

bustartist comic

bustartist comic is a unique and intriguing genre within the world of graphic storytelling, known for its distinct artistic style and compelling narratives. This form of comic art combines dynamic character designs, often focusing on expressive bust portrayals, with engaging storylines that captivate readers. The bustartist comic style emphasizes detailed facial expressions and upper body anatomy, providing an intimate connection between the characters and the audience. This article explores the origins, characteristics, and evolving trends of bustartist comics, offering insights into why this genre continues to grow in popularity. Additionally, it covers key artists, publishing platforms, and community engagement, making it a comprehensive guide for enthusiasts and newcomers alike. Understanding the nuances of bustartist comics will enrich appreciation for this specialized art form. The following sections will delve deeper into these topics for a thorough exploration.

- Origins and Evolution of Bustartist Comic
- Distinctive Features of Bustartist Comic
- Notable Bustartist Comic Creators
- Popular Themes and Storytelling Techniques
- Platforms and Communities Supporting Bustartist Comics
- Future Trends in Bustartist Comic Art and Storytelling

Origins and Evolution of Bustartist Comic

The bustartist comic genre has its roots in both traditional comic art and portrait-style illustration. Initially, comics focused on full-body character depictions; however, artists seeking to emphasize emotional depth and character expression began experimenting with close-up, bust-centered artwork. This shift allowed for more detailed facial features, nuanced emotions, and a stronger connection to character psychology. Over time, the bustartist comic evolved as a recognized style, blending classic comic elements with portrait artistry.

Historically, the evolution of this genre has been influenced by various art movements and technological advancements. The rise of digital illustration tools enabled artists to refine their techniques and produce high-quality bust portraits with greater ease. Additionally, the growth of online comic platforms created a broader audience and community around this unique style. Today, bustartist comics continue to evolve by integrating mixed media, animation, and interactive storytelling, reflecting changing reader preferences and artistic innovation.

Distinctive Features of Bustartist Comic

Bustartist comics are characterized by several defining features that set them apart from traditional comic styles. These features contribute to the genre's appeal and effectiveness in storytelling.

Emphasis on Character Expression

The hallmark of bustartist comics is the focus on the character's bust, including the head, neck, and shoulders. This framing highlights facial expressions, making emotional communication more vivid and nuanced. Artists use shading, line work, and color to enhance feelings such as anger, joy, sorrow, or determination.

Detailed Anatomy and Artistic Precision

High attention to anatomical accuracy distinguishes bustartist comic art. The depiction of muscles, bone structure, and skin texture around the bust area adds realism and depth. This precision often requires advanced drawing skills and knowledge of human anatomy.

Use of Color and Lighting

Color palettes in bustartist comics are carefully chosen to complement the mood and tone of the narrative. Lighting effects play a crucial role in emphasizing features and creating atmosphere, whether through dramatic shadows or soft highlights. These techniques enhance the storytelling by visually reinforcing the character's emotional state.

Minimal Backgrounds

Unlike comics that emphasize elaborate backgrounds, bustartist comics often use minimal or abstract backgrounds. This choice directs the viewer's attention entirely to the character, reinforcing the intimate and focused nature of the genre.

- Close-up framing of character busts
- Rich facial expression detail
- Accurate anatomical representation
- Strategic use of color and lighting
- Minimalistic or abstract backgrounds

Notable Bustartist Comic Creators

The bustartist comic genre boasts a range of talented creators who have contributed to its development and popularity. These artists are recognized for their mastery of character expression and innovative techniques.

Prominent Artists and Their Styles

Some creators specialize exclusively in bustartist comics, while others incorporate this style into broader comic work. Their unique approaches often inspire emerging artists and shape the genre's direction.

Impact on the Comic Industry

Leading bustartist comic creators have influenced mainstream comics by introducing new standards for emotional depth and artistic detail. Their work has expanded the possibilities for character-focused storytelling, encouraging publishers and audiences to appreciate this niche art form.

Popular Themes and Storytelling Techniques

Bustartist comics often explore complex themes that benefit from the intimate focus on character expression. The storytelling techniques utilized are tailored to the genre's strengths.

Character-Driven Narratives

The emphasis on the bust allows for deep exploration of characters' inner worlds. Stories frequently focus on personal struggles, emotional conflicts, and psychological development, making the characters relatable and compelling.

Use of Symbolism and Visual Metaphors

Artists incorporate symbolic elements within the bust or surrounding space to enhance narrative meaning. This might include symbolic colors, facial markings, or subtle background cues that complement the character's journey.

Dialogue and Monologues

Dialogue in bustartist comics is often sparse but impactful, with monologues or internal thoughts playing a significant role. This technique leverages the visual intensity of the bust images to convey mood and tension effectively.

- Emotional and psychological depth
- Symbolic visual elements
- Focused and impactful dialogue
- Character-centric storytelling

Platforms and Communities Supporting Bustartist Comics

The growth of bustartist comics is closely linked to the emergence of digital platforms and online communities that foster creativity and audience engagement.

Online Publishing Platforms

Many bustartist comic artists publish their work on webcomic platforms, social media, and dedicated art sites. These platforms provide tools for sharing, feedback, and monetization, enabling artists to reach global audiences.

Community Forums and Social Media Groups

Communities centered around bustartist comics offer spaces for discussion, critique, and collaboration. These groups help artists improve their craft and connect with fans who appreciate the genre's unique qualities.

Events and Conventions

Specialized comic conventions and art events sometimes feature bustartist comic showcases, panels, and workshops. These gatherings support artist networking and promote the genre to wider audiences.

Future Trends in Bustartist Comic Art and Storytelling

The future of bustartist comics is promising, with ongoing innovations in technology and narrative techniques shaping the genre's trajectory.

Integration of Digital Animation

Advances in digital animation allow bustartist comics to incorporate subtle motion, enhancing the emotional impact of facial expressions and gestures. This hybrid approach enriches storytelling by adding dynamic elements to static art.

Enhanced Interactivity

Interactive comics that respond to reader choices are becoming more prevalent. Bustartist comics may adopt this trend by allowing users to influence character emotions or story outcomes, creating personalized narrative experiences.

Cross-Media Expansion

Bustartist comics are increasingly inspiring adaptations into other media, such as animated series, video games, and virtual reality experiences. This expansion broadens the reach and cultural significance of the genre.

Chapter 4: Digital Drawing Basics: Essential software and techniques for creating digital comics.

(Or: Traditional Drawing Basics if you're focusing on that.)

Chapter 5: Inking and Coloring: Bringing your characters to life with vibrant visuals.

Chapter 6: Self-Publishing Your Comic: Getting your work out there and finding your audience.

Conclusion: Maintaining momentum and continuing your comic journey.

Bustartist Comic: From Idea to Ink - A Comprehensive Guide

Introduction: Why Bustartist Comics? Defining Your Style and Audience

The world needs more laughter, and your unique perspective deserves to be shared. Bustartist comics, with their focus on humor and often slightly off-kilter characters, provide a fantastic platform for expressing your creativity. This introduction sets the stage for your comic journey by helping you identify your niche and target audience.

What makes your comic unique? Consider the following:

Humor style: Are you going for slapstick, dark humor, witty observations, absurdist comedy, or a blend? Understanding your preferred comedic approach is crucial for establishing a consistent tone.

Character archetypes: Will your comic feature relatable every-day characters, fantastical beings, or a mix? Thinking about your character types helps solidify your comic's overall feel and plot potential.

Target audience: Who are you creating this comic for? Identifying your target audience informs your artistic style, writing tone, and even the platforms you'll use for distribution. Are you aiming for kids, teens, adults, or a specific demographic?

Visual style: Consider your artistic capabilities and preferences. Will your style be simple and clean, intricate and detailed, or somewhere in between? Experiment with different styles to find the one that best complements your storytelling.

Chapter 1: Character Creation: Developing Memorable, Funny, and Relatable Characters

Creating memorable characters is the bedrock of any successful comic. Your characters are the vehicles through which your story unfolds, so making them engaging and relatable is paramount.

Key steps in character design:

Concept sketching: Start with simple sketches, exploring different body types, expressions, and clothing styles. Don't be afraid to experiment!

Personality development: Give each character a distinct personality, quirks, and motivations. What are their strengths and weaknesses? What are their goals and desires?

Backstory creation: Even minor characters benefit from a little backstory. This adds depth and can inform their actions and interactions within the comic.

Visual design: Translate your character's personality into their visual appearance. Their clothing, hairstyles, and overall design should reflect their inner self.

Character sheet: Create a character sheet to keep track of important details like name, age, personality traits, and backstory.

Chapter 2: Storytelling 101: Crafting Compelling Narratives, Jokes, and Gags

A strong narrative is crucial for keeping readers engaged. Even the most visually stunning comic will fall flat without a compelling story.

Key aspects of comic storytelling:

Plot structure: Use a classic plot structure (exposition, rising action, climax, falling action, resolution) or experiment with non-linear storytelling techniques.

Pacing: Vary the pace of your story to keep readers engaged. Use quick cuts for action sequences and slower panels for dialogue and character development.

Humor: Develop your comedic timing. Learn the art of the punchline, the unexpected twist, and the subtle observation.

Dialogue: Write realistic and engaging dialogue that reflects your characters' personalities.

Subtext: Use subtext to add layers of meaning and complexity to your story.

Chapter 3: Panel Layout and Composition: Mastering Visual Storytelling Techniques

Panel layout is crucial for guiding the reader's eye and creating a dynamic reading experience.

Key aspects of panel layout:

Panel size and shape: Experiment with different panel sizes and shapes to create visual interest and emphasize specific moments.

Panel arrangement: The arrangement of panels influences the flow of the story. Consider using techniques like gutters, splash pages, and montage sequences.

Perspective and angles: Vary your perspective and angles to create visual interest and change the reader's point of view.

Visual storytelling: Use visual cues such as body language, expressions, and environmental details to enhance your storytelling.

Guide the reader's eye: Use visual cues like lines and arrows to guide the reader's eye through the panels.

Chapter 4: Digital Drawing Basics (or Traditional Drawing Basics): Essential Software and Techniques for Creating Digital Comics

This chapter focuses on the technical aspects of comic creation. (Choose either digital or traditional depending on your focus). If Digital, cover software like Clip Studio Paint, Photoshop, etc. If Traditional, cover materials, pencils, inks, etc.

Chapter 5: Inking and Coloring: Bringing Your Characters to Life with Vibrant Visuals

This chapter covers the finishing touches of your artwork. Techniques for inking and coloring will greatly enhance the overall quality of your comic.

Chapter 6: Self-Publishing Your Comic: Getting Your Work Out There and Finding Your Audience

This chapter covers platforms for publishing your comic, including webcomics, print-on-demand, and self-publishing. Marketing strategies are crucial.

Conclusion: Maintaining Momentum and Continuing Your Comic Journey

This conclusion offers advice on maintaining your creative energy, building a community, and continuing your comic creation process.

FAQs

1. What software is best for creating digital comics? Clip Studio Paint is a popular choice, but Photoshop and Procreate are also excellent options.
2. How do I develop a unique comic style? Experiment with different styles and find one that suits your personality and storytelling approach.
3. Where can I find inspiration for my comic? Look to other comics, movies, books, and even everyday life for inspiration.
4. How do I overcome creative block? Try brainstorming, sketching, or taking a break from your work.
5. How long does it take to create a comic? It depends on the length and complexity of the comic.

6. How can I promote my comic? Use social media, online forums, and comic conventions to promote your work.
7. How much should I charge for my comic? Consider the length, complexity, and your target audience when pricing your comic.
8. What are some common mistakes to avoid when creating a comic? Avoid inconsistent art styles, unclear storytelling, and neglecting character development.
9. What are some resources available to help me learn more about comic creation? Online tutorials, workshops, and books are excellent resources.

bustartist comic: *Erotic Comics* Aline Kominsky Crumb, Gene Kannenberg Jr, Tim Pilcher, 2011-05-03 Crammed full of exquisite art from around the world, with fascinating background stories about the artists, editors and publishers, *Erotic Comics: A Graphic History* examines how this much maligned artform developed into a publishing phenomenon that spans the globe. Volume 1 delves deep into comic history, from the bawdy English cartoons of the 17th century, through the magazines impacted by the two World Wars, up to contemporary magazine titles such as *Penthouse* and *Hustler*. The book bulges with sassy postcards, provocative Tijuana Bibles, salacious pin-ups, shocking '50s bondage comics, cheeky cartoons and liberated '60s underground comix. *Erotic Comics: A Graphic History* is perfect for fans of adult comics, art history and erotic illustrations.

bustartist comic: **10th Muse: Crossovers Volume 1** Darren G. Davis, 2010 Throughout the years the 10th Muse has teamed up with some of the top comics such as Shi, Savage Dragon, Tellos, Legend of Isis, and Judo Girl. All these amazing stories brought to you by top comic talent as Billy Tucci, Erik Larsen, Marv Wolfman, Roger Cruz, and Mike Wieringo are now gathered together in this single graphic novel. Also included is a never-before-seen crossover with Indie favorite Koni Wave!

bustartist comic: Not Your Mother's Meatloaf Saiya Miller, Liza Bley, 2013-07-30 As teenagers today navigate increasingly fluid identities and choices, there is a demand for an accessible, interactive tool to help share knowledge about sex and sexual health; one that demystifies the facts and speaks frankly about experiences whose lessons often fall into the grey areas. Since 2008, Miller and Bley have held an open call for young people to create comics that address a variety of topics involved with sex education. We have since produced several issues of a sex-ed comic called *Not Your Mother's Meatloaf*. The work is chosen from a vastly varied group of submissions and attempts to challenge hetero and gender normative practices in sex education. The comics address topics like body image, safer sex, consent, and relationships, from positions that have historically been left out of sex education. These graphically illustrated personal narratives address different themes, such as "Firsts," "Bodies," "Health," "Age," and "Endings." The book will bring together the best of the material from the *Not Your Mother's Meatloaf* comics, along with new graphic stories and writing by the editors providing personal and sociological background.

bustartist comic: Lakeland: Lakeland Community Heritage Project Inc., 2012-09-18 Lakeland, the historical African American community of College Park, was formed around 1890 on the doorstep of the Maryland Agricultural College, now the University of Maryland, in northern Prince George's County. Located less than 10 miles from Washington, D.C., the community began when the area was largely rural and overwhelmingly populated by European Americans. Lakeland is one of several small, African American communities along the U.S. Route 1 corridor between Washington, D.C., and Laurel, Maryland. With Lakeland's central geographic location and easy access to train and trolley transportation, it became a natural gathering place for African American social and recreational activities, and it thrived until its self-contained uniqueness was undermined by the federal government's urban renewal program and by societal change. The story of Lakeland is the tale of a community that was established and flourished in a segregated society and developed its own institutions and traditions, including the area's only high school for African Americans, built in 1928.

bustartist comic: *Myth Trial* Dan Standing, 2022-01-04 Candace is a lawyer with plenty of enemies at her firm. When she finds a genie, Tiani, she brings her to the office so her partners can help her retire by turning her into the complete opposite of herself - a bimbo. All Amber, Ginger, and

Brandy have to do is be willing to take on the same sexy changes to themselves for a bit...how hard could that be? But Candace has more planned than her enemies think. And can she convince the genie to see past three wishes and sign on for an even bigger idea? MYTH TRIAL: VOLUME ONE contains 36 comic pages illustrated by the amazing OneDollarBilly, and includes the Bimbo By Committee and Discovery chapters of Dan Standing's ongoing erotic transformation comic. This book contains nudity, breast expansion and other sexy body alterations, fun with bimbo tropes, twinning, clothes alteration, and a budding romance between two powerful ladies from very different worlds! Readers must be 18+.

bustartist comic: She Draws Comics Trina Robbins, 2002 Various stories of women in the comic book industry and how they got started in it.

bustartist comic: Ariane & Bluebeard Matthew G. Brown, Thomas Emil Homerin, 2022-11 — Matthew Brown developed this project through his founding of TableTopOpera, a group of scholars and performers committed to performing multimedia projects promoting classical music to general audiences. TableTop's production, a reductionist fantasy based on Ariane et Barbe-bleue, played an adaptation of Paul Dukas's original score while panels of P. Craig Russell's popular graphic novel Ariane and Bluebeard, Op. 26 streaked across the auditorium screen. Brown wrote the score and the show was called a miracle of collaborative creation thanks to all editing decisions made in regard not only to Brown's profound knowledge of the epoch and Russell's passion for the opera but of the demanding virtuosos who would be playing it, for the multimedia skills it would require – and for a strong commitment to the integrity of the original score. Th. Emil Homerin produced the show. This book, based off the performance project, already is being marketed through TableTopOpera. Contributors to the volume include an opera singer and instructor from the Metropolitan Opera's production of Bluebeard's Castle, the celebrated comic and graphic artist P. Craig Russell, and scholars in classics, religion, history, women and gender studies, and rare books. — Although the premier of Ariane et Barbe-bleue is frequently lauded as a landmark in operatic history, there is at present no book devoted solely to its history, structure, reception, and cultural implications. — This book will stand out on our music list and contribute to our reputation for publishing books on multimedia topics by touching on such diverse subjects as opera, comic books, and animated movies. Further, it contributes to our list of significant works on women and gender studies. — Our target audience includes students, scholars, and readers interested in musicology, particularly Paul Dukas, French music, and multimedia opera. Other related interests include histories of print, multimedia, and comic works, philosophical discussion of Plato and mysticism, and French symbolist literature.

bustartist comic: Pirates in the Heartland Patrick Rosenkranz, S. Clay Wilson, 2014-07-19 The is the definitive account of the boldest and most audacious of the legendary underground cartoonists: the taboo busting, eyeball blistering S. Clay Wilson. This first volume contains all of his underground comic stories from Zap Comix, Snatch, Gothic Blimp Works, Bogeyman, Felch, Insect Fear, Pork, Tales of Sex and Death, and Arcade magazine as well as the many adventures of the Checkered Demon, Star-Eyed Stella, and Captain Pissgums, and even his earliest collaborations with William Burroughs. Also: selections from his teenaged and college years, both in comics and painting form. First person accounts from his peers, as well as Wilson's own words, offer a revealing portrait of the artist who hid his shyness behind brash behavior and bluster. This first of a three-volume biography and retrospective gets to the heart and soul of an artist who lived his dreams and his nightmares.

bustartist comic: From Girls to Grrrlz Trina Robbins, 1999-07-30 Chronicles 50+ years of authors, artists, trends, & characters of girl comics. A terrific tribute to the great 2-dimensional women of the 20th cent. -- from the bubble-headed bombshells of the 40s to the lovelorn ladies of the '50s to the wimmin's libbers of the 70s to the grrrowling grrrlz of today. Illustrated with plenty of rare comic-book art, this book bridges the gap between Ms. & Sassy magazines, Miss America & Naomi Wolf, reminding us how comic-book characters reflect our changing culture. Covers Katy Keene & her fabulous fashions, the musical mischief of Josie & the Pussycats, the hatchet-wielding Hothead Paisan, & more. A colorful & hilarious tribute to the artists, authors, & characters who have

been entertaining women of all ages for years.Ó

bustartist comic: *From Girls to Grrrlz* Trina Robbins, 1999-04-01 Boys aren't the only ones who read comics—girls do too! From Betty and Veronica to Slutburger and Art Babe, *Girls to Grrrlz* explores the amazing but true history of girl comics. Pop culture fans will delight in author Trina Robbins's chronological commentary (with attitude) on the authors, artists, trends, and sassy, brassy characters featured in comic books for the last half-century. Meet the bubble-headed bombshells of the '40s, the lovelorn ladies of the '50s, the wimmin libbers of the '70s, and the grrrowling grrrlz of today. Her commentary is paired with a ton of rare comic book art pulled from the best girl comics published since World War II. Bridging the gap between Ms. and Sassy, between Miss America and Naomi Wolf, *From Girls to Grrrlz* reminds us how comic book characters humorously—and critically—reflect our changing culture.

bustartist comic: *The Wonderful World of Tank Girl #4* Alan Martin, 2018-04-18 An old friend turns up, presenting Tank Girl with a problem that can only be solved by taking a dive, deep into the rabbit-hole of her own subconscious! Prepare to freak out, Man!

bustartist comic: *Gladys Parker: a Life in Comics, a Passion for Fashion* Trina Robbins, 2021-07-20 Hermes Press is coming to slay the fashion industry- with some HERstory! Gladys Parker: A Life in Comics, A Passion for Fashion explores the history behind Mopsy and her creator Gladys Parker! This beautiful book will also provide a rarely seen collection of Mopsy stories and many of Parker's earlier strips. Cartoonist Gladys Parker was unique in comics. As with Frida Kahlo, it was impossible to tell where her art left off and its creator began. Parker mixed fashion and comics and created classic characters that mimicked her sense of fashion. In fact, Parker was an exact double for her ink-and-paper creation, Mopsy. Tarpe Mills and Dale Messick both dressed to kill and included paper dolls featuring their heroines' chic 1940s wardrobes. Tarpe Mills and Lily Renee were fashion models before they drew comics. But only Gladys Parker (and one other)* was a fashion designer with a successful line of clothing while at the same time drawing an equally successful comic strip. Parker's dresses bearing the Gladys Parker label were sold at her own New York shop and at high-end department stores across the country - and she also found the time to costume Hollywood movies and the beauties that starred in them! Who better to chronicle the story of Gladys Parker than comics herstoryian Trina Robbins, who in the 1960s designed clothes for hippies and rock stars out of her East Village boutique, while drawing underground comix?

bustartist comic: *Daredevil* David Mack, 2021 Collects *Daredevil* (1998) #51-55. Maya Lopez, dubbed Echo by the press, is a young deaf woman capable of replicating any action she sees—including an individual's fighting style. She once nearly took down *Daredevil*, believing him to be the one who killed her father. After learning that it was actually Wilson Fisk, her legal guardian, who was responsible, she shot him and left New York in an attempt to discover herself. Now, with her perceptions completely altered, can she make sense of the world? Echo embarks on a Native American vision quest to pick up the pieces of her shattered life.

bustartist comic: *God and Science* Jaime Hernandez, 2012-08-16 The director's cut edition of the sprawling super-hero epic from *Love and Rockets*. Originally serialized in *Love and Rockets New Stories*, "Ti-Girls Adventures" managed to be both a rollickingly creative super-hero joyride (featuring three separate super-teams and over two dozen characters) that ranged from the other side of the universe to Maggie's shabby apartment, and a genuinely dramatic fable about madness, grief, and motherhood as Penny Century's decades-long quest to become a genuine super-heroine are finally, and tragically, fulfilled. In addition to introducing a plethora of wild new characters, *God and Science* brings in many older characters from Jaime's universe, some from seemingly throwaway shorter strips and some from Maggie's day-to-day world (including some real surprises). The main heroine of the story, forming a bridge between the "realistic" Maggie stories and the super-heroic extravaganza is "Angel," Maggie's sweet-tempered and athletic new roommate and best friend, and now herself an aspiring super-heroine.

bustartist comic: *Naked Cartoonists* Gary Groth, Mark Cohen, 2012-10-10 The dream, of cartooning aficionados everywhere, revealed in hushed tones only within the cult itself, is to know

what their favorite cartoonist looks like —naked. Finally, a book that satisfies this unspoken fetish among cartoon fanatics. Presenting *Naked Cartoonists*: Over 70 artists' nude self-portraits, including Sergio Aragonés, Art Spiegelman, Will Eisner, Charles Schulz, Mort Walker, Scott Adams, Al Jaffee, Ann Telnaes, Jeff Smith, Trina Robbins, Lynn Johnston, Russell Myers, and dozens more. Cartoonists are notoriously physically lovely, well-proportioned, statuesque, graceful, and always with a twinkle in their eyes, so in order not to make their readers envious or resentful, they often depict themselves in deliriously outlandish or humiliating situations and usually festooned with self-deprecating anatomical features. This is where cartoonists have to rely on nothing but their wit, inventiveness, and desperation to make themselves look as unattractive as humanly possible. In other words, as far from reality as they can possibly get. The cartoonists in this book succeed mightily at this gallant effort.

bustartist comic: *Barbarella #5* Mike Carey, 2018-04-11 Barbarella's never ending quest to repair her ship's regulator and be on her way takes a detour to Falladim, where there's a rush on for R.U.S.T.—Radically Unstable Space-Time! The rarest and most valuable stuff in the universe, even Barbarella can't resist its mighty call. But competition brings out the worst in humans and aliens alike, and the Siren of Space is about to see what the worst really is!

bustartist comic: *Drawn Together* Aline Crumb, R Crumb, 2012-10-02 Rumored for years, *Drawn Together* finally charts the daily exploits and erotic craziness of this "First Couple" of comics. Who could have imagined that in 1972, when Aline Kominsky, a Long Island escapee and bodaciously talented artist, broke her foot one rainy fall day, it would result in the most unique collaboration in comics history? Laid up in her house, she was persuaded by R. Crumb, her nerdy, neurotic boyfriend, to pass the time drawing together a "two-man" comic. The result is a jaw-dropping yet tender account, not only of the joys and challenges of a legendary marriage but also of the obstacles faced by struggling female artists. In *Drawn Together*, our foremost male-female cartooning couple recall their success at shocking America with *Weirdo Magazine*, the life-altering birth of their precocious daughter Sophie, and their astonishing move to the safe haven of France. With an irresistible introduction and a striking four-color section, *Drawn Together* becomes a graphic cause-célébre and a must-have for any comics devotee.

bustartist comic: *Neither Here Nor Hair* Alisha Jade, 2018-06

bustartist comic: *Tomboy* Liz Prince, 2014-09-02 Growing up, Liz Prince wasn't a girly girl, but she wasn't exactly one of the guys either (as she learned when her little league baseball coach exiled her to the distant outfield). She was somewhere in between. But with the forces of middle school, high school, parents, friendship, and romance pulling her this way and that, the middle wasn't an easy place to be. *Tomboy* follows award-winning author and artist Liz Prince through her early years and explores—with humor, honesty, and poignancy—what it means to be a girl. From staunchly refuting girliness to the point of misogyny, to discovering through the punk community that your identity is whatever you make of it, *Tomboy* offers a sometimes hilarious, sometimes heartbreaking account of self-discovery in modern America.

bustartist comic: *Angels and Magpies* Jaime Hernandez, 2017-12-13 This collects the stories from Vol. 3 of the *Love and Rockets* comic book, including the LA Times Book Prize-winning *Love Bunglers*, and much more. The sublime, the superpowered, and the senior citizen converge in *Angels and Magpies*, which collects the *Gods and Science: Return of the Ti-Girls* and *Love Bunglers* storylines from the *Love and Rockets: New Stories* series, as well as Hernandez's 2006 serial for the New York Times. In the latter, Maggie pays a visit to Queen Rena, who is living out her twilight days on an island after a lifetime as a wrestler and an adventuress. In the *Ti-Girls* segment, superheroics get a screwball spin when Angel of Tarzana and Maggie square off against Dark Penny Century. In the *Love Bunglers*, held as perhaps Hernandez's greatest masterpiece in his thirty-five-year career, and one of the great graphic novels of all time (it was hailed by *Slate* and *Publishers Weekly* as one of the best stories of the year), the past and present converge as Maggie and Ray's reunion is threatened by long-buried family secrets.

bustartist comic: *May the Best Man Win* SigmaX, 2021-04-30

bustartist comic: The Art of Doug Sneyd: a Collection of Playboy Cartoons Doug Sneyd, 2016 Doug Sneyd's scintillating cartoons have graced the pages of Playboy magazine since the early 1960s. This collection features nearly three hundred of the most sumptuous, striking, and hilarious of Doug's full-page, full-color cartoons. Readers will be charmed by the gorgeous, scantily (and even non-) clad 'Sneyd' girls and the clever one-liners they so ably illustrate.--Page 4 of cover.

bustartist comic: Scarlet Brian Michael Bendis, 2022-06-14 Brian Michael Bendis, co-creator of Miles Morales, Naomi, and Jessica Jones, teams up with his superstar co-creator and Iron Man and Daredevil collaborator Alex Maleev in this complete omnibus collection of their fearless political thriller set in the seedy underbelly of Portland, Oregon. A young woman is pushed to the edge by a world filled by police brutality, government corruption, and unspeakable crimes. After a mysterious murder and a near-death experience, Scarlet Rue wakes from a coma with her world shattered. Fueled by rage, guilt, and her vision of a better future; she takes the fight to her oppressors... and anyone else who gets in her way. Striking back against the corrupt cops who tore her life apart and sparks an uprising in this all too real tale of power, corruption, and lies. Collects the complete Scarlet: Series I issues #1-10 and Series II #1-5. Complete with behind the scenes material, sketches, and design concepts from both Bendis and illustrator Alex Maleev.

bustartist comic: My Most Secret Desire Julie Doucet, 2006-06-13 One of the most promising of the younger graphic novelists. —Charles McGrath, The New York Times Magazine Considered by many to be the most influential female cartoonist ever, Julie Doucet created an iconic body of work in the ten short years she solely devoted herself to her trailblazing comic-book series Dirty Plotte. Her comics are densely inked and detailed with a pulsating neurosis from a decidedly female point of view that set the comic-book world on its head when the series debuted. Doucet returns to comics after a five-year hiatus with a reworked edition of her dream journal My Most Secret Desire, complete with never-before-published material. My Most Secret Desire is considered to be Doucet 's most innovative work, exploring the longings, pressures, and exploits of the feminine subconscious. Nightmarish tales of pregnancy, menstruation, sex changes, and boyfriends haunt Doucet's nocturnal psyche with a feverish and surreal pitch.

bustartist comic: But I Digress Peter David, 1994 Direct from the writing vaults of Peter David come his best columns from the pages of Comics Buyer's Guide. Sections include: Comic Books Variations on a Theme; Fun With Publishers; and more. Front cover by Neil Gaiman. Back cover by John Byrne.

bustartist comic: The Playboy Chester Brown, 1992-12 D&Q's first ever graphic novel, published in 1992, this is an excellent companion to I Never Liked You. Stark and expressionistic, this is Chester Brown's frank and unsettling account of first his adolescent and then adult relationship with pornography. It begins in 1975 with an abandoned copy of Playboy..
