique vision into the classic formula. Understanding the source material is key, but this guide empowers you to go beyond imitation and create your own authentic comedic horror screenplay.

Chapter 1: Character Development: Creating Believable (and Hilariously Unhinged) Characters

Characters are the heart of any successful screenplay, and "Young Frankenstein" is no exception. Frederick Frankenstein, Igor, Inga, and the monster himself are all richly developed, with their quirks and eccentricities driving the plot forward. This chapter will focus on building compelling characters for your own screenplay. We'll explore techniques for creating believable motivations,

flaws, and relationships. We'll delve into the art of character archetypes, examining how Brooks subverted expectations and created iconic characters through subtle nuances. We'll learn how to craft distinct personalities, voices, and backstories that will resonate with your audience. This includes understanding the comedic potential of character flaws and how to use those flaws to create humorous situations and memorable moments. Finally, we'll explore how to balance humor and pathos, creating characters that are both funny and relatable, even when they're committing acts of monstrous mayhem.

Chapter 2: Plot Construction: Building a Thrilling and Funny Narrative Arc

A strong plot is essential for any successful screenplay, and "Young Frankenstein" showcases a tightly-structured narrative that balances suspense, humor, and character development. This chapter will guide you through the process of plotting your own comedic horror screenplay. We'll explore various plot structures, including the classic three-act structure and its variations. We'll discuss techniques for creating suspense, incorporating twists and turns, and building to a satisfying climax. We'll examine how Brooks uses pacing to control the audience's emotions, alternating between moments of genuine horror and bursts of slapstick comedy. This chapter will also cover the importance of outlining your story, creating a detailed beat sheet, and ensuring a consistent and engaging narrative flow from beginning to end. We'll also explore the use of subplots to enrich your story and develop your characters further.

Chapter 3: Dialogue & Humor: Crafting Witty, Memorable, and Scream-Inducing Lines

The dialogue in "Young Frankenstein" is sharp, witty, and often laugh-out-loud funny. This chapter will explore the techniques used to create memorable and humorous dialogue in a comedic horror screenplay. We'll examine the different types of humor, including slapstick, satire, irony, and wordplay. We'll discuss how to write dialogue that is both believable and funny, and how to create a distinct voice for each character. We'll analyze specific examples from "Young Frankenstein," highlighting the use of puns, double entendres, and witty banter. Furthermore, this chapter provides practical exercises to help you hone your skills in crafting comedic dialogue that enhances the horror elements without overwhelming them. We'll cover how to incorporate unexpected twists in conversations and leverage the emotional reactions of characters to amplify the comedic effect.

Chapter 4: Setting the Scene: Establishing Atmosphere and Tone Through Visual Description

The visual elements of "Young Frankenstein" are as crucial to its success as the dialogue. This chapter will guide you on how to create a visually rich and evocative screenplay through detailed descriptions. We'll explore techniques for establishing atmosphere and tone through vivid imagery, sensory details, and setting descriptions. We'll discuss the importance of visual storytelling, and how to use visuals to enhance the humor and horror elements of your screenplay. Understanding how to convey the gothic atmosphere, the dilapidated castle, and the laboratory setting will be crucial in creating the right mood. We'll also cover how to describe the monster's appearance effectively, balancing the terrifying aspects with the comedic elements. This chapter emphasizes the symbiotic relationship between the written word and the visual representation of the story.

Chapter 5: Horror & Comedy Balance: Mastering the Art of Juxtaposition

The magic of "Young Frankenstein" lies in its ability to seamlessly blend horror and comedy. This chapter will explore the art of juxtaposition, demonstrating how to create a comedic horror screenplay that successfully balances scares and laughs. We'll discuss techniques for creating unexpected comedic moments within tense situations and vice versa. We'll analyze the pacing and rhythm of Brooks' film, demonstrating how he uses these elements to control the audience's emotional response. This involves a deep dive into how the film utilizes both visual and auditory cues to elicit laughter and fear simultaneously. We will explore the concept of "dark humor" and how to use it effectively to enhance the overall tone and impact of your screenplay.

Chapter 6: Monster Design & Practical Effects (Screenplay Considerations): Bringing the Creature to Life on Paper

The monster in "Young Frankenstein" is both terrifying and hilarious. This chapter focuses on bringing your own monster to life, but on the page. We won't focus on the practical effects themselves, but rather how you describe them, their movements, and their impact on the story and other characters within your script. We will cover the key aspects of designing a memorable and effective monster for your screenplay, emphasizing both its physical appearance and its personality. We'll discuss different approaches to monster design, from classic Universal monsters to more modern interpretations. We'll also discuss how to use the monster's design to enhance the comedic and horror elements of your screenplay, considering its actions, dialogue, and interactions with other characters.

Chapter 7: Revising & Refining: Polishing Your Script for Maximum Impact

Even the best screenplays require revision. This chapter will guide you through the process of revising and refining your script to ensure maximum impact. We'll discuss techniques for identifying and addressing weaknesses in your story, dialogue, and character development. We'll also cover the importance of feedback and how to use it constructively to improve your screenplay. We'll provide practical tips for self-editing and collaborative revision, as well as resources for getting feedback from other writers. This involves multiple readings, focusing on different aspects of the script in each pass, from plot and character arcs to pacing and dialogue. We'll also address the importance of streamlining your narrative, cutting unnecessary scenes, and ensuring a clear and concise final product.

Conclusion: Submitting Your Masterpiece & Finding Your Audience

This concluding chapter provides practical advice on submitting your screenplay to agents, producers, and film festivals. We'll discuss the importance of a strong query letter and cover letter. We'll also discuss strategies for marketing your screenplay and building a network within the film industry. Finding your audience is crucial, and this chapter will offer strategies for reaching potential readers and collaborators, highlighting the diverse platforms available for sharing your work. It will also address the various legal aspects and considerations involved in protecting your intellectual property.

young frankenstein script: *Young Frankenstein: A Mel Brooks Book* Mel Brooks, 2016-10-18
Mel Brooks' own words telling all about the players, the filming, and studio antics during the production of this great comedy classic. The book is alive and teeming with hundreds of photos, original interviews, and hilarious commentary. Young Frankenstein was made with deep respect for the craft and history of cinema-and for the power of a good schwanzstucker joke. This picture-driven book, written by one of the greatest comedy geniuses of all time, takes readers inside the classic film's marvelous creation story via never-before-seen black and white and color photography from the set and contemporary interviews with the cast and crew, most notably, legendary writer-director Mel Brooks. With access to more than 225 behind-the-scenes photos and production stills, and with captions written by Brooks, this book will also rely on interviews with gifted director of photography Gerald Hirschfeld, Academy Award-winning actress Cloris Leachman and veteran producer Michael Gruskoff. Mel Brooks is an American film director, screenwriter, comedian, actor, producer, composer and songwriter. Brooks is best known as a creator of broad film farces and comic parodies including *The Producers*, *The Twelve Chairs*, *Blazing Saddles*, *Young Frankenstein*, *Silent Movie*, *High Anxiety*, *History of the World, Part I*, *Spaceballs* and *Robin Hood: Men in Tights*. More recently,

he had a smash hit on Broadway with the musical adaptation of his first film, *The Producers*. An EGOT winner, he received a Kennedy Center Honor in 2009, the 41st AFI Life Achievement Award in June 2013, and a British Film Institute Fellowship in March 2015. Three of Brooks' classics have appeared on AFI's 100 Years . . . 100 Laughs list. *Blazing Saddles* at number 6, *The Producers* at number 11, and *Young Frankenstein* at number 13. Judd Apatow is one of the most important comic minds of his generation. He wrote and directed the films *The 40-Year-Old Virgin* (co-written with Steve Carell), *Knocked Up*, *Funny People*, and *This Is 40*, and his producing credits include *Superbad*, *Bridesmaids*, and *Anchorman*. Apatow is the executive producer of HBO's *Girls*.

young frankenstein script: *Frankenstein, based on the novel by Mary Shelley* Nick Dear, 2011-02-17 Slowly I learnt the ways of humans: how to ruin, how to hate, how to debase, how to humiliate. And at the feet of my master I learnt the highest of human skills, the skill no other creature owns: I finally learnt how to lie. Childlike in his innocence but grotesque in form, Frankenstein's bewildered creature is cast out into a hostile universe by his horror-struck maker. Meeting with cruelty wherever he goes, the friendless Creature, increasingly desperate and vengeful, determines to track down his creator and strike a terrifying deal. Urgent concerns of scientific responsibility, parental neglect, cognitive development and the nature of good and evil are embedded within this thrilling and deeply disturbing classic gothic tale. Mary Shelley's *Frankenstein*, adapted for the stage by Nick Dear, premiered at the National Theatre, London, in February 2011.

young frankenstein script: *Frankenstein* Victor Gialanella, 1982 THE STORY: Set in nineteenth-century Switzerland, this classic tale of horror and suspense details the ill-fated experiments of young Dr. Frankenstein as he attempts to fathom the secrets of life and death. young frankenstein script: *Blazing Saddles Meets Young Frankenstein* Bruce G. Hallenbeck, 2024-11-12 1974 was a busy year for Mel Brooks. Although still recovering after a series of failed projects threatened his career, he pulled off a one-two punch that saw the release of two of the most beloved American comedies ever made: *Blazing Saddles* and *Young Frankenstein*. Although both films are well-known, the stories beyond the making of each movie are less so. How did they come to be, and how did the era's culture and politics not only permit them to be made, but help them to become enduring comedy classics? With their riotous parodies of Westerns and classic horror movies, *Blazing Saddles* and *Young Frankenstein* were not only hilarious. They played with charged social and cultural themes in an inimitable way, raising the bar for modern comedies even as they reshaped the two genres they were sending up. *Blazing Saddles Meets Young Frankenstein: The 50th Anniversary of the Year of Mel Brooks* explores in depth the zeitgeist and cinematic alchemy that led to 1974 becoming "the year of Mel Brooks."

young frankenstein script: *I'm Sorry, the Bridge is Out, You'll Have to Spend the Night* Sheldon Allman, Bob Pickett, 1994 Plot centers around Dr. Frankenstein's castle and includes such characters as The monster, Count and Countess Dracula, The mummy, and a reluctant boy werewolf.

young frankenstein script: *Fright Favorites* David J. Skal, Turner Classic Movies, 2020-09-01 Turner Classic Movies presents a collection of monster greats, modern and classic horror, and family-friendly cinematic treats that capture the spirit of Halloween, complete with reviews, behind-the-scenes stories, and iconic images. *Fright Favorites* spotlights 31 essential Halloween-time films, their associated sequels and remakes, and recommendations to expand your seasonal repertoire based on your favorites. Featured titles include *Nosferatu* (1922), *Dracula* (1931), *Cat People* (1942), *Them* (1953), *House on Haunted Hill* (1959), *Black Sunday* (1960), *Rosemary's Baby* (1968), *Young Frankenstein* (1976), *Beetlejuice* (1988), *Get Out* (2017), and many more.

young frankenstein script: *Hotel Frankenstein* Michael Goodman, 1993-03

young frankenstein script: Kiss Me Like A Stranger Gene Wilder, 2010-04-01 In this personal book from the star of many beloved and classic film comedies -- from *The Producers* to *Young Frankenstein*, *Blazing Saddles* to *Willy Wonka & the Chocolate Factory* -- Gene Wilder writes about a side of his life the public hasn't seen on the screen. *Kiss Me Like a Stranger* is not an autobiography in the usual sense of the word, and it's certainly not another celebrity tell-all. Instead, Wilder has chosen to write about resonant moments in his life, events that led him to an understanding of the art of acting, and -- more important -- to an understanding of how to give love to and receive love from a woman. Wilder writes compellingly about the creative process on stage and screen, and divulges moments from life on the sets of some of the most iconic movies of our time. In this book, he talks about everything from his experiences in psychoanalysis to why he got into acting and later comedy (his first goal was to be a Shakespearean actor), and how a Midwestern childhood with a sick mother changed him. Wilder explains why he became an actor and writer, and about the funny, wonderful movies he made with Mel Brooks, Woody Allen, Richard Pryor, and Harrison Ford, among many others. He candidly reveals his failures in love, and writes about the overwhelming experience of marrying comedienne Gilda Radner, as well as what finally had to happen for him to make a true and lasting commitment to another woman. A thoughtful, revealing, and winsome book about life, love, and the creative process, the New York Times bestseller *Kiss Me Like A Stranger* is one actor's life in his own words.

Instead he creates a living monster with a mind of its own. New, innovative activities specifically tailored to support the KS3 Framework for Teaching English and help students to fulfil the Framework objectives. Activities include work on Speaking and Listening, close text analysis, and the structure of playscripts, and act as a springboard for personal writing.

young frankenstein script: The Rocky Horror Show Richard O'Brien, 1983 Rock Musical Characters: 7 males, 3 females Scenery: Interior That sweet transvestite and his motley crew did the time warp on Broadway in a 25th anniversary revival. Complete with sass from the audience, cascading toilet paper and an array of other audience participation props, this deliberately kitschy rock 'n' roll sci fi gothic is more fun than ever. A socko wacko weirdo rock concert.-WNBC TV. A musical that deals with mutating identity and time warps becomes one of the most mutated, time warped phenomena in show business.-N.Y. Times. Campy trash.-Time.

young frankenstein script: Frankenstein Tim Kelly, 1974 Victor Frankenstein, a brilliant young scientist, returns to his chateau on the shores of Lake Geneva to escape some terrible pursuer. No one can shake free the dark secret that terrifies him. Not his mother, nor his fiancée Elizabeth, nor his best friend, Henry Clerval. Even the pleading of a gypsy girl accused of murdering Victor's younger brother falls on deaf ears, for Victor has brought into being a Creature made from bits and pieces of the dead! The Creature tracks Victor to his sanctuary to demand a bride to share its loneliness - one as wretched as the Creature itself. Against his better judgment, Victor agrees and soon the household is invaded by murder, despair and terror! The play opens on the wedding night of Victor and Elizabeth, the very time the Creature has sworn to kill the scientist for destroying its intended mate, and ends, weeks later, in a horrific climax of dramatic suspense! In between there is enough macabre humor to relieve the mounting tension. Perhaps the truest adaptation of Mary Shelley's classic yet. Simple to stage and a guaranteed audience pleaser. -- from page 3.

young frankenstein script: Robert Florey's Frankenstein Starring Bela Lugosi Philip J. Riley, 2010 With the success of *Dracula*, starring Bela Lugosi, Universal Pictures was quick to capitalize on creating a new Lon Chaney in Bela Lugosi. Chaney had been the original choice to

portray a dual role as both Dracula and Professor van Helsing, Dracula's adversary. Before production could begin Chaney died suddenly leaving Carl Laemmle Jr. without a star. Laemmle Jr. had seen Dracula on the stage in New York City, although he could not recall if he had seen Lugosi or Raymond Huntley in the role of Count Dracula. However Lugosi was performing in the touring company which happened to be in Los Angeles at that time. Was he the new Lon Chaney? Lugosi was not Carl Jr's first choice for the role. However he eventually won the part and now they needed more ideas for him. Murders in the Rue Morgue, Cagliostro, The Invisible Man and Frankenstein were top on the list. One day in March 1931 Robert Florey, recently returned to Hollywood from Europe, was having lunch at the Musso and Frank Restaurant on Hollywood Boulevard. He was approached by an old acquaintance, Richard Schayer, head of Universal's story department. Schayer told him that his studio was looking for ideas for a new horror film to star Bela Lugosi and he knew Florey was involved with The Theatre du Grand-Guignol de Paris, (a small theater, in an obscure alley in Paris which specialized in sadistic, shocking, explicit, violent melodramas and became known as the Theater of Horrors. It opened in 1897 and closed in 1962.) They both agreed on Frankenstein being the best choice. Schayer suggested that Florey would stand a better chance at being assigned writer and director if he were to present the idea to Carl Laemmle Jr. We present now the script for Frankenstein as it would have been had Bela Lugosi starred; and Robert Florey directed.

young frankenstein script: Frankenstein Mary Shelley, 2007-07 Victor Frankenstein must stop his creation before something bad happens.

young frankenstein script: *Light so Brilliant* Stephanie Claussen, 2016-08-30 Add this collection of 21 enchanting arrangements (including Let All Mortal Flesh Keep Silence, Bring a Torch, Jeanette, Isabella, and The Holly and the Ivy) to your Christmas gig bag. These renditions shine as solos but have the richness to cut through background chatter at a holiday party. Evoking an ancient rather than modern setting, they contain variations that intermediate through advanced harpists will find both intricate and satisfying. The entire book can be played cover-to-cover in fifty-five minutes. Suitable for lever harps with 33 strings or more. Contains dynamics, chords, and some fingering suggestions.

young frankenstein script: *The Way I Heard It* Mike Rowe, 2021-10-19 Emmy-award winning gadfly Rowe presents a ridiculously entertaining, seriously fascinating collection of his favorite episodes from America's #1 short-form podcast, The Way I Heard It, along with a host of memories, ruminations, illustrations, and insights.

young frankenstein script: *All About Me!* Mel Brooks, 2021-11-30 AVAILABLE NOW - THE PERFECT GIFT FOR FATHER'S DAY 'Delightful. A great, fun read.' DAVID JASON 'Mel Brooks is the king of comedy.' DAVID BADDIEL 'Riotous' DAILY MAIL 'A jaunty romp across Brooks's career' THE TIMES _____ At 95, the legendary Mel Brooks continues to set the standard for comedy across television, film, and the stage. Now, for the first time, this EGOT (Emmy, Grammy, Oscar, Tony) winner shares his story in his own words. Here are the never-before-told, behind-the-scenes anecdotes and remembrances from a master storyteller, filmmaker, and creator of all things funny. From The Producers to Blazing Saddles, Young Frankenstein to Anxiety and more, All About Me! offers fans fascinating and hilarious insight into Mel Brooks's outstanding collection of boundary-breaking work. Filled with tales of struggle, achievement and camaraderie, Brooks shares riveting details about his upbringing, his career and his many close friendships and collaborations including those with Gene Wilder, Alfred Hitchcock, and the great love of his life, Anne Bancroft. 'Not since the Bible have I read anything so powerful and poignant. And to boot - it's a lot funnier!' M. Brooks

young frankenstein script: *The Producers* Mel Brooks, Tom Meehan, 2001-11-28 This is the laugh-out-loud story of two scheming men, Bialystock, a shady producer, and Bloom, his nervous accomplice. Together they come up with the ultimate con: raise more money than needed, produce a show that is bound to flop, and pocket the change. Of course, all best laid plans are subject to be mucked up.

young frankenstein script: *Frankenstein - Kid Classics* Mary Shelley, 2021-09-28 Map and

list of characters on lining papers.

young frankenstein script: Existential Thread Rick Strater, 2020-07-14 Advanced 3-D printing has replaced agriculture and manufacturing as we know it. AI has made workers obsolete as robots have become smarter and more adaptable than humans. While new technologies offered the potential to improve lives, now they have become an existential threat to humans. When Jake Conary wakes up on a vast estate with no recollection of who he is or how he got there, the hunt begins for a vital piece of knowledge to which only he holds the key. Friend and foe scramble to help him recover his memory, but who can he trust? In this strange new world, nothing is as it seems. Every surface is a façade-some that will kill with the ease of a smile. As each day presents the threat of resetting his progress, Jake must sift through deception to find the truth. And when he uncovers a terrible revelation about the past, it's up to him to do everything in his power to change the future.

young frankenstein script: Dvd Savant Glenn Erickson, 2004-11-01 A compilation of selected review essays from Erickson's DVD Savant internet column.

young frankenstein script: The Bogleheads' Guide to Investing Taylor Larimore, Mel Lindauer, Michael LeBoeuf, 2006-04-20 Within this easy-to-use, need-to-know, no-frills guide to building financial well-being is advice for long-term wealth creation and happiness, without all the worries and fuss of stock pickers and day traders.

young frankenstein script: It's Good to Be the King James Robert Parish, 2008-02-01 This book traces the extraordinary life and career of Mel Brooks, who has ridden a wave of show business success perhaps unsurpassed by anyone of his generation. Offering many insights into the wacky world of Brooks and his many collaborators, as well as an intimate look into his successful marriage to the brilliant and beautiful actress Anne Bancroft, *It's Good to Be the King* might just be the most delightful, engaging, and entertaining biography you'll ever read.

young frankenstein script: Frankenstein Mary Mary Shelley, 2021-07-21 A masterpiece. A must-read.

young frankenstein script: The Allegory of the Cave Plato, 2021-01-08 The Allegory of the Cave, or Plato's Cave, was presented by the Greek philosopher Plato in his work Republic (514a-520a) to compare the effect of education (παιδεία) and the lack of it on our nature. It is written as a dialogue between Plato's brother Glaucon and his mentor Socrates, narrated by the latter. The allegory is presented after the analogy of the sun (508b-509c) and the analogy of the divided line (509d-511e). All three are characterized in relation to dialectic at the end of Books VII and VIII (531d-534e). Plato has Socrates describe a group of people who have lived chained to the wall of a cave all of their lives, facing a blank wall. The people watch shadows projected on the wall from objects passing in front of a fire behind them, and give names to these shadows. The shadows are the prisoners' reality.

young frankenstein script: Funny Man Patrick McGilligan, 2019-03-19 A deeply textured and compelling biography of comedy giant Mel Brooks, covering his rags-to-riches life and triumphant career in television, films, and theater, from Patrick McGilligan, the acclaimed author of *Young Orson: The Years of Luck and Genius on the Path to Citizen Kane* and *Alfred Hitchcock: A Life in Darkness and Light*. Oscar, Emmy, Tony, and Grammy award-winner Mel Brooks was behind (and sometimes in front the camera too) of some of the most influential comedy hits of our time, including *The 2,000 Year Old Man*, *Get Smart*, *The Producers*, *Blazing Saddles*, and *Young Frankenstein*. But before this actor, writer, director, comedian, and composer entertained the world, his first audience was his family. The fourth and last child of Max and Kitty Kaminsky, Mel Brooks was born on his family's kitchen table in Brooklyn, New York, in 1926, and was not quite three-years-old when his father died of tuberculosis. Growing up in a household too poor to own a radio, Mel was short and homely, a mischievous child whose birth role was to make the family laugh. Beyond boyhood, after transforming himself into Mel Brooks, the laughs that came easily inside the Kaminsky family proved more elusive. His lifelong crusade to transform himself into a brand name of popular humor is at the center of master biographer Patrick McGilligan's *Funny Man*. In this exhaustively researched and wonderfully novelistic look at Brooks' personal and professional life, McGilligan lays bare the

strengths and drawbacks that shaped Brooks' psychology, his willpower, his persona, and his comedy. McGilligan insightfully navigates the epic ride that has been the famous funnyman's life story, from Brooks's childhood in Williamsburg tenements and breakthrough in early television—working alongside Sid Caesar and Carl Reiner—to Hollywood and Broadway peaks (and valleys). His book offers a meditation on the Jewish immigrant culture that influenced Brooks, snapshots of the golden age of comedy, behind the scenes revelations about the celebrated shows and films, and a telling look at the four-decade romantic partnership with actress Anne Bancroft that superseded Brooks' troubled first marriage. Engrossing, nuanced and ultimately poignant, *Funny Man* delivers a great man's unforgettable life story and an anatomy of the American dream of success. *Funny Man* includes a 16-page black-and-white photo insert.

young frankenstein script: *The One-Act Play Disaster* Don Zolidis, 2019-08-15

young frankenstein script: *Remaking the Frankenstein Myth on Film* Caroline Joan S. Picart, 2012-02-01 Focusing on films outside the horror genre, this book offers a unique account of the Frankenstein myth's popularity and endurance. Although the Frankenstein narrative has been a staple in horror films, it has also crossed over into other genres, particularly comedy and science fiction, resulting in such films as *Abbott and Costello Meet Frankenstein*, *Young Frankenstein*, *The Rocky Horror Picture Show*, *Bladerunner*, and the *Alien* and *Terminator* film series. In addition to addressing horror's relationship to comedy and science fiction, the book also explores the versatility and power of the Frankenstein narrative as a contemporary myth through which our deepest attitudes concerning gender (masculine versus feminine), race (Same versus Other), and technology (natural versus artificial) are both revealed and concealed. The book not only examines the films themselves, but also explores early drafts of film scripts, scenes that were cut from the final releases, publicity materials, and reviews, in order to consider more fully how and why the Frankenstein myth continues to resonate in the popular imagination.

young frankenstein script: *Dead Accounts* Theresa Rebeck, 2017-12-11 Jack's unexpected return throws his family into a frenzy, and his sister Lorna needs answers. Is he coming home or running away? Where is his wife everyone hates? And how did he get all that money? Theresa Rebeck's new comedy tackles the timely issues of corporate greed, small town values, and whether or not your family will always welcome you back... with no questions asked.

young frankenstein script: *A New Brain* William Finn, James Lapine, 1999 an energetic, sardonic, often comical musical about a composer during a medical emergency. Gordon collapses into his lunch and awakes in the hospital, surrounded by his maritime-enthusiast lover, his mother, a co-worker, the doctor, and the nurses. Reluctantly, he had been composing a song for a children's television show that features a frog - Mr. Bungee - and the specter of this large green character and the unfinished work haunts him throughout his medical ordeal. What was thought to be a tumor turns out to be something more operable, and Gordon recovers, grateful for a chance to compose the songs he yearns to produce.--Publisher.

young frankenstein script: *3 Screenplays Ready for a Producer*, 2006-09 3 Screenplays Ready For A Producer is a unique storytelling device that allows the reader to read a typical screenplay and still be entertained by a compelling story. Or, three stories in this case. The first entry, *Finkelstein*, is a laugh-a-minute pre-quel to the ever popular Frankenstein story. It tells of the rivalry between Dr. Victor Frankenstein and his first cousin, Dr. Herbert Finkelstein. It has a raft of lively characters that maintain a non-stop pace throughout. *Your Face Or Mine* is a new version of the familiar ringer theme. A man's humdrum life is turned topsy-turvy when he discovers a millionaire who looks exactly like he does. Taking the millionaire's place is not as difficult as is solving the many unexpected twists and turns that he faces in his new life. *Some Assembly Required* is a farcical comedy that deals with the problems facing a group of the nation's armament makers when government budget cuts force them to conduct their war games with model planes and guns. A Dr. Strangelove aura pervades the story which is filled with a raft of off-the-wall characters. This book is delightfully good reading whether you're a film producer looking for a new project or just someone looking for some good reading.

young frankenstein script: Evil Dead George Reinblatt, 2010 Based on Sam Raimi's 80s cult classic films, EVIL DEAD tells the tale of 5 college kids who travel to a cabin in the woods and accidentally unleash an evil force. And although it may sound like a horror, it's not! The songs are hilariously campy and the show is bursting with more farce than a Monty Python skit. EVIL DEAD: THE MUSICAL unearths the old familiar story: boy and friends take a weekend getaway at abandoned cabin, boy expects to get lucky, boy unleashes ancient evil spirit, friends turn into Candorian Demons, boy fights until dawn to survive. As musical mayhem descends upon this sleepover in the woods, 'camp' takes on a whole new meaning with uproarious numbers like 'All the Men in my Life Keep Getting Killed by Candorian Demons,' 'Look Who's Evil Now' and 'Do the Necronomicon.'

young frankenstein script: Zits Jerry Scott, Jim Borgman, 1998-09 Collection of black-and-white cartoon strips featuring the adventures of Zits, a fifteen-year old boy.

young frankenstein script: The Nerd Larry Shue, 1984 THE STORY: Now an aspiring young architect in Terre Haute, Indiana, Willum Cubbert has often told his friends about the debt he owes to Rick Steadman, a fellow ex-GI whom he has never met but who saved his life after he was seriously wounded in Vie

young frankenstein script: Poking a Dead Frog Mike Sacks, 2014-06-24 A NEW YORK TIMES BESTSELLER NAMED A BEST BOOK OF THE YEAR BY NPR Amy Poehler, Mel Brooks, Adam McKay, George Saunders, Bill Hader, Patton Oswalt, and many more take us deep inside the mysterious world of comedy in this fascinating, laugh-out-loud-funny book. Packed with behind-the-scenes stories—from a day in the writers' room at The Onion to why a sketch does or doesn't make it onto Saturday Night Live to how the BBC nearly erased the entire first season of Monty Python's Flying Circus—Poking a Dead Frog is a must-read for comedy buffs, writers and pop culture junkies alike.

young frankenstein script: Framework Tom Stempel, 2000-11-01 The third edition of this history of the art and craft of screenwriting from the silents to the present provides information and stories about those who write and have written for film. Includes anecdotal insights into the working lives of directors, producers, and stars, as well as how American movies get made.

young frankenstein script: A Little Bit Wicked Kristin Chenoweth, 2009-04-14 Life's too short. I'm not. You might know her as a Tony Award-winning Broadway star, who originated the role of Galinda the Good Witch in the smash musical Wicked and won a Tony for 1999's You're a Good Man, Charlie Brown. Or you may recognize her from her starring roles on TV -- The West Wing, Pushing Daisies, Sesame Street...oh, and her Huge Hit Sitcom Kristin on NBC. (Huge hit. L.A. breast-implant huge. Ask either of the people who watched it.) Or maybe you saw her sexy spread in FHM magazine? Or her appearance on Pat Robertson's The 700 Club? Kristin is a wonderful collection of contradictions -- but everyone who's ever met her remembers her as the little girl with the big voice. At four foot eleven, Kristin Chenoweth is an immense talent in a petite but powerful package. In this lively, laugh-out-loud book, Kristin shares her journey from Oklahoma beauty queen to Broadway leading lady, reflecting on how faith and family have kept her grounded in the dysfunctional rodeo of show biz. The daughter of an engineer and a nurse, Kristin was singing in front of thousands at Baptist conventions by age twelve and winning beauty pageants by age twenty-two. (Well, actually she was second runner-up almost every freaking time. But, hey, she's not bitter.) On her way to a career as a professional opera singer, she stopped in New York to visit a friend and went on a whim to an audition. Through a combination of talent, hard work, and (she's quick to add) the grace of God, Kristin took Broadway by storm. But of course, into every storm, the occasional drizzle of disaster must fall. Filled with wit, wisdom, and backstage insight, A Little Bit Wicked is long on love and short on sleep; it's essential reading for Kristin's legions of fans and an uplifting story for anyone seeking motivation to follow his or her dreams -- over the rainbow and beyond.
