Understanding Spiritual Spouses

Spiritual spouses refer to supernatural entities believed to engage in intimate relationships with individuals, often without their conscious consent. These spirits are sometimes described as demons, ancestral spirits, or otherworldly beings that attach themselves to people, influencing their thoughts, emotions, and behaviors. The concept is prevalent in various cultural and religious traditions, where spiritual spouses are thought to hinder personal growth, marital relationships, and spiritual well-being.

Definition and Origins

The term "spiritual spouse" typically denotes a spirit that masquerades as a lover or partner, creating a bond that feels very real to the affected person. This phenomenon can be traced back to ancient spiritual beliefs, where spirits were believed to interact with humans on multiple levels. In many cases, spiritual spouses are linked to curses, ancestral pacts, or occult practices that open doors to demonic attachments.

Common Types of Spiritual Spouses

Spiritual spouses can manifest in various forms, including:

- Incubus and Succubus: Male and female demons respectively, believed to seduce humans in dreams.
- Ancestral Spirits: Spirits of deceased relatives who form unhealthy bonds with descendants.
- Nature Spirits or Elementals: Spirits associated with natural elements that may attach due to occult involvement.
- Familiar Spirits: Demonic entities that serve witches or sorcerers and bind to individuals.

Signs and Symptoms of Spiritual Spouse Influence

Recognizing the presence of a spiritual spouse is crucial for initiating deliverance. The influence of these spirits often manifests in physical, emotional, and spiritual symptoms that disrupt a person's life significantly.

Physical Manifestations

Physical symptoms may include unexplained fatigue, insomnia, sexual dysfunction, frequent nightmares, and sudden illnesses. These signs often appear without a medical explanation and persist despite conventional treatments.

Emotional and Psychological Effects

Emotional instability, feelings of being controlled, depression, anxiety, and obsessive thoughts about a mysterious partner are common indicators. Some individuals report experiencing intense loneliness despite being in relationships, or a strong, unexplainable attraction or attachment to an unseen entity.

Spiritual and Relational Impact

Spiritual spouses often cause a decline in faith, increased temptation to sin, and a breakdown in marital or family relationships. There may be a sense of guilt, shame, or condemnation that hinders spiritual growth and community involvement.

Causes and Entry Points of Spiritual Spouses

Understanding how spiritual spouses gain access to individuals is vital for both prevention and

deliverance. Various factors and actions can open doors to these unwanted attachments.

Occult Practices

Engagement in occult activities such as witchcraft, divination, spiritism, or use of talismans can create vulnerabilities. These practices invite spiritual entities that can establish spiritual spouse relationships.

Sexual Immorality and Covenant Agreements

Sexual sins, especially those involving multiple partners or involvement with occult practitioners, can lead to covenant bonds with spiritual spouses. Such covenants create legal rights for these spirits to attach and influence the individual.

Generational and Ancestral Factors

Family curses, ancestral sins, and inherited spiritual strongholds can predispose individuals to spiritual spouse attachments. Unresolved spiritual issues within a family line often manifest as spiritual bondage in descendants.

Emotional and Spiritual Vulnerabilities

Loneliness, emotional trauma, rejection, and neglect can make a person more susceptible to spiritual spouse influence. Spirits exploit these vulnerabilities to establish control and intimacy.

Methods of Deliverance from Spiritual Spouses

Effective deliverance from spiritual spouses requires a comprehensive approach combining spiritual, psychological, and practical measures. Deliverance aims to break the bond, remove the entity, and restore the individual's freedom.

Prayer and Fasting

Prayer is central to deliverance, invoking divine authority to break spiritual chains. Fasting intensifies spiritual sensitivity and power, helping to overcome strongholds. Specific prayers of renunciation and binding are often used.

Renunciation and Breaking Covenants

Individuals must consciously renounce any involvement in occult activities, sexual immorality, or agreements that opened doors to spiritual spouses. Breaking these covenants involves declaring freedom from past sins and spiritual contracts.

Deliverance Ministry

Seeking help from experienced deliverance ministers or pastors is recommended. These leaders provide guided prayers, spiritual warfare support, and counseling to ensure complete liberation.

Use of Scripture and Worship

Scriptural declarations, such as verses affirming authority over demons, are powerful tools in deliverance. Worship and praise also invite God's presence, which repels evil spirits and strengthens the believer.

Steps to Deliverance

1. Acknowledge the presence of the spiritual spouse and desire deliverance.
2. Confess and repent of any sin or covenant that opened access.
3. Renounce all ties with the spiritual spouse in the name of Jesus Christ.
4. Command the spirit to leave and break all bondages.
5. Receive healing and restoration through prayer and worship.
6. Seek ongoing spiritual support and accountability.

Spiritual Warfare and Protection

Deliverance from spiritual spouses is part of broader spiritual warfare, involving constant vigilance and protection against demonic attacks.

Armor of God

Believers are encouraged to put on the full armor of God as described in Ephesians 6:10-18, which includes the belt of truth, breastplate of righteousness, gospel of peace, shield of faith, helmet of salvation, and the sword of the Spirit. This armor provides defense against spiritual assaults.

Prayer and Vigilance

Regular prayer, fasting, and meditation on God's Word build spiritual resilience. Staying alert to temptations and attacks helps prevent re-entry of spiritual spouses.

Community and Accountability

Engaging with a faith community provides support, encouragement, and protection. Accountability partners can help maintain spiritual boundaries and encourage continued growth.

Maintaining Freedom After Deliverance

After deliverance from spiritual spouses, maintaining freedom requires intentional spiritual discipline and lifestyle changes.

Continued Repentance and Holiness

Ongoing repentance and commitment to a holy lifestyle prevent re-entry of spirits. Avoiding previous sinful behaviors and occult practices is essential.

Strengthening Spiritual Life

Daily Bible study, prayer, worship, and fellowship strengthen the spirit and build a protective barrier against attacks.

Healthy Relationships

Building and maintaining healthy relationships with family and community reduces emotional vulnerabilities that spirits exploit.

Professional Counseling

Seeking counseling or therapy may be necessary to address emotional trauma and psychological effects caused by spiritual spouse influence.

deliverance from spiritual spouses: Heavenly Bridegrooms (Jabberwoke Pocket Occult) Ida Craddock, 2021-09 Heavenly Bridegrooms, reprinted in the medical journal Alienist and Neurologist, has been left entirely unedited by Mr. Theodore Schroeder, with the exception of a brief explanatory

note. I must say that it is one of the most human documents ever produced, and it should certainly find a regular publisher in book form. The authoress of the MS. claims that she was the wife of an Angel. She expounds at the greatest length the philosophy connected with this thesis. Her learning is enormous. She finds traces of similar beliefs in every country in the world, and (having a similar experience of her own) she can hardly be blamed for arguing that one thing confirms the other. Mr. Schroeder is quite logical in calling her paper 'An Unintentional Contribution to the Erotogenetic Interpretation of Religion,' but commits the errors of *petitio principii* and *non distributio medii* with the most exquisite nonchalance. Only a lawyer could be so shameless. He begs the question with regard to this particular case, assuming that her relation with the angel was pure hallucination, of which he has no evidence whatsoever. He argues that, since one person both loves and is religious, religion is nothing but a morbid manifestation of the sexual instinct. One does not have even to disagree with him to see how worthless is his reasoning. As a matter of fact, I do half agree with him in my calmer moments in a general way, but the conclusion can be carried a step further. When you have proved that God is merely a name for the sex instinct, it appears to me not far to the perception that the sex instinct is God. This particular MS. is sane in every line. The fact that the woman committed suicide twelve or fifteen years afterwards is no more against the sanity of the MS. than the suicide of Socrates proves that the Republic is merely the lucubration of a lunatic. I am very far from agreeing with all that this most talented woman sets forth in her paper, but she certainly obtained initiated knowledge of extraordinary depth. She seems to have had access to certain most concealed sanctuaries. I should personally be inclined to attribute her suicide rather to the vengeance of the guardians of those palaces than to any more obvious cause. She has put down statements in plain English which are positively staggering. This book is of incalculable value to every student of occult matters. No Magick library is complete without it. -Aleister Crowley

In one word, an altar is a gateway in the realm of the invisible. By implication, therefore, no matter the plan and the purpose of God for your life, family, children, relationships, businesses, communities, and other personal endeavours, you must have the spiritual understanding that, until satanic and demonic altars in your foundation are overthrown, you are most likely to fall short of God's plan for your life. No wonder God commanded Moses, You must destroy their altars... (Exodus 34:13-14). In this book, Pastor Uzor Ndekwu draws from his many years of experience as a deliverance minister to explain why you must overthrow foundational altars, and why you must confront demonic or satanic altars erected to hinder or frustrate God's plans for you and your family. In summary, in this book you will find: How evil altars originated. Why God will always command and instruct His anointed servants to always overthrow altars of darkness erected against them. Different kinds of altars and their purposes. How to recognise the symptoms and manifestations of those afflicted by evil altars. How you can use the Word of God, through prayer, to overthrow evil altars assigned against you. How you can raise personal altars unto God in your business and/or dwelling places.
