ganesh puja mantra pdf: In Praise of the Goddess, 2003-12-01 About 16 centuries ago, an unknown Indian author or authors gathered together the diverse threads of already ancient traditions and wove them into a verbal tapestry that today is still the central text for worshippers of the Hindu Devi, the Divine Mother. This spiritual classic, the Devimahatmya, addresses the perennial questions of the nature of the universe, humankind, and divinity. How are they related, how do we live in a world torn between good and evil, and how do we find lasting satisfaction and inner peace? These questions and their answers form the substance of the Devimahatmya. Its narrative of a dispossessed king, a merchant betrayed by the family he loves, and a seer whose teaching leads beyond existential suffering sets the stage for a trilogy of myths concerning the all-powerful Divine Mother, Durga, and the fierce battles she wages against throngs of demonic foes. In these allegories, her adversaries represent our all-too-human impulses toward power, possessions, and pleasure. The battlefields symbolize the field of human consciousness on which our lives' dramas play out in joy and sorrow, in wisdom and folly. The Devimahatmya speaks to us across the ages of the experiences and beliefs of our ancient ancestors. We sense their enchantment at

nature's bounty and their terror before its destructive fury, their recognition of the good and evil in the human heart, and their understanding that everything in our experience is the expression of a greater reality, personified as the Divine Mother.

ganesh puja mantra pdf: *Cosmic Puja* Swami Satyananda Saraswati, 2001-01-01 English Version The Samashtii Upasana or Cosmic Puja, is the meditation and worship of all the forms of divinity in existence, of all the deities of the universe. The Cosmic Puja is derived from the Chandi Path, and it reveals the worship of the Divine Mother and Her multitudinous family. Puja describes the actions that give birth to merits. The action of the greatest merit is to guide one's awareness into the presence of God and to maintain that presence as long as possible. Through puja we offer all that we possibly can to God and thereby experience peace. This worship is intended to lead us to that objective. Swami Satyananda Saraswati has translated the Cosmic Puja so that we may use it to instill within us that quality of true reverence for all of life in which we actually pay attention. By performing this worship we become so absorbed in the union between the perceiver and the object of perception that we go beyond all duality.

ganesh puja mantra pdf: The Promise of Kuan Yin Martin Palmer, Ray Ramsay, 2021-03-01 The best and most comprehensive book on the most important and best-loved Chinese goddess. Walk down the streets of Chinatown in any American or western European city and look around. She is there. Walk through the downtown streets, look in a shop window. She is there. Go to any city in China and open your eyes. She is there, too. Kuan Yin is the most ubiquitous Chinese deity—and the most loved. She is the living expression of compassion whose gentle face and elegant figure form the center of devotion in most Chinese homes and workplaces. Until relatively recently, she was barely known in the West, and few studies had been made of her. Originally published as *Kuan Yin* by Harper Collins in 1995 (and republished as *The Kuan Yin Chronicles* by Hampton Roads in 2009), this seminal work explores the origins and evolution of the goddess in ancient China, early Buddhism, Taoism, and shamanism. Religious scholar Martin Palmer and Chinese divination expert Man-Ho Kwok discuss the Kuan Yin myths and stories, and Jay Ramsay provides fresh translations of 100 Kuan Yin poems that function both as literature and divination tools. "A compelling story that reads like a detective mystery . . . and shows the contemporary reassertion of the Goddess in the hearts and minds of men and women." —Riane Eisler, author of *The Chalice and the Blade*. Previously published as *The Kuan Yin Chronicles*.
